

HAWKS & Doves

The Inside Story

It was late 1970.

was President, and the war in

was at

its peak. At MAD, artist and writer

decided to express his anti-

war sentiments by creating

and

. Premiering

in

, Private Doves regularly found ways to irritate, annoy and

generally push the buttons of

, playing off Major Hawks' hatred

of . Hawks & Doves ran until

. In 1973,

declared victory in Southeast Asia and ended the war. A year after that, he

resigned in disgrace fearing impeachment. Unfortunately,

continues

to work at **MAD!**
