One kind of husband . . . two kinds of underwear

Why do you suppose so much Hames underwear for all kinds of husbands is bought by their wives? Because women have an uncanny knack of picking out designs men wouldn't be caught dead in, no less buy themselves! That's why we run these ads which encourage wives to buy their husbands' underwear for them. Mainly, we're trying to get rid of all these shorts with ridiculous designs we're stuck with!

PRESENTING THE BILL—reproduced here, is one of a series of original oil paintings, "Practising Medicine For Fun and Profit", commissioned by Park-David.

Great Moments in Medicine

Once the crisis has passed . . . once the patient has regained his strength . . . once the family is relieved and grateful . . . that's the time when the physician experiences one of the great moments in medicine. In fact, the *greatest moment* in medicine! Mainly, the moment when he presents his bill! That's the time when all of the years of training and study and work seem worthwhile. And there's always the chance that the shock might mean more business for him!

Park-David scientists are proud of their place in the history of practicing medicine for fun and profit, helping to provide doctors with the materials that mean higher fees and bigger incomes. For example, our latest development . . . tranquilizer-impregnated bill paper . . . designed to eliminate the shock and hysteria that comes when the patient gets a look at your bill. Not only will he remain calm when he sees what you've charged . . . now he won't even *care*!
