MAD PEEK AT CAR RENTAL COMPANIES

With reference to the article on "Car Rental Companies" by Stan Hart and Bob Clarke, I take offense to the sarcastic inference that Altoona, Pennsylvania is dullsville. BAUBLE HYMN OF THE REPUBLIC

Frank Jacobs's "Bauble Hymn Of The Republic" was the best feature in your latest issue. May I have your permission to make a few copies to put up for the education of our staff? THE O

MENOUS

ARTIST: HARRY NORTH, ESQ.

WRITER: DICK DE BARTOLO

Mrs. Warlock, my husband and I are a little concerned! You came here and said you were Demon's new **Governess**, and yet neither of us hired you!

I know, Mum! But when I saw the old **Governess** hanging out the window, I began to suspect that you might have an opening here! Besides, I have references!

I can't put my finger on it, but there's something **odd** about that new **Governess**!!

I feel it, too! But she **DID** give us references!

You call the **Marquis de Sade** and **Adolf Hitler** references?!

This is Demon's first visit to a **Church**, and he seems **upset**! I don't know why he's acting this way, Father!

No!! No!! Please, Mommy! Take me home!!

That's all right, Mrs. Horns! You needn't come into the **Church**! We can take up the collection out here in your car!

I'm starting to worry about Demon! There's something strange about him! That big commotion at **Church** today! And yesterday, he brought me a **report card**, and he got all **STRAIGHT A's**!!

What's strange about that?

He doesn't go to **SCHOOL** yet!

Mrs. Warlock! What is this **DOG** doing here?! Get rid of him immediately!

I thought he would make a good **watchdog** for the child!

Well... I'm afraid he might not like the rest of the staff!

But he **LOVES** the rest of the staff, Sir! Why... only this morning, he **LICKED** two of them to **DEATH**!

I'm going to have to see a **Psychiatrist**, Roburn! I just can't stand that **frightening thing**... growling and snarling and always snapping at me!

I told Mrs. Warlock to get **RID** of the dog!

The dog is **FINE**! I'm talking about **DEMON**!

Okay, you said you had to see me again! What is it now, Father...?

From the **Eternal Sea** he rises, Creating Armies on either shore, Turning Man against his Brother, 'Til Man exists no more.

Hi diddle diddle, The Cat and the Fiddle, The Cow jumped over the Moon-y! So take your Poem, And go on Home, Or I'll have you committed... You **LOONEY**!!

Listen to me . . . ! You must go to the town of Deli and see the old man named Pumpnickel! He will describe how the child must die!

You never give up on that "the child must die" routine, do you?!

Well, for all I care, YOU can drop dead!!

How come . . . when I pray for world peace, nothing happens?! But a dumb request like that gets an instant answer!?!

Katty! What happened??!

Demon tried to kill me! He knocked me off the balcony with his bike!

Don't say that! It was probably just a little over-enthusiastic child's play! Now, move over . . .

Move over? Why?!?

Because I'm staying HERE . . . with YOU!!

You don't think I'm going to go HOME, and give that little murderer a shot at ME . . . do you?!

I'll tell you why I wanted to see you. Mr. Ambassador! Look at these pictures! This is the priest who was killed! Look at this picture I took of him before the accident? See? There's a big dark line through his chest! And in this picture, there's another dark line! And the same in this picture! What do you think . . . ?

I think maybe you should take your film to a different drug store to be developed! THIS one is ruining your pictures!!

I also wanted you to see this room! The priest who was killed lived here! Look . . . the walls are completely covered with pages from The Bible!

He evidently knew a LOT about religion, but NOTHING about Interior Decorating!

I want to help you get to the bottom of this mystery . . . and I'll show you why! This is a picture that I took of myself . . . with a self-timer . . .

Do you notice anything strange . . . ?

Yes! Your head isn't connected to your body! You may know a lot about "exposure" . . . but you sure don't know anything about "focus" . . . !

I'm looking for the birth records from five years ago, Sister, but I understand there was a fire! Did the records burn?

No... they were stored in the basement—

Thank God!

—where they were ruined by the water they used to put out the fire!

Well, there was a priest here five years ago! He was tall... good looking... with beautiful piercing eyes and dark skin—

Please! Stop!

You know who I mean?!

No... but you're turning me ON!!

The priests of the Monastery at Las Zagna were right! Father Splatto IS here! That's him!

Good Lord, What happened to him?

He—he fell from Grace!

But... that doesn't explain his terrible condition!!

Grace was on the fifth floor! He was visiting her when the fire broke out!

He can't talk! He just writes!

Father, tell me!! Where is the real mother of my son? **TALK TO ME! TALK TO ME!!**

He's writing something!! He's writing, "D-O-N-'T... S-H-O-U-T—" **DON'T SHOUT!!**

Now, he's writing something else! He's writing, "6-6-6"!

Does that equal the "Diabolical Trinity," Father?

No... he says, "It equals 16"!

He's forgotten his religion!

AND his Math!!

Are you sure this is the place the priest described?

He said it was a desolate place, wrecked and strewn with bodies! What other place fits the description?

The Howard Johnson Motor Lodge, down the road!!

This is the grave where the real mother of my son was supposed to be buried! But all we've found inside is the skeleton of an animal! It looks like a **WOLF!!**

Well... at least now you know why your son stays up all night and bays at the moon!

We're being attacked by dogs!! I think they're **MAD!!**

Well, let's just say they're **NOT PLEASED!** They must be looking for a bone!

In a **CEMETERY??!** There must be forty million bones here! They're looking for **MEAT!!**

But we don't **HAVE** any meat!

YOU tell **THEM** that!!

Katty, listen to me! Things are getting out of hand! you must leave the hospital immediately!

But I'm in traction, I'm on intravenous feeding, I'm connected to a heartmachine... and I'm still in the Intensive Care unit!

Katty, this is no time to pull that "helpless female" stuff! Leave that hospital NOW! IMMEDIATELY!!

Mrs. Warlock... how come, when I said I have to leave the hospital immediately, THAT's the order you decide to obey?!!

I mean, you didn't have to take me LITERALLY-Y-Y-Y—

Good Lord... that was terrible! Shall I call an ambulance?

Why bother?!? She landed on one!!

Katty is dead! And now I know that DEMON must die, too! I would go to see that EXORCIST... if only I could remember his name...??

Was it Jack La Lanne? Charles Atlas? Richard Littleman? How about Bonnie Prudence...?

This is the place where the Exorcist lives! But it's a total RUIN!

What ruin?!? A few drapes, some rugs, and you'd never know the place! Listen to me! Your son must die on Hallowed Ground! So either take him to a CHURCH... or lay him on a TV set during "SERMONETTE"...!

Now... this knife will extinguish his breath!

And this knife will drive out the devil!

And this knife will open bottles and cans!

This entire set is yours for only \$9.98...

And if you order NOW—

But—but I can't stab my own son!

He is a devil! He is evil! He has killed... and he will kill again!!

How about if I send him to bed without any dinner...???

I'm afraid that won't do it!!

Uh—how about if I slap his little bottom—REAL HARD?!?

Can you imagine?!? That Exorcist wants me to stab my own son! Well, I won't do it!!

Then I will! Give me those knives!!

I will not!! You will so!!

Hey! Now, don't lose your head over this thing!!

VER-THUNK!

Is there something wrong with my speaking voice?!?
I said "DON'T lose your head over this thing!" !!

Demon, if I don't go through with this, do you promise to eat all your vegetables... and clean your room... and stop killing everyone?

Don't DO that—or I'll shoot!!

But I must! This child is THE DEVIL!!

Look, Mac! I got four kids of my own, and none of them are ANGELS! I think you're OVER-REACTING!!

How dare you accuse me of over-acting!! The child must die!!

Drop the knife!! Drop it!!

BIM

We've lost a very good Ambassador, Mr. President! He had a wonderful way with foreigners!!

Yes... but he wasn't too good with kids!

However, I will raise his son here... in the White House... with me!

I know I'm terribly miscast in this movie!

I know I'm supposed to look evil—and I don't!

But neither did Richard M. Nixon!! Remember?!?

Anyway... the White House is the perfect place for me!

This country's run like Hell already!!

A favorite Grown-Up complaint is that kids today don't know or care what's going on in the world. Well, what do they expect? A whole generation is being raised on the confusing double-talk of TV News. And maybe Parents can con themselves into thinking they understand all those mysterious new

A LITTLE KID UNDERSTANDS

Detente

... is like when the Class Bully agrees to stop threatening to beat you up after you promise to do all his Math homework on your new calculator.

Classified Information

... is like the kind your Teacher writes in a note to your Parents, and then seals the envelope so you can't find out what it is, even though you're the one she's written about.

The Domino Theory

... is a Grown-Up term for what happens when your Dad's Boss is forced by his Wife to sleep on the sofa, which makes him yell at your Dad all the next day, which makes your Dad get bombed on his way home from work, which makes your Mom send you upstairs to your room so you won't hear what happens next.

Granting Diplomatic Recognition

... is like when you invite a kid to your Birthday Party—even though you don't like him very much—because you know he'll bring an expensive present.

words and bewildering new phrases of the TV Newscaster . . . but their kids are too honest to do that. They're the first ones to admit that they need help in deciphering the indecipherable. And so . . . MAD rushes to the aid of the younger generation with this vital Public Service Feature entitled:

Deficit Spending

. . . is like when you borrow so far ahead on your allowance that you can't ever get out of debt, unless you grow up to be the only 44-year-old person still getting an allowance.

A Conflict of Interest

. . . is like when you're assigned as the Honorary Hall Monitor to see that nobody snitches stuff out of the lockers, and you're the main one who's snitching stuff.

School Desegregation and Forced Busing

. . . are really the same thing. Adults have merely given it two different names so that those who are for it and those who are against it can both make it sound as if the other side is wrong.

A Consumer Boycott

. . . is when all the Mothers get together and agree not to buy stuff their kids love to eat until the prices come down. (Oddly enough, Consumer Boycotts are never called to protest the rising costs of Grown-Up things like whiskey, beer and cigarettes.)

A Covert Operation

... is what Grown-Ups call it when they get caught doing something they shouldn't do. By calling it that, they make sure of getting a medal instead of going to jail.

Fringe Benefits

... are like when you agree to clean out your neighbor's garage for a lousy 50¢ cash because you know there's a whole stack of *Penthouse* Magazines under all that junk.

Women's Liberation

... is a movement designed to convince everybody that girls with I.Q.s of 160 are as good as boys who can chin themselves 28 times without stopping.

Declaring Bankruptcy

... is like when you owe money to all of your friends, and you announce that you're not going to pay it back, but they can't hit you right then because your Father is with you.

A U.N. Cease-Fire

... is like when your Mom says it's okay to hit another kid if he hits you first, but not if he just looks like he might.

Senior Citizens

... are what Middle-Aged People call Old People when they want to get rid of them without hurting their feelings.

Bipartisanship

... is like when your Mom and Dad are both so completely against letting you take up "Hang Gliding" that there's no point in trying to play one of them off against the other.

An Unannounced Candidate

... is like what you are when you see a girl you want to date real bad but you're scared to ask her until her brother can almost guarantee that she won't say "NO!"

A Nuclear Deterrent

... is like when your folks buy a dog just so they can put a "Beware Of The Dog" sign on the front gate to scare away strangers ... they hope.

Strategic Arms Limitations

... is like when two guys agree to throw away so many weapons, they barely have enough left to kill each other more than once.

A Recession

... is when your allowance stays the same for a long time because your Father asked for a raise and got turned down.

A Depression

... is when you don't get any allowance at all for a long time because your Father asked for a raise and got fired.

Hynahhh!
Hynahhh!

I'll bet you're Adnoid Horseshot's father!

How can you tell? Most people think he takes after his **MOTHER!!**

Hi, there! How come you're throwin' our kids outta this school, Turkey?!

They're not being thrown out! They're **graduating!** They'll receive **diplomas**, and they'll go forth into the world, carrying the torch of learning . . .!

You'd better not give my Adnoid no torch!! He ain't even allowed to play with **MATCHES!**

Thrown out! Graduated! What's the difference?! They're gonna be out on the streets . . . and that's not safe, Mr. Klodder!

Don't worry! They'll be perfectly okay!

Hey! We're not worrying about **THEM!!** We're worrying about the **REST** of this city!!

You think it's a jungle out there **NOW?!?** Man . . . just wait until you turn **THEM** loose in it!

Hold it! I've got an idea! And when Gabbreal Klodder gets one of his **great ideas**, it never fails! So go home! Relax! The Sweatslobs are going to stay in school . . . or my name isn't **Jimmy Cagney!** So take dat! My mudder tanks you! My fadder tanks you! An' I tank you!

Cagney? Gee, I thought he was doing Bogart!

I've got a game plan that will keep you in school forever . . . or at least while we're in the **Top Ten!** I'm giving you the rest of the week off to let the citizens of Fun City have a **sneak preview** of what it'll be like with the Sweatslobs running loose!

I dig, Man! When we do our thing, them civilian dudes'll demand that we get off the streets and back into school!

But if we pull some of the stuff we do here in school, we might all get **busted!**

That's right, Mr. Klodder! And if we're **busted**, we'll end up being incarcerated in the bowels of the **bastille!**

Forget it, Man! Ain't nobody gonna **carcerate** Wham Bam Washing-tongue's **bastilles!**

Don't worry! You won't get arrested! The cops are **too busy** . . . hasslin' **Hookers!** Now go out and do unto the city what you have been doing unto this school!
