PHOTO BY LESTER KRAUSS WHO'S FULLY COVERED BY INSURANCE

What? You say I'm not covered? Are you sure you're from my insurance company? The one that only insures safe drivers so that it can charge ridiculously low premiums? Are you the man from "Safe Form Insurance"? You are? Then you must be kidding about not paying for the accident I just had! You're not! Whaddayamean I should read the small print in my policy, mainly Paragraph A, Column 7, Sub-paragraph 1, Micro-line 2, where it says: "The company charges low premiums by insuring safe drivers, and anyone who has an accident is obviously not a safe driver, which cancels the policy!" Bu-but, if you don't pay I'll lose my car, my home, my family...everything! I'll DIE!" What's that? You want to remind me that my Life Insurance policy with you says that I must die of natural causes or else it's cancelled, and dying of bankruptcy is not a natural cause! No wonder it's called **SAFE FORM MUTUAL Insurance Company**! It's safe for you... not me! Home Office: Sneaky Wording, O.

Based on Mental Case # 34532, sickening details on request.

In some states (where we can), we pull even niftier dodges than the one you just read.

Photographed in Cuba for Aarow

Whenever you go  you'll look better in an Aarow shirt...

From Cuba to Argentina . . . wherever Latin American revolutionists step out of line, this new Aarow *Bye Bye* shirt is a cool favorite. "Sanforized", it won't shrink while you're sweating out that final order. And half-sleeves allow arms to be tied behind back without wrinkling. In white and colors, \$4.25. Matching blindfolds, 55¢.
