"HENNA AND HER SICKOS"

I'm an avid fan of Woody Allen and I think that "Hannah And Her Sisters" was a masterpiece, but "Henna And Her Sickos" was just SICK. Go back to trashing bad movies like "Rocky IV."

R. Keith Phipps
Englewood, OH

You guys wasted five pages on "Henna And Her Sickos." If you ever spoof another Woody Allen movie again, I'll puke!

TAKING THE BIBLE BY THE HORNS

I find Mrs. Linda Houk's letter in MAD #265 extremely distressing. From its contents it's obvious she is a blind self-righteous patriot. If she thinks MAD is too awful to read, I'd like to suggest she try something else. It's called THE FIRST AMENDMENT!!!

Mark Wilson
Columbus, OH

I saw the "Bible Belts" letter in MAD #265, and I have a few comments. If that lady would actually read MAD, she would see it is really worse than she thinks it is. MAD's language is not only atrocious, but also revolting, repulsive and nauseating. Lastly, I can't figure out why she would want MAD to change its attitude, because right now it's just how its readers want it—CHEAP AND DISGUSTING!!!

RHYMIN' REAGAN

"The Reagan" in MAD #265 made my day. I love the caricature by Gerry Gersten. The whole thing was a welcome surprise. I'm sure if Poe was still around, he would have written the same thing. After all, he was a horror author, wasn't he?

MAD MEN RETURN

MORON MAIL

I love your moron mail. Some people say such stupid things it is unbelievable. Do they think they're funny? And those snoot-nose people who write, I love the quips you put under their letters. They deserve it. How stupid can some people get?

ETOP GUNKE

Hey, if the **government** supplied the **planes** and the **stunt pilots** and we **taxpayers** footed the **bill**, how come we have to pay **admission** to see this?

That's **show biz**! Ain't we still paying to watch actors in real-life roles as **politicians**?

The MIG's on our **tail** Maniac! I can't see him!

Great! We've got a 30 million dollar plane with a 3 million laser holograph scope sight and a 4 million load of the latest air-to-air missiles—and we're going to get our butts **blasted off** because we don't have a lousy **6 dollar** rear view mirror!

John Jones? Get that **creep** outta here! Which brings up point **number 6**—any pilot caught without a **silly** or **catchy** nickname will be automatically **dropped** from the **Top Gunk** program!

That girl really **intrigues** me!

You **always** say that...

Yeah, but this one's got **something** the other girls I know **don't** have!

What's that?

A big **headstart** on **middle** age!

There are a few **rules** you have to remember to become successful Navy movie pilots! You must: 1) Smile 90% of the time and hold back tears the other 10%; 2) Have a close friend who gets killed; 3) Never appear on screen without being sweaty; 4) Meet an old buddy of your dad's who "really loved him"; 5) Be afraid to make an emotional commitment to a woman!

But Sir, there are no **women** here in **Top Gunk**...

Which brings us to number 6—Accept **without question** that the country's **foremost aerial combat expert** is a young lady who's never been in a plane in her **life**! Inability to accept **these** and all **other clichés** thrown at you is tantamount to **fail-ing Top Gunk training**! Dismissed!

MIG DONALD'S

TOP SECRET

How come she's the instructor instead of a **veteran Navy pilot**? What **experience** does she have?

They say she's **logged over 300 hours**!

Really?

Yeah! She saw "An Officer and a Gentleman" **165 times**!

Besides, there's gotta be some kind of **love interest** for Maniac!

Love interest? Who's gonna believe **that**? She looks **old** enough to play Maniac's **mother**!

You know it! I'm glad I play an "Ice Berg" so I don't have to **make out** with her!

BIRD

SPAD

SIDEV

STP

ICE

Why do you try to be such a **hot shot**? What are you trying to **prove**?

That I can be the kind of man my **father** was! He was a fighter pilot, too!

What happened to him?

No one knows! He flew off into the clouds one day and was never heard from again!

Did he die?

Either **that** or he landed in **Philadelphia**! It's just about the **same thing**!

Maniac, you should be **yourself** and stop trying to **act like someone else**!

You mean like my **father**?

No, like **Dustin Hoffman**!

You seem so unhappy, so remote, so tuned out! You don't even want to fly anymore!

Ever since the accident, I've lost the will to die!

I've never said this before, but I love you!

I find that hard to believe!

Just look at my face and tell me what you see...

Wrinkles, some crow's feet, sagging jowls, age spots...

All right, already!

Gentlemen, there are a few **basic rules** you must remember as **graduates of Top Gunk!** You must: 1) Always be ready for timely coincidences—like **now**, for instance! We've just learned about a **new crisis** of world-threatening proportions which means that **all of you** must leave immediately for **combat!** Any questions?

TOP BRASS

Sir, if the situation is really **that** important, wouldn't it be **wiser** to send **former Top Gunk graduates** and **other battle-experienced pilots?**

Which brings us to number 2—**Never** louse up a plot by introducing **logic, reason, or common sense!** Dismissed!

GO NAVY!

TOP SIR

TOP ARMY!

Okay, Russkies—you'd better start **saying your prayers!**

That's **another** nice, old cliché, Maniac, but it doesn't really apply here very well, considering how most Russians are **atheists** and **don't say prayers!**

Okay, how about **"May the force be with you!"**

Fine, especially considering that these **aerial dogfight scenes** are a total **rip-off** of **"Star Wars"** anyway!

A DUEL TO THE DARTH

TOP JEDI PILOTS

WHAT A VADER GO!

SKYWALKER

VOOM

Wow, Maniac, you knocked down **three Russian jets!**

And you scored with **another old cliché**—coming to the aid of your rival, "Ice Berg," proving you're a **"team man!"**

I guess I've successfully redeemed our family name!

More than that! By knocking out those **three Russian jets**, your name will go down in **history...**

TOP MANIAC

I just finished the books. We're 2½% over budget.

Damn! Well, see if you can "play with" the figures.

To bring them down?

Are you nuts?! To bring them up! People in this business have no respect for a video unless it's 20% over budget!

Do you think the drummer's facial tic is gonna show up on camera?

Don't worry! If this video's a hit, half the kids in America will be imitating it because they think it's "COOL"!

They're lip-syncing the song to a studio tape?! Why don't they sing it live?

'Cause, without a million dollars worth of recording equipment, these guys sound like four Chihuahuas in heat!

Stand back, he's one of the most important people in the entire music biz!

I just read the script. This video makes absolutely no sense at all!

Wow! Who is he, some bigwig record exec or producer?

No! He's a drug supplier!

Yeah! It's nice when things go right for a change!

THE SCENES AT A VIDEO

What's your job here?

I'm an Associate Producer.

No kidding, so am I! Which member of the band are you related to?

Who had this studio before us?

Prince.

Ah-hah!! That explains the purple toilet paper in the john!

Didja hear about Twisted Sister's new video? Three Dead and Eight Wounded!!

Is that the title?

No, that's the body count on the set!

\$10 says it's "35"!

I'll bet \$5 on "27"!

No! I'm sure it's "49"!

What are they betting on?

The actual number of Michael Jackson's relatives with videos of their own!

A stabbing, two shootings, a simulated rape and four car crashes...it just doesn't seem right for a love song!

What if we added a few more stabbings and a nuclear explosion?

I get the feeling music videos still don't take women seriously.

Hey! These chickens are still alive!

That's the last time I hire a caterer recommended by Ozzy Osbourne.

Now you're talking!

What makes you say that?

I'm listed in the script as "Breast #3" and "Breast #4"!

Love you

What do you get when you cross mutual funds, T-bills, mortgages and Keough plans with some crude puppets, a few sappy songs and a host who talks like a ten-year old? You get...

MR. JOLLY ROGERS' NEIGHBORHOOD

VISITS A LOCAL BANK

It's a typical day in my neighborhood
Where life's sure to stay this way for good
It's ideal—'cause it's unreal!
It's not like your house—here everything's calm!
I'm not like your dad—I'm more like your mom!
I'll be—thanks to TV—
Your neighbor!

Hi, neighbor! Here
we are together again
in our own little world
where we have such fun,
like watching me change
my clothes and
talking to
special guests!

Today's guest is
Ralph Nabob, the
President of the
First National
Neighborhood Bank!
It's nice to have
you visit us today,
Sir! How are you?

Quite well, bank
you! Do you have
real interest, or
are you just
checking? Hi yo
silver and gold!
The loan arranger
rides again!

ARTIST: ANGELO TORRES

WRITER: LARRY SIEGEL

My,
you're
sure
caught
up
in
your
work...

I've always
been that
way! Why
don't I
deposit myself
right here
and sing
about it...

Even as a child
Money drove me wild
So my life was styled
For security—in my future-ity
There would be lots of money—highly piled!

Now that I am grown
Haven't changed my tone
Money that I loan
For security—I make damn sure-ity
It's someone else's money—not my own!

What a grand song that was,
Mr. Nabob! And now with your
help, what do you say we all
go and pay a visit on a
typical bank just like yours...

Isn't this a lovely pretend bank! Look at those wax make believe bank teller dolls!

Chuckle...They're real tellers from my bank! All tellers freeze like that when there are customers waiting!

Why don't I pretend I'm a depositor and let's see the first thing a bank teller does when you walk up to him...

Did you know he was going to do that? I did! I've been to a bank before!

See how fast they can move when they have to, Mr. Jolly-rogers?

Oh my, yes! Now let's look at some of the bank promotions you brought along to show us...

Aren't these wonderful? In the first case we have an American Presidents' exhibit, in the second is an antique coin collection! What's in the third case, Mr. Nabob?

A rare pen display!

Rare pens?

An unbelievable find! Three pens discovered in over 14,000 American banks that actually write! The post office is also planning an exhibit like this, but so far they haven't found any pens that work!

Aren't we having fun today! No, we're not! Do you know why? Because nobody ever has any fun in a bank! That's an important lesson! Okay, let's continue our visit...

My, what a lovely bank! And what a nice mummy! Is this part of an Ancient Egypt bank exhibit, Mr. Nabob?

Chuckle...This man only looks embalmed, but he's alive, too! More so than most of our tellers! He's our bank guard, Bertram Mulcahy! I'd ask him to sing us a song, but he doesn't have a very good voice...

That never stopped anyone else on this show before!

Golly gee, can't you see, I'm obviously happy to be me! Whoop de doo, sad but true, you're obviously not me—You're only you!

The sun is warm, the sky is bright, God sure created things just right! How do I know? I'll tell you square—I remember—I was there!

Actually, how old is he, Mr. Nabob?

No one knows for sure, but he has a security card showing he was the guard at the **FIRST** First National Bank!

Chuckle... Those silly bank robbers only **think** they got away with our money! We've got them **dead to rights** with our bank camera!

See... No matter where they go—to the beach, a Nautilus club, wherever—they're shaking in their boots because they know that **we** know what they look like...

But isn't there just **one** small problem...

Okay, so they have to be wearing **ski masks** at all those places! Gosh arooty—why must everybody be so **picky**?

Never a **dull moment** in a bank! My, my, Madame teller, you must be punching out **500 numbers a minute** on that computer! I bet you're doing very important bank work!

Not really, Mr. Jolly-rogers! I just try to **frighten** depositors into thinking I'm checking out their **whole lives**! Most of the numbers I punch are **meaningless**!

Where did Mr. Nabob ever find you?

At a supermarket **checkout counter**! I'm still **famous** for charging a customer **seven times** for **one box** of Cheerios!

Please give me back my **credit card**! I swear it won't **happen** again! Please! PLEASE!!!

What is this **commotion** about here, Mr. Nabob?

Sad case! The customer just **paid** the \$753 he owed on his **Visa card bill** in full...

That doesn't sound like a **bad thing** to me...

We can't **make money** if people pay **everything** they owe us **right away**! The idea is to get them to pay **as little as possible** so we can **soak** them with **heavy interest** and **finance charges**!

He said he's **sorry**! Can't you give him another chance?

It breaks my heart, Mr. Jolly-rogers, but his type is **destroying** the **American plastic way** of life!

YOUR AMERICAN ESPRESSO CARD — DON'T LEAVE ROME WITHOUT IT!

There, now wasn't that a **very important lesson** we just learned? When we grow older—we're **never** going to pay our bills when we have to, right? We're going to pay **as little as possible**, to help keep America strong!

Before I leave can I **borrow** some money?

Fine! Just tell me what **collateral** you have! You know, a house, a car, whatever, and we're in business...

Early One Afternoon at Top Gunk

OFFICERS IN DIS-DRESS DEPT.

It wasn't long ago when all the detectives on television were men. Women were portrayed as being frivolous and silly. But now we have a crime drama show where two of the detectives are women! They're every bit as effective as their male counterparts, and they smell a heck of a lot better! But they're still silly and frivolous! Of course, we're talking about...

Grabme & Spacey

ARTIST: ANGELO TORRES

WRITER: DICK DE BARTOLO

I'm **Pristine Grabme**! I'm 40-ish, but I look **younger**! I'm also **single** and I **drink** a little **too much**. But hopefully one day I'll be **married** and I'll have someone to **share** my life... and the **cost** of my **booze**! In the meantime, I'll go on working as a **plainclothes detective**. And believe me, on the **salary** they pay New York cops, **plain clothes** are all I can afford!

I'm **Detective Peachy** and I'm just a **token** around here! Not a **token black**, a **token detective**! Grabme and Spacey get all the **good** cases in this precinct, so the **rest** of us **guys** are all **tokens**!

I'm **Merrybet Spacey**, Grabme's **partner**! I'm 40-ish, but look **older**! I'm a very **private** person, so **don't** ask me about my husband **Hardly**, who's usually **out of work** or **not happy** with the job he **has**, or my **two boys** who wish I wasn't a **cop**, or our new **baby daughter** who drives us all **nuts** with her **crying**! Oh, did I mention our new **house**? Anyway, the guys down here at the police precinct are always **teasing** me. They say they don't know which is **thicker**: my New York **accent** or my **midriff bulge**!

I'm the **desk sergeant**. I just mostly **smile**. But everyone in this precinct is so **heavy-handed** and **depressing**, a simple **smile** is like **major comic relief**!

I'm **Lt. Darnrules**. I'm **in charge** here! And although I'm a bit **gruff**, I'm not a **male chauvinist** at all! In fact, I kinda like having Grabme and Spacey on my staff. Having **two broads** around here **brightens up** the place a bit!

We're **Starsky and Hutch**! We want to report a **robbery**! Someone stole our **show** and gave it to two **women detectives**!

I'm **Issexy**, God's **gift** to **women**! Now if I could only get some women to **accept** the **"gift"**!

You don't **want** to live **here**, believe me! The landlord is trying to **force** us all to **move** so he can sell the building to a **condo developer**. They **harass** us day and night! Today there was a **dead body** in the **garbage chute**!

Well, at least they're **neat**! They could have **left** the stiff in the **hallway**!

You should **organize**! Elect a **tenant representative**!

We did! **That's** the guy they found in the **garbage chute**!

This **floor** is a **mess**!

That's **not** the **floor**, that's the **ceiling**!

What's the **ceiling** doing on the **floor**?

The **same** thing that the **wall** is doing in the **tub**, **FALLING**!

At least you have a **cat** to keep you **company**!

What **cat**? That's a **rat**! One of the **smaller** ones! I think they truck them in from **other slums**!

How about **getting** even with the sleazebag that's doing this to you?

I'd like to, but I'm **afraid** he'll do something **drastic**—like fire his **96-year-old mother**! Then we'll have **no janitor** at all!

You must **testify** against your landlord! You must, **MUST, MUST!!!**

OK! OK! I'll **testify**! I can't take any more **harassment**!

That's why we're going after your **landlord**!

What landlord? The harassment I mean is **you** and your **partner**! Get out!

Hey, **Slimebucket**! Here's a **subpoena** for you to appear in **court**! Mr. Manana is going to **testify** against you. The **charge** is **harassing tenants**!

Whadda ya mean? I'm one of the most **generous** landlords around! Who **else** arranges for the **garbagemen** to **come** every day of the week?

Yeah, but **yours** come everyday to **deposit** garbage!

Big deal! So hang me for mere **details**!

I suggest you get yourself a **good lawyer**!

Perhaps a **young, handsome** lawyer who's **single** and might be attracted to a **lady detective** who's charging his client with harassment. See, my partner, **Pristine**, is a **lonely** lady and...

MERRYBET! You know, sometimes I **wonder** if you're **worth** the **embarrassment**!

How's Grabme, Mom? We haven't seen her in a long time.

Grabme's okay, but she still wishes she had a husband like I do. She longs for a family and home-cooked meals! Now, will you kids please shut up, eat your Chicken McNuggets and just stay out of my hair!

So tell me, Hardly, how was your first day on the new job?

It was okay! But it was only a half day. I changed jobs during my lunch hour!

Hardly, you change jobs more often than New York City politicians accept bribes!

I changed my mind! I don't want to testify!

You can't let that creep get away with illegal harassment! Unless you change your mind and testify, I'll show you harassment! I'll have your car ticketed every day, I'll watch your...

Pristine, let me deal with him. Sometimes being a mother helps a person relate better! Mr. Manana, do you want me to send you to bed with no dinner? How would you like no TV for a whole month?

I'm scared! Yesterday, my car blew up! Last night, my apartment caught fire! This morning, somebody took a shot at me!

You can't take that stuff personally! This IS New York!

Work with us and we'll give you a new identity! See that photo? That's Jimmy Hoffa! He worked with us and just look what we did for him!

Boy, I hope Mr. Manana doesn't change his mind again!

If you're waiting for a Spanish guy, about 40, short with a moustache, I think he was abducted about ten minutes ago.

What makes you think that?

Because as three men dragged him out the door he was screaming, "Somebody help me! I'm being abducted!!!"

We've got to find Manana right away or Sleezebag could win this case!

Hey, what are you two doing in here?

We always go into the bathroom to confer!

But this is the men's room!

I know! What better place for my single partner here to meet eligible bachelors!

Merry-bet... PLEASE!

Okay, buddy, pull over to the curb!

I am at the curb! Traffic is so heavy, I haven't been able to leave the curb for the past twenty minutes!

That's why catching crooks in New York City is so much easier than anywhere else!

Well, we finally got Mr. Manana to court safely! Let's hope the case goes well!

The judge will now hear the case of the upstanding, honest-as-Abe-Lincoln landlord versus the rotten, no-good weasel tenant!

Uh oh! My gut feeling tells me the fix is in!

How did the hearing go?

What kind of technicality?

Mr. Manana lost on a small technicality.

The judge was on Sleezebag's payroll!

Poor Manana! Are you still going to give him a new identity?

He already has a new identity. The minute the case was thrown out of court, four of Sleezebag's goons worked Mr. Manana over. Believe me, he doesn't look anything like he used to!

Merrybet, don't you wish that, just once, one of our cases would have a happy ending?

Good news! It just came over the wire. Mr. Slimebucket was killed by a drunken driver! And that drunken driver was the judge who threw out your case. He'll get 30 years!

Hey... could this be our first happy ending?

Nah, this is New York! Chances are, Sleezebag isn't really dead—the Coroner's Office just botched the diagnosis! And as for the judge, he'll probably beat the drunk driving rap with a suspended sentence and wind up with some cushy political job down at City Hall!

God! I wish I had a man!
