There are some who would argue that the internet is the most important technological development of the last 100 years... that it has altered the very way we think, act and communicate... that it has led to an information revolution that will empower us and make us better citizens in the New Millennium! And it's pretty obvious that those people have never been to OUR website, because believe it or not, at madmag.com we consider this...

THE MAD POLLING BOOTH JULY 17, 2002

Lately, the stock market seems to be fluctuating almost as frequently as Oprah's weight. But unlike Oprah's weight, the stock market is mostly going down! In fact, every time our President opens his mouth, the market sinks further (and Bush mispronounces something). While we'd all love it if our nation's leader could calm everyone's nerves about our economy, the only way he could do that is if he reassures us he won't run for a second term! Instead, we're sure he'll just keep yammering on with his usual nonsense, and so we ask...

What will President Bush most likely say next to further derail the stock market?

"The important thing is not to panic. Panic is what just caused Vice President Cheney's latest heart attack!"6.2%

"Most stocks are about to rebound nicely from this latest dip. Except for Texaco — I have inside information that they're about to go down the toilet!"3.8%

"If you think the stock market's in trouble, wait'll you see what I've done to Social Security!"9.8%

"Who is this Dow Jones fellow? I've been hearing an awful lot about him lately!"23.8%

"Why is everybody blaming me for this? Gore is your rightfully elected leader!"28.6%

Everybody has a hard time finding the right Father's Day card. But, as with everything else in life, it's a whole lot easier if you're a celebrity. After all, they have the money and the power to create their own...

CELEBRITY

Daddy, you've taught me
so much through your
words and actions...

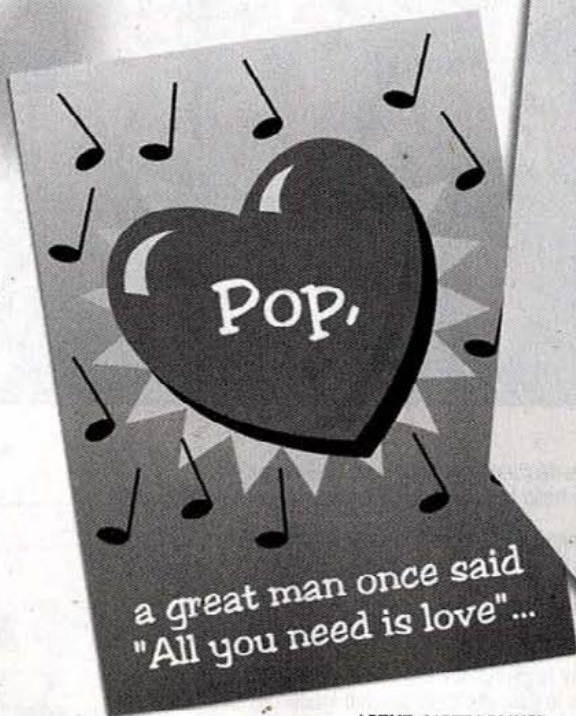

Like how Mommy is a skanky
bitch who deserves to be buried
at the bottom of a lake!

Happy Father's Day, Hailie

Pop,

a great man once said
"All you need is love"...

But that must have been Lennon, because
apparently all you need is a controlling,
manipulative Yoko-wannabe wife half your age!

Happy Father's Day,
Mary + Stello McCartney

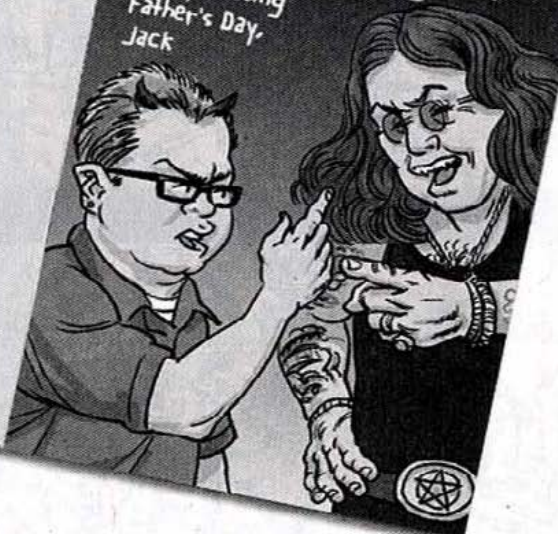

FATHER'S DAY CARDS

They say a young man is
a reflection of how his
father raised him...

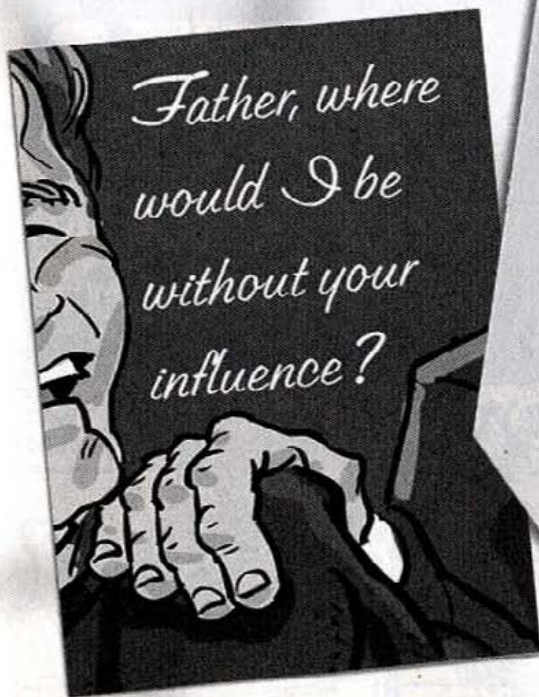

But I've never heard such a
bunch of #\$\$!%ing bull#\$!%
in all my #\$\$!%ing life!

Happy #\$\$!%ing
Father's Day,
Jack

*Father, where
would I be
without your
influence?*

Probably in jail instead
of the White House!

Happy Father's Day,
George W.
