IN THE NICKNAME OF TIME

Thank you so much for making "Calvin and Jobs." I used to love *Calvin and Hobbes* and I loved the parody you guys did. I also like how you did the same thing with *Cathy* and Amy Winehouse. Why wasn't The Strip Club in last month's issue? It's one of the best parts of the magazine. And where did Bitterman go? P.S. Don't make fun of my name with Gryffindor because that isn't that original.

Griffin Benzel, letters@madmagazine.com

Gryffindor — We never claimed we were original. Thanks for reading! —Ed.

MAKE A DUMB WISH FOUNDATION™

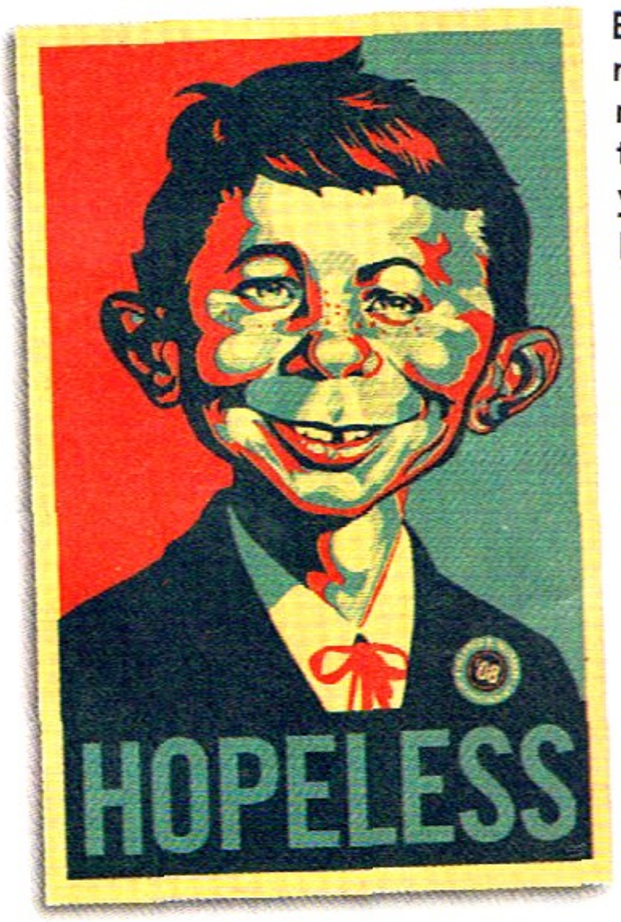

There is a long story behind this note card. My aunt gave them to me when she saw my Bar Mitzvah thank you notes. I tried not to choke from laughing and throwing up at the same time. So for my dumb wish, I would like you to publish the front of this note card, but somehow vandalized.

Andrew Rybczynski, Baltimore, MD

Rybeye — At the MAKE A DUMB WISH FOUNDATION™, we're all about making readers wishes come true. But in your case, how can we possibly mess with perfection and vandalize such an impeccable work of art? We would be doing Red Farm Studios (the makers of this card) a disservice. Please thank your aunt for us, because the only thing that needs changing is your attitude! Congratulations on becoming a man! —Ed.

READER ALERT

Election Day is coming up, which means Alfred E. Neuman needs as much help as possible if he's going to lose in style. So we're asking you, dear readers, to take the poster in this very issue and hang it in a store window, on a telephone pole, even at the voting booths. Take a picture of your handiwork and we'll print the best ones in an upcoming issue. Remember, if we all work together, we can secure an Alfred victory and America can have its dumbest President yet! (Well, second dumbest!) Send pics to letters@madmagazine.com or via snail mail to Amy "The Big Poster" Vozeolas, c/o MAD Magazine, 1700 Broadway, NY, NY 10019.

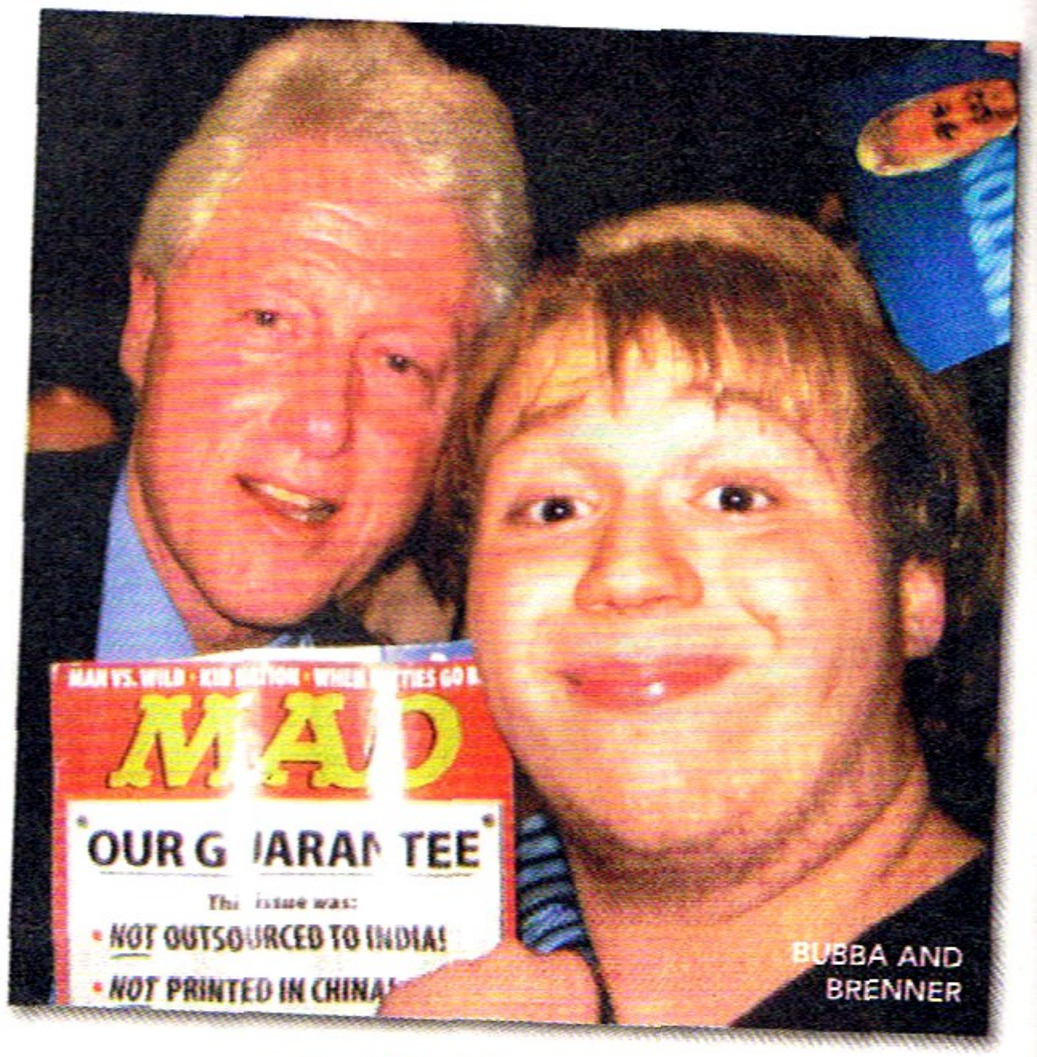

MAD CELEBRITY SNAPS

When I found out Bill Clinton would be stumping for Hillary at my old middle school (East Middle, Martinsville, IN), was my first thought to go and hear his take on all of Hillary's presidential ideas? No! My first thought was to go and get the former-Commander-in-Chief of all Celebrity Snaps! Well, as our current Commander-in-Chief would say, "Mission Accomplished" (for real)!

Brenner Williams, Martinsville, IN

Brenner Off Dead — Great snap! But we have a question — was there an open bar at this event? Bubba is looking a little tipsy! Congrats on your three-year subscription! —Ed.

TURNING DAUGHTER INTO WHINE

I just wanted to ask the powers that be if they have any insight into what has happened to my 11-year-old daughter? My daughter stayed three weeks during the summer with her cousin in hotter-than-hell Phoenix, Arizona. Anyway, when I arrived at the airport to pick her up, I did not recognize her right away because she had a short bob with bright purple streaks in her hair, she wore all black with black skinny jeans, black slip-ons, black nail polish, black bag and a MAD magazine under her arm (and an apathetic, sarcastic attitude to boot)! I wanted to blame her aunt and cousin at first, but upon further in-depth inspection of said magazine, I have come to the conclusion that they are not entirely responsible.

Christina Collins, Vista, CA

Collinoscopy — She's dressed all in black and reading MAD? Sounds like she's mourning the death of her good taste! —Ed.

THE SOAK'S ON YOU

Earlier, when I was getting out of my bath, I almost spilled water on my new issue of MAD! It was so close that I now do not read my MAD in the tub anymore. I cannot take the risk of it getting wet.

#27 In A Series

An important message from MAD's Director of Business & Development,

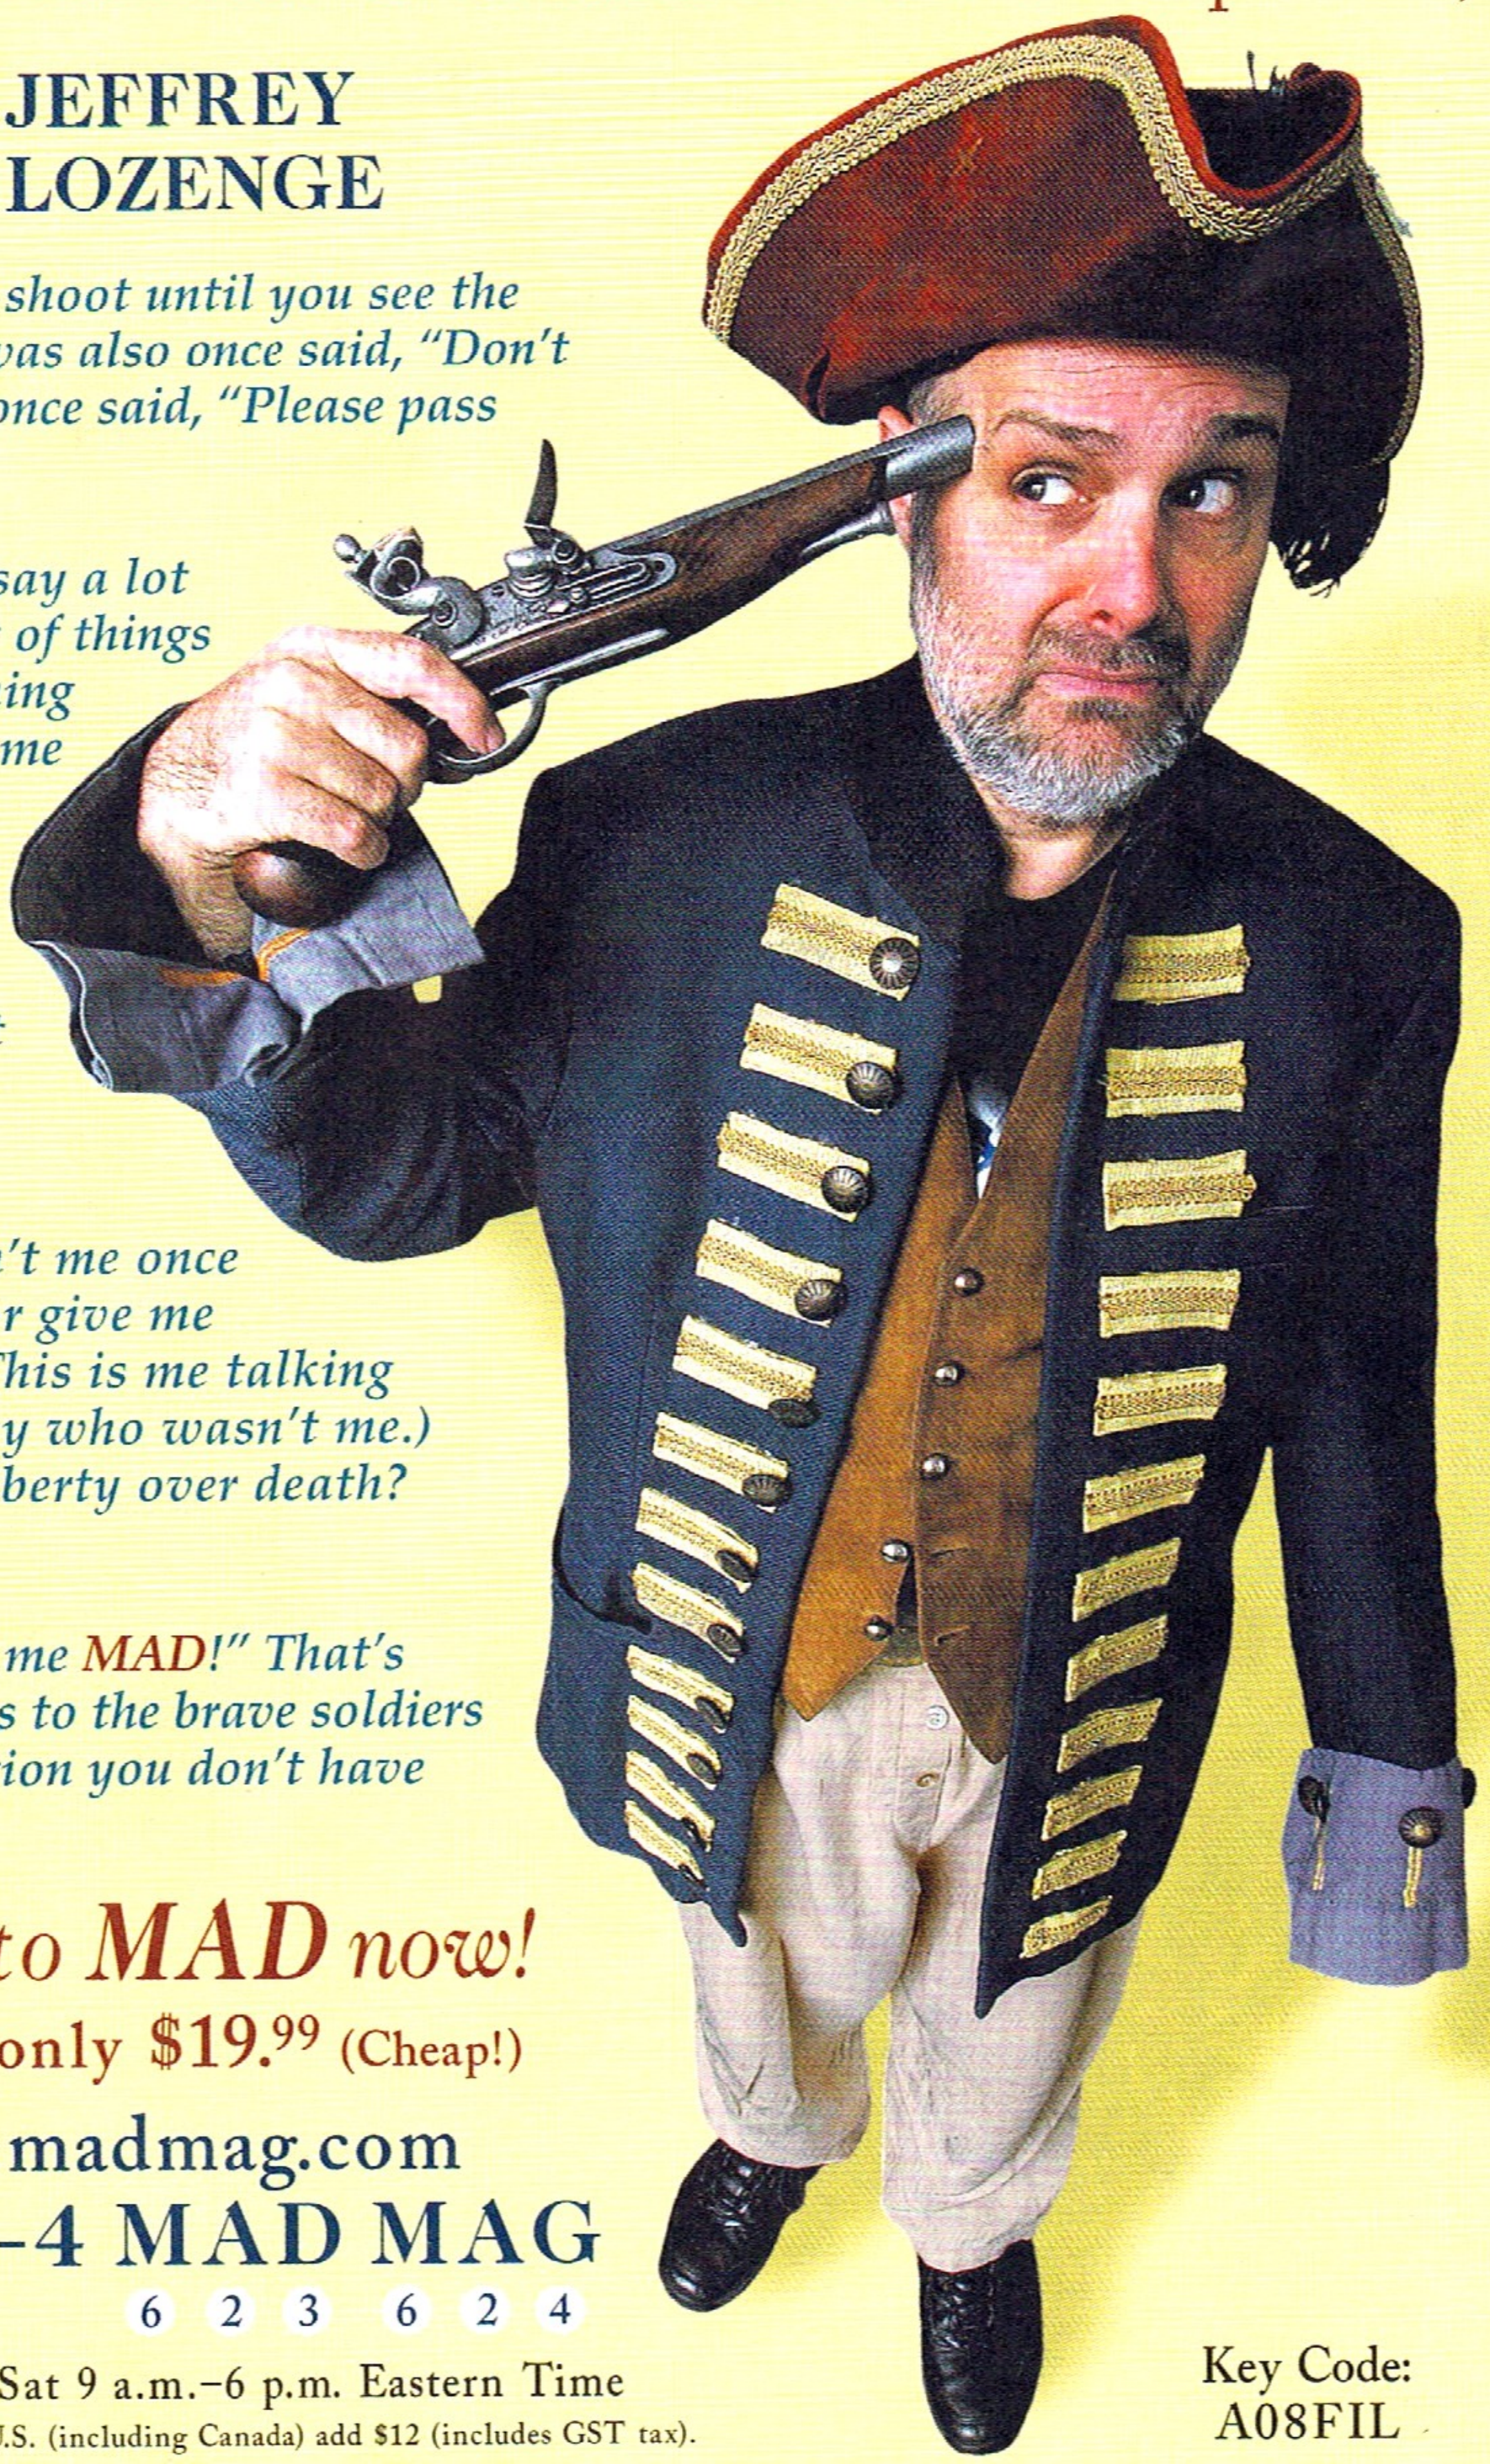

JEFFREY LOZENGE

It was once said, "Don't shoot until you see the whites of their eyes." It was also once said, "Don't shoot!" And it was also once said, "Please pass the chicken gravy."

My point is that people say a lot of things. And I say a lot of things too, for example, everything I just said. Which brings me to MAD — yes, MAD — the magazine whose time is and was and continues to be — also says a lot of things. But the less said about that the better.

Someone else who wasn't me once said, "Give me liberty or give me death." Whoa Nellie! (This is me talking again, not that other guy who wasn't me.) Who wouldn't choose liberty over death? That's a no-brainer!

"Give me liberty or give me MAD!" That's a tougher one. But thanks to the brave soldiers of the American Revolution you don't have to decide!

THE FUNDALINI

QUESTIONS YOU MAY HEAR DURING THE VICE PRESIDENTIAL DEBATES

If elected, you wouldn't actually root for the President to die, would you?

What kind of Vice President will you be: evil like Dick Cheney, bumbling like Dan Quayle, or boring like Al Gore?

If there's one thing you'd like to tell both of our viewers, what would it be?

Who's on your short list for Vice President when you run in 2016?

Is your spouse prepared to take over the duty of leading White House tours?

Gov. Palin, you were in a group that favored Alaskan secession. What are your views on kicking New Jersey out of the Union?

Tell me, Gov. Palin: McCain's just playing a prank, right?

Were you anxiously awaiting word of whether or not you were the pick, or were you like the rest of America?

What would you do in Iraq if....ah, forget it. It's not like you'll be in a position of power.

THE "REAL" REASONS *Harry Potter and the Half Blood Prince* WAS DELAYED

- Waiting for Axl Rose to deliver the soundtrack was a huge mistake.
- Chinese-made wands gave half the cast lead poisoning.
- They ran out of film, because in 2008, almost all available film stock was commandeered for getting shots of Angelina and Brad's twins.

◀ If the film had come out in 2008, all the commercials featuring a powerful, wrinkly leader would have been misinterpreted as McCain campaign ads.

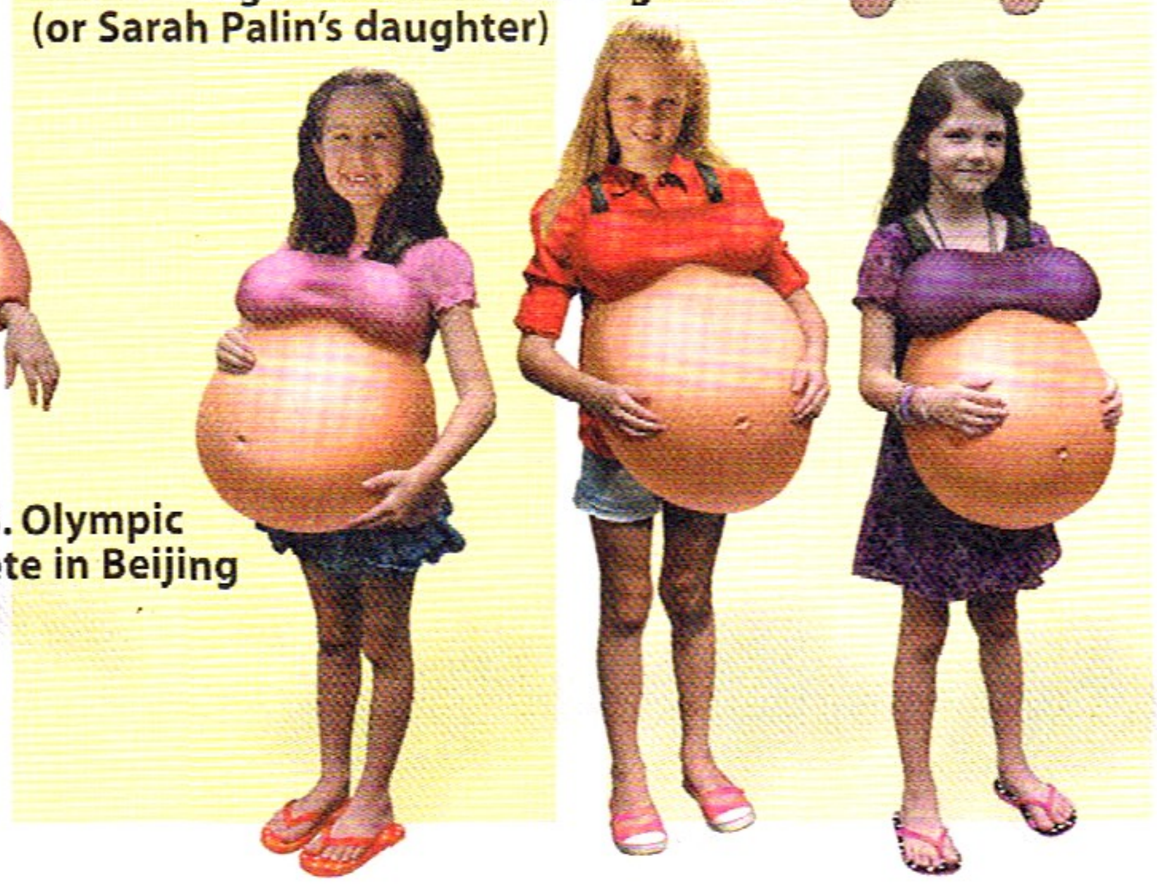

- Contract negotiations with the Owls' Union broke down.

ADVANTAGES AND DISADVANTAGES OF HIGH DEF TV

ADVANTAGE

When watching Blake Lively on *Gossip Girl* you can tell when they're keeping the show's set just a *little* too cold — if you know what we mean.

DISADVANTAGE

When watching Bill O'Reilly you can see that the pancake makeup doesn't quite cover the "666" birthmark on his forehead.

ADVANTAGE

Grey's Anatomy in high def is so detailed, people without medical insurance can learn how to perform their own surgery!

DISADVANTAGE

When watching *America's Next Top Model* you can see the thin line of dried-up vomit around the mouths of several models.

DISADVANTAGE

24 becomes REALLY unbelievable when you can clearly see that Jack Bauer doesn't have a single scar after 5 years of being shot, blown up, beat up and run over!

ADVANTAGE

When you watch *Extreme Makeover: Home Edition* you won't feel bad about your own screwed-up home improvements — now that you can see the sloppy paint jobs, cracked ceilings, and crooked nails from Ty Pennington trying to rebuild an entire home in just 5 days.

DON'T WAYNE ON MY PARADE DEPT.

Movie-goers were a bit surprised by the latest movie adaptation from DC Comics. It wasn't just another summer superhero popcorn flick! It explored serious themes! It was an allegory for our times! In fact, an academic presentation entitled *The Doppelganger Denied: Batman and the Duality of the Mythic Vigilante* got an award at this year's San Diego Comic-Con. It came in a strong second to *Scrappy-Doo: Vestigial or Essential?* No wonder criminals and fanboys alike call this guy...

THE DORK KNIGHT

I'm **Battyman!** Despite my **costume**, some have **suggested** that **Bruce Whine** is my **real mask** — that I **hide** behind **black-tie champagne parties**, 400-foot **yachts**, and unemotional **group sex** with **runway models** who'll never know the **real me!** How **long** can a person keep living a **lie?** Me, I'm giving the **pretense** just **30 more years**. Maybe **35**, if my **knees** hold up!

What **drives** me to **do** this? I could have used my **hundreds** of **billions** to fund **youth centers**, **neighborhood watch programs**, and **enhanced urban security**. Or I can dress up like a **giant rodent** and **punch guys** in the **nose** — my **choice** was **clear!**

I used to think it was bad **driving Miss Daisy**. But **now** I'm just the **auto mechanic** for **Mister Crazy!** In this story, there are actually **two** of us in charge of manipulating **stiff mechanical props** — **myself**, and **Christian Bale's vocal coach!**

I've **invented**, **designed** and **hand-built** an **entire line** of **futuristic gadgetry** and **weapons**: **Batty-cars**, **Battycycles**, **Batty-costumes**, **Batty-computers**, **Batty-bombs**, you name it! But **no one** must **know** about my **work!** So I'm **forced** to do **everything** by **myself!** That is, when I'm **not** busy **running** the **company**, **doctoring** the **books**, and **jetting** back and forth to **Hong Kong!** That **workload** may explain my **physical appearance**...I'm only **28 years old!**

With **Gothic City** falling to **pieces**, it only makes **sense** that they'd choose a **police commissioner** who looks like Disney's **Chicken Little!** When I took over, **corruption** was **rampant** and the **mob** had its **hooks** in the **department!** But **now**, I run a **clean**, **honest police force**, along with my trusted **personal *lieutenants***, **Officer Vinnie Two-Chins** and **Officer Carmine the Octopus!** They've **assured** me that it's just a streak of **bad luck** that **50** of our **formerly mounted police** have **woken up** to find their **horse's severed head** in their ***bed!***

Hoo hoo hoo hee! Say **hello** to *the most **terrifying** big screen* **vision** of the year, not counting **Pierce Brosnan** singing **ABBA songs!** Mamma mia! At **heart**, I'm just a **man** who loves to ***laugh!*** But *I **laugh** at **senseless** **destruction!*** I **laugh** at **chaos**, and **pain**, and **anguish!** I can find the **humor** in **anything!** *Except* that **Dane Cook** guy. *Just **not** a fan!*

The **scariest** thing about me is my insane **unpredictability!** You **never know** what I might do **next!** Like when I **bombed** a **hospital!** Or when I **bombed** a **city jail!** Or when I **bombed** a **judge's car**, or **bombed** a **warehouse**, or tried to **bomb two ferryboats**...okay, so **maybe** you have a ***tiny*** **inkling** of what I **might** do **next!**

BUDDA BUDDA BUDDA BUDDA!

A **good butler** always uses his **discretion** for **keeping secrets!** Like Mr. Whine's **secret identity!** And his **secret love!** And apparently, his **secret elevator** that **secretly leads** to the **secret basement** that we're supposed to assume was **secretly built** smack in the middle of a **preexisting skyscraper** without anybody **noticing!** You know **who else** needs a **secret identity?** The **screenwriter** who came up with this **impossible bushwah!**

In the accursed, hellish **nightmare** that is **Gothic City**, there's only one **solid** and **permanent** thing for the **citizens** to **rally** around — my **incredible hair!** Last week, I was on the **covers** of the ***Harvard Law Review*** *and* ***GQ!*** These pretty boy looks didn't hurt in stealing away **Bruce Whine's** old girlfriend, **Radish Dawson**, either. She's **TOTALLY** into **me**, and **me alone!** My only **concern** is that she can't get **aroused** unless we have **sex** on top of the **Batty-signal!**

I'm **emotionally torn** between **Bruce Whine** and **Harvey Dink**, two men who share the **same goal** of **cleaning up** this **city!** Everyone has a "**type**," and mine is **schizophrenic**, **obsessive-compulsive do-gooders!** *Oh, well, at least* I still **pick 'em** better than **Jennifer Aniston** does!

But I can **never** give myself **fully** to a man who's **addicted** to a **rubber suit!** Except for *that **one time** in **Cancun***, but I was **young** and **really drunk!** I **love Bruce**, I do. But how can I **live** with a **man** who could get himself **killed** at **any moment**, and who has **no heirs** of any kind, leaving me as a **30-year-old *widow*** with a **400 *billion dollar* inheritance?** Er...on **second thought**, maybe the **Jokester** *isn't* the **craziest one** in this **movie!**

Hold it! *What about* **ME — Katie Holmes?** *I'm the* **only** performer from the **last movie** to be **replaced!** Even the freakin' **Scarecrow** got a **return cameo!** How **bad** an **actress** do I have to **be**, to not be up to the **thespic challenge** of nailing **dialogue** like, "**You** came back. But *the **man** I **loved** is still **missing***"? *My **luck** might've* been **different** if my husband, **Tom Cruise**, had been chosen to play the **Jokester!** Unfortunately, after the **producers** saw him **cackling** and **bouncing** on **Oprah's couch**, they said he was way too **over-the-top** for the **role!**

The **Jokester's** rash of **murders?** A **hysterical city** gripped in **fear?**

No, these **bagpipes!**

We will **never** forget **Commissioner Walk-on!** His **two minutes** of **screen time** will **forever** be a **shining inspiration** to the **citizens** of **Gothic City!** I fervently **believe** we can **sum up** this great man's **life** with **three simple words: Courage. GOTHAM

BLAM! BLAM! BLAM! BLAM!

Me? The **Jokester** has picked **me** as his **next target?** I know the **perfect** spot to **hide! Bruce Whine's penthouse** is the **safest place** in **Gothic City!**

You mean the **exact same location** where the **Jokester** just barged in **two days ago**, and **dropped** you out the **window?**

Uh. Yeah. **Good point!** But it's so **high up**, you can't **beat** the **phone reception** when you're dialing **911!**

Neuman, you know **Bruce!** Can we **ever** be **happy** together? What is it **like** to live with a **violent, unstable psychotic?**

It's a **breeze!** I was **Naomi Campbell's** butler for **two years!**

Perhaps **chance** will make you **reveal** the **Jokester's** plans! **Heads**, and this **scene** becomes a **clumsy analogy** challenging the **primacy** of **eternal civil liberties** in an **insecure world. Tails**, and **my story** acquires a **tragic arc, dramatizing** the **limits** of **situational ethics!**

Don't do it! I'll **unmask** instead. Only **one** of us can be a **living metaphor** for the **internal struggle** between the **stated needs** of the **state**, and the **realpolitik ambiguity** of their **ultimate attainment!** Only **my** actions can simultaneously **undermine** and **validate** the **principle** of **Kantian autonomy!**

This is a **Battyman** press conference? **Phooey!** I assumed it was yet another **elected official** admitting that they're **gay!**

Remember, the **night** is **darkest** just before the **dawn!** The only thing to **fear** is **fear** itself! **United** we **stand**, ***divided*** *we* ***fall!*** ***Snug*** *as a* **bug** *in a* ***rug!*** *The* ***squeaky wheel*** gets the **grease!** And now, since I've run out of **vapid clichés**, you may **arrest** me! *I* am **Battyman!**

The **Jokester** must be **located** at **any cost!** It's **illegal** and **unethical**, but I **secretly connected** your **advanced imaging technology** to **every one** of the **20 million cell phones** in **Gothic City!** Each of those **phones** is now feeding **live visual information** *back into our* ***database!*** *What does it* ***show?***

Finally, I've got you **roped** and **tied**, with your **butt** up in the **air!** I'll bet you're **relieved** that this is a **mainstream action movie** and not ***Brokeback Mountain 2!***

Wake up, **Battyman!** We did the ***Brokeback Mountain*** joke **12 panels ago!**

Maybe! But **this** is the **best plan** I can **suggest** right now! I just hope my **thinking** hasn't been **too affected** by the fact that I just **fell four stories** and probably have a **grade-2 concussion!**

Now that you're being **hunted** by the **police**, I've whipped up a snazzy **cloaking device** for your **Battymobile!** It'll help you **escape detection** as you **drive** on your **nightly patrols!**

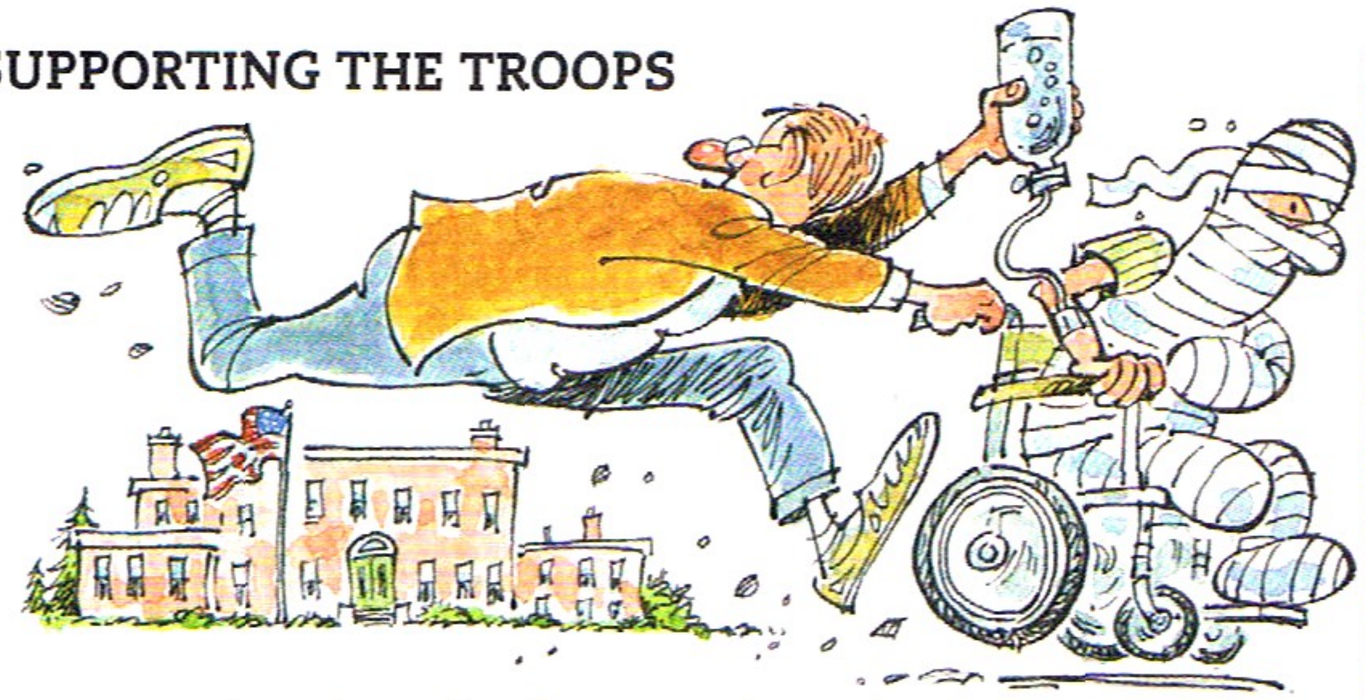

Forget it! I can't **afford** to keep running the **Battymobiles** anymore, plus the **Battycycle**, and a **Battyplane** besides. With current **gasoline prices**, I'm **bankrupt!**

MAD'S UPDATED GLOSSARY TO THE WAR ON TERROR

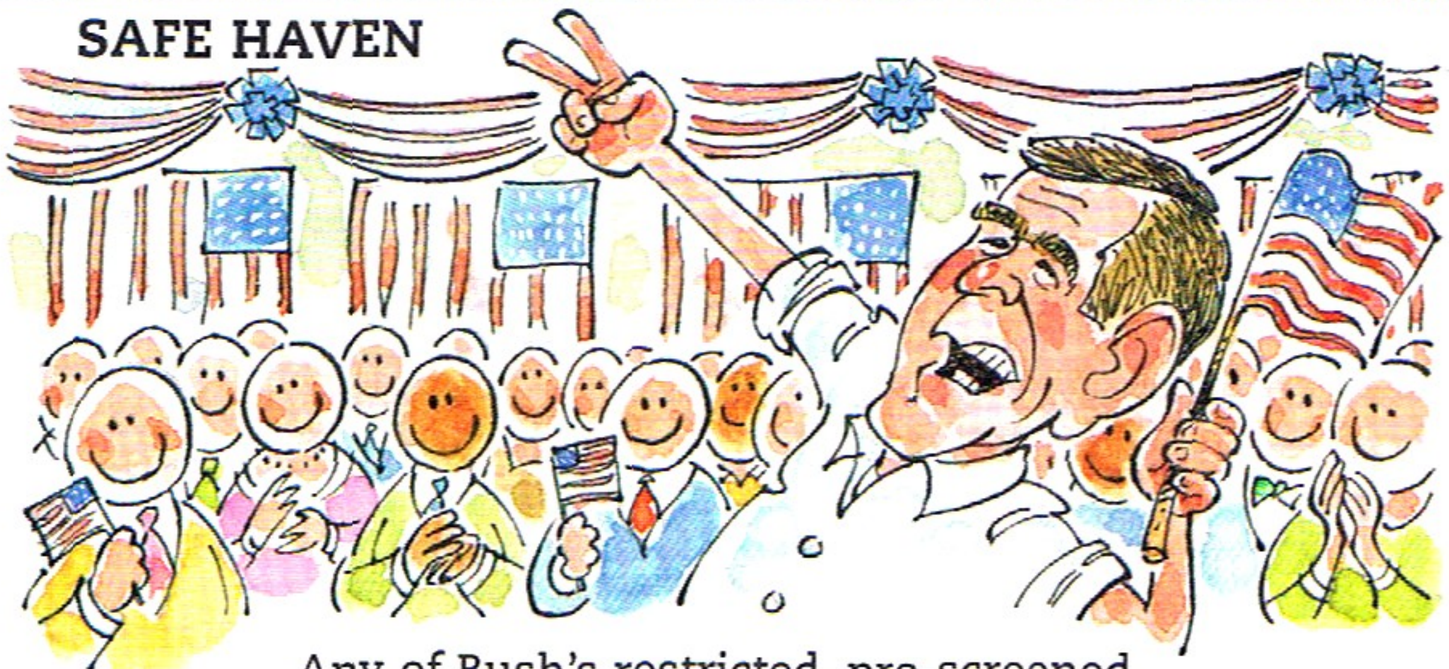

Back when the Iraq War started, we couldn't help but notice that the buzzwords and catch phrases emanating from the White House and Pentagon weren't exactly meshing with reality. With the mission already accomplished, we hurriedly assembled a collection of examples and rushed them into print in MAD #438. We wanted to make sure that our article made it to publication before the war ended, Iraq was quiet, and all the troops were already home. As it turned out, we could have taken our sweet time about it. So what's the situation on the ground four years later? The oil might be getting scarce, but the B.S. is flowing just as freely as ever! And so, we present the second of what we never thought would turn out to be a long, long series...

SUPPORTING THE TROOPS

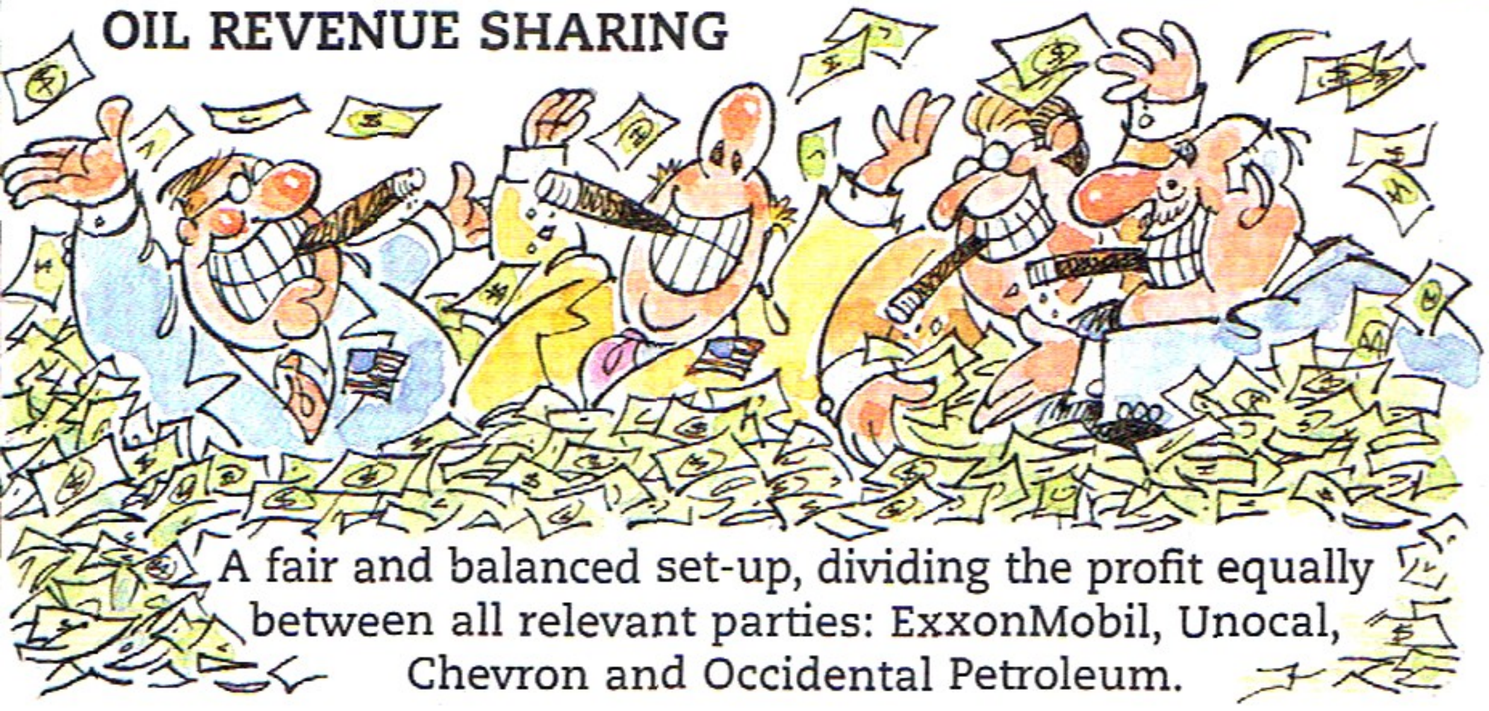

Keeping them far, far away from the decaying hellholes that are our Veterans' Hospitals.

SAFE HAVEN

Any of Bush's restricted, pre-screened, "no touchy questions" Town Hall meetings.

OIL REVENUE SHARING

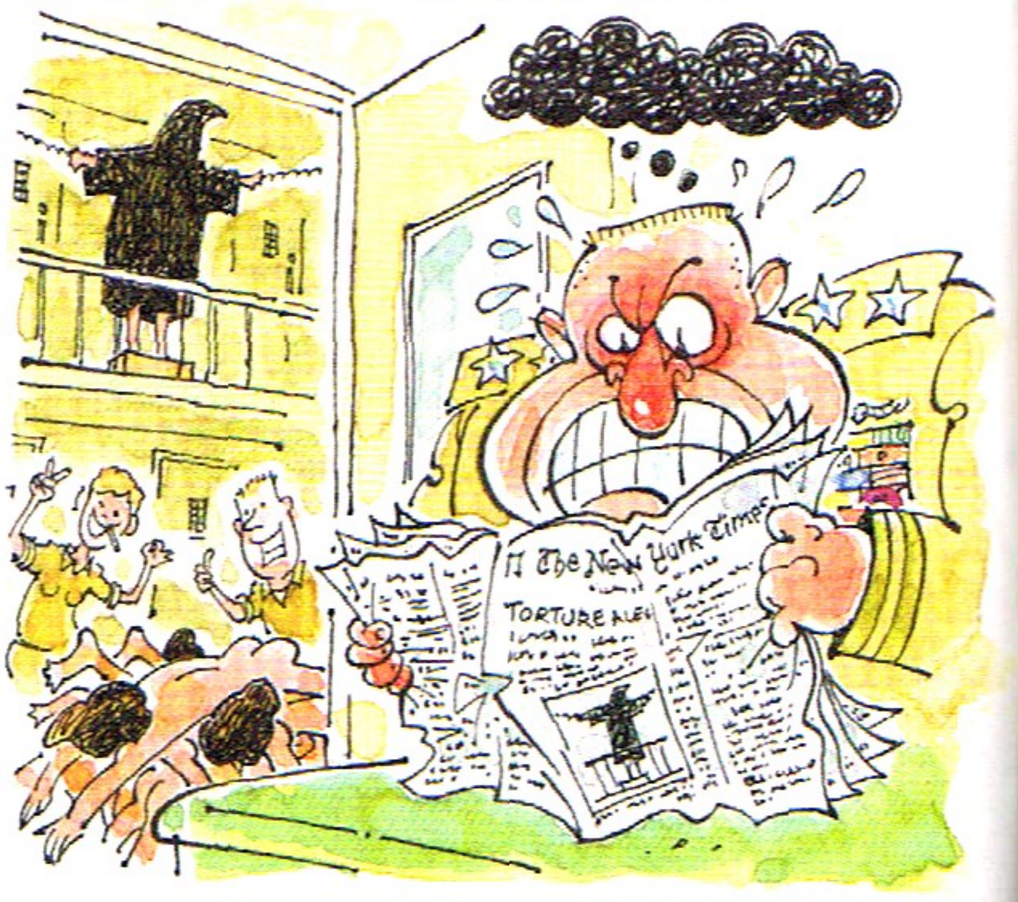

A fair and balanced set-up, dividing the profit equally between all relevant parties: ExxonMobil, Unocal, Chevron and Occidental Petroleum.

EXTRAORDINARY RENDITION

The "high C" note a prisoner makes when 25,000 volts get shot through his nutsack.

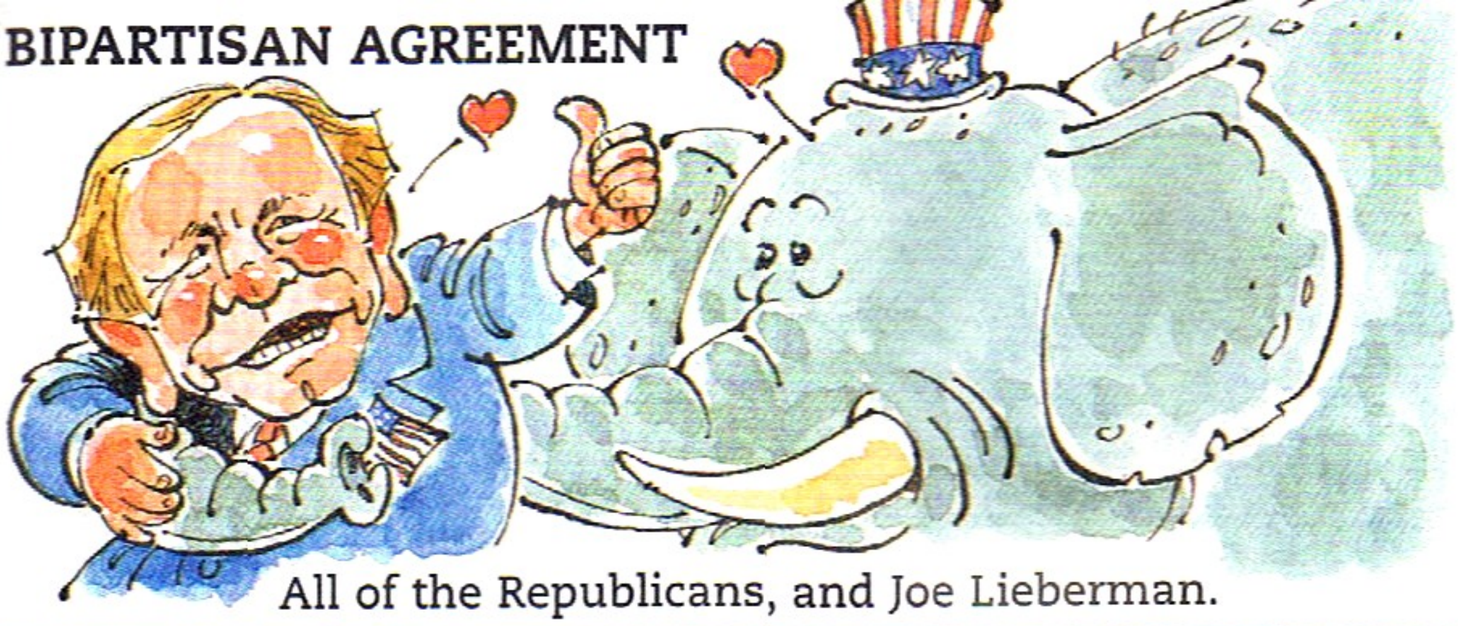

PRISON TORTURE SCANDAL

The horrible, scandalous fact that somebody blabbed about the prison torture.

WRITER: DESMOND DEVLIN ARTIST: PAUL COKER

BIPARTISAN AGREEMENT

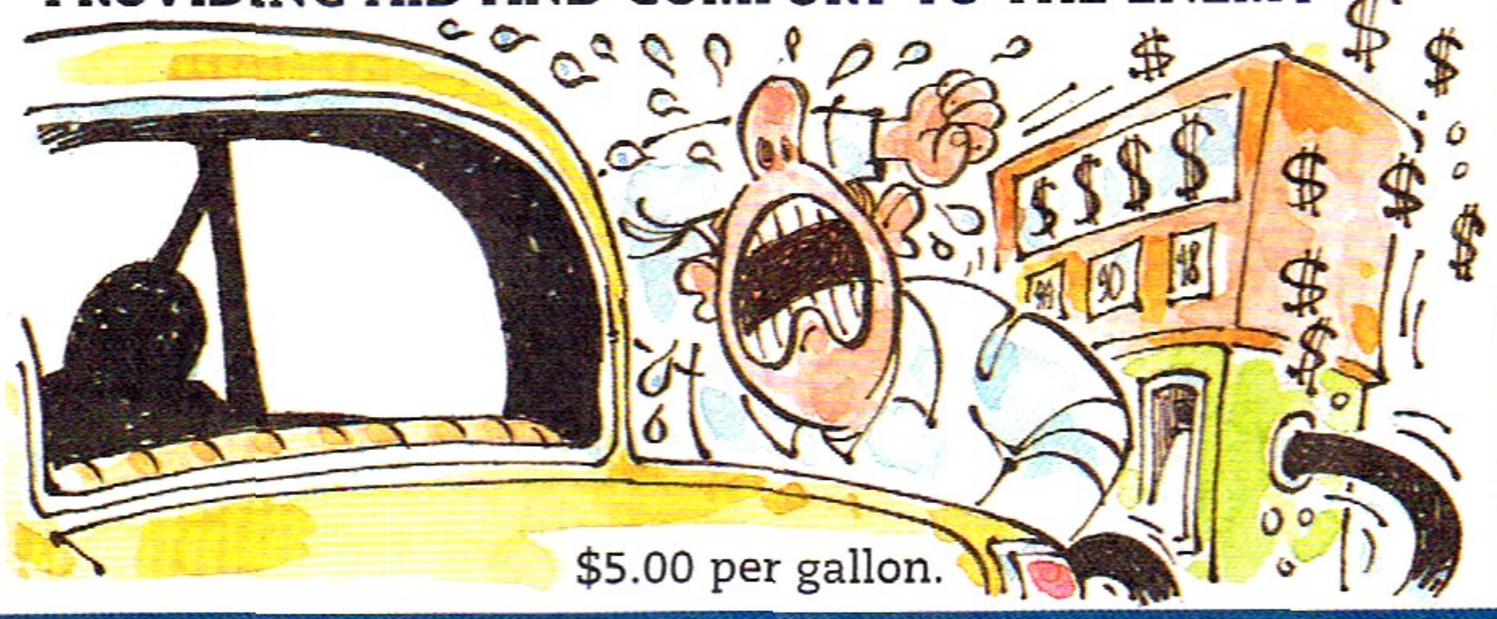

All of the Republicans, and Joe Lieberman.

"STUBBORN POCKETS OF RESISTANCE"

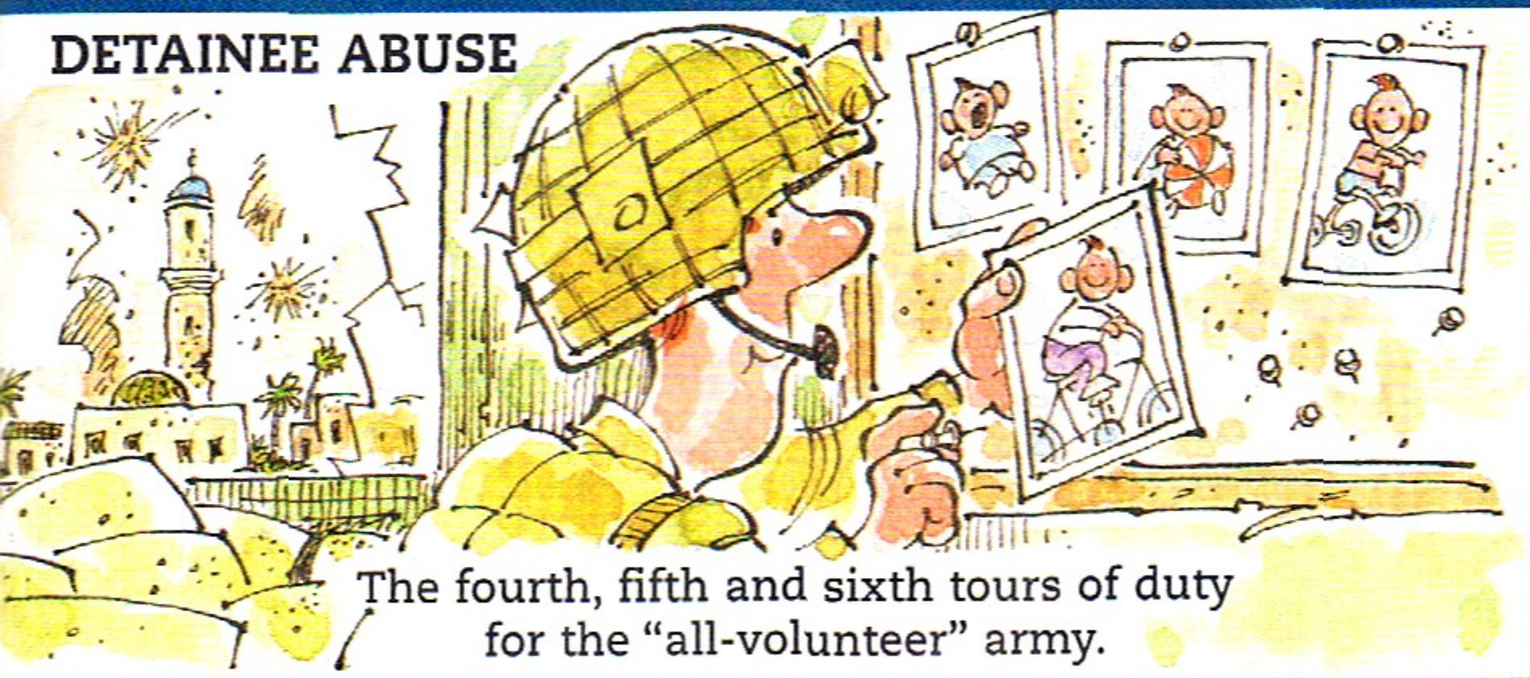

The three-fourths of Americans who, according to the polls, don't think Bush is doing a darned good job.

"PROVIDING AID AND COMFORT TO THE ENEMY"

$5.00 per gallon.

DETAINEE ABUSE

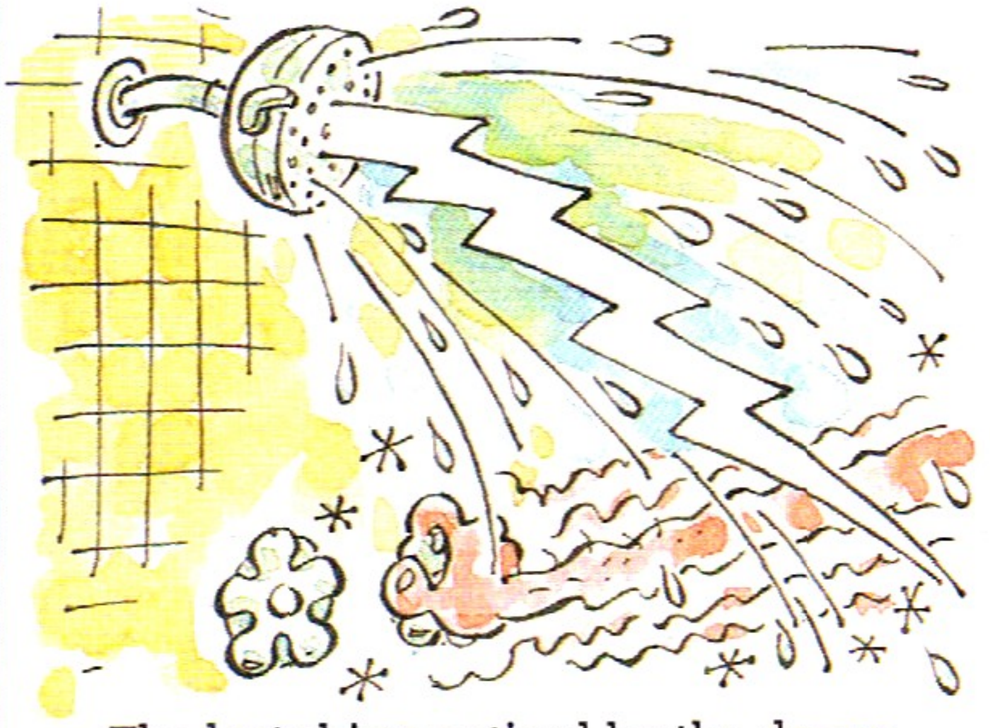

The fourth, fifth and sixth tours of duty for the "all-volunteer" army.

"ENTERING A DRAMATIC NEW PHASE"

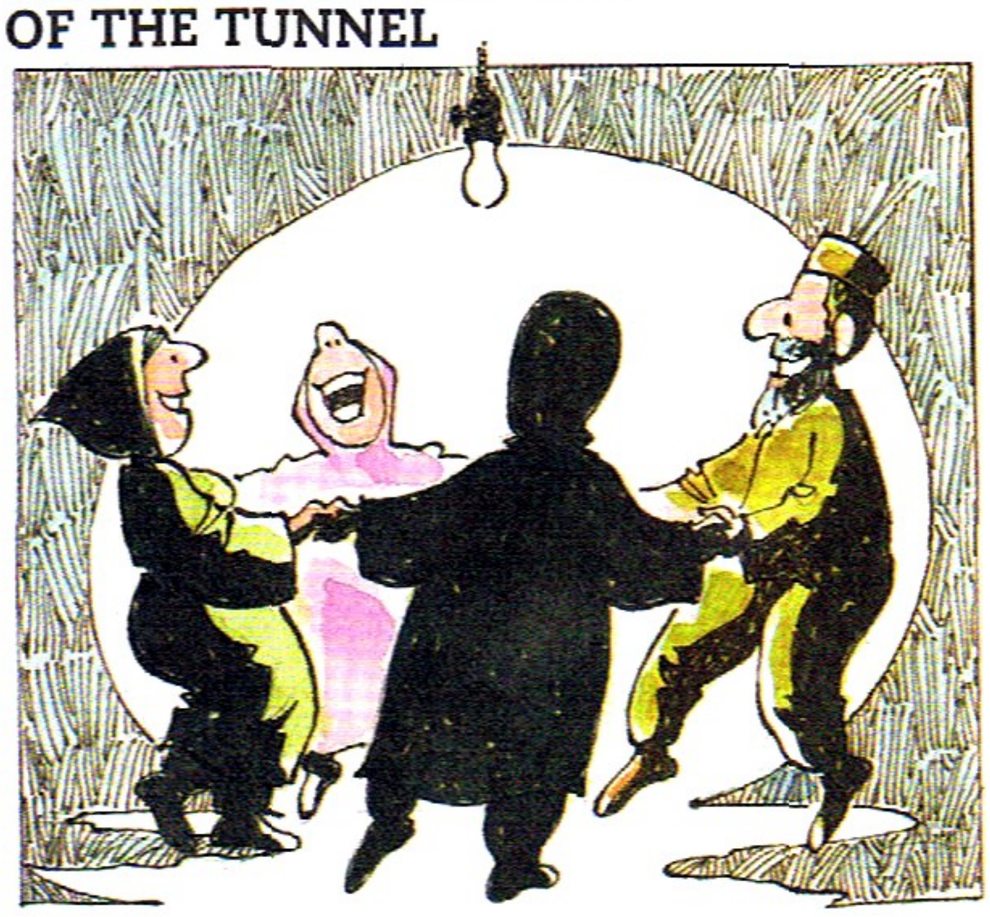

Getting one's ass booted from the Bush inner circle, and then claiming you were secretly against the war all along.

"THE SURGE IS WORKING"

The last thing noticed by the dozen U.S. soldiers who've been electrocuted in the shower by the ungrounded wires installed by incompetent Halliburton profiteers.

THE LIGHT AT THE END OF THE TUNNEL

Something Iraqis enjoy, during the 2 hours a day Baghdad has electricity.

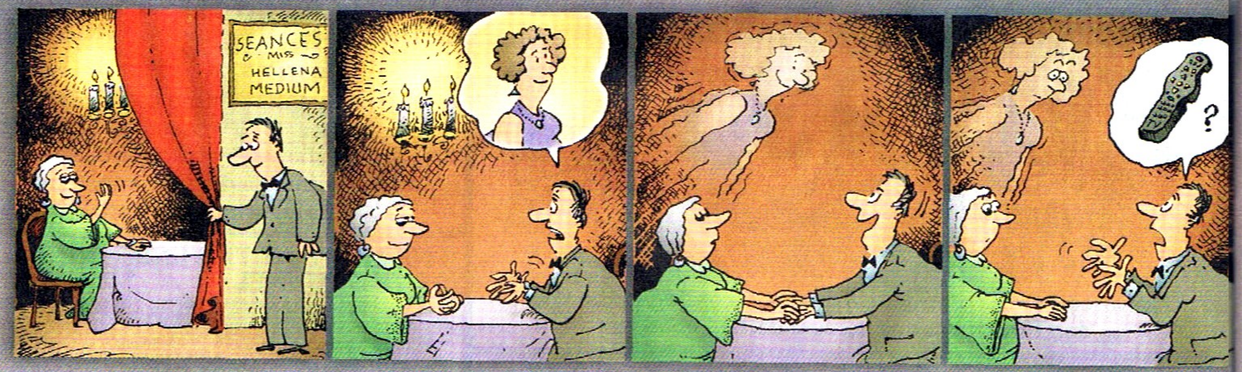

CUT AND RUN

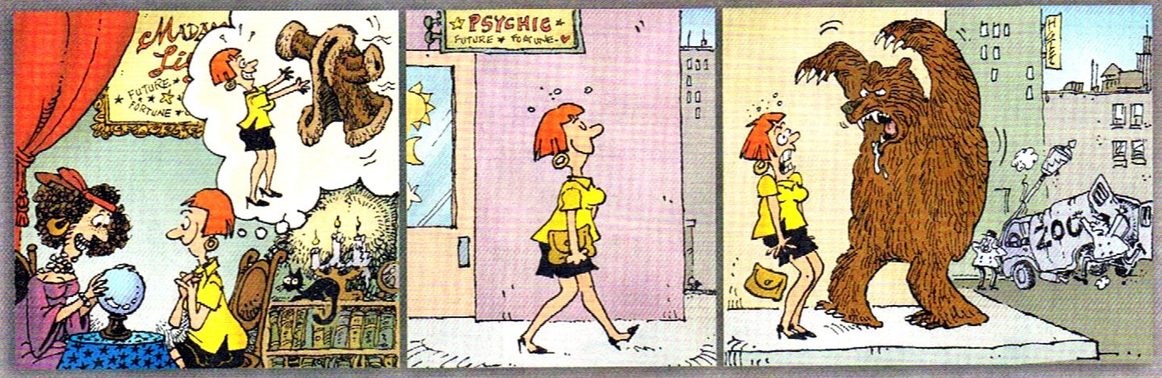

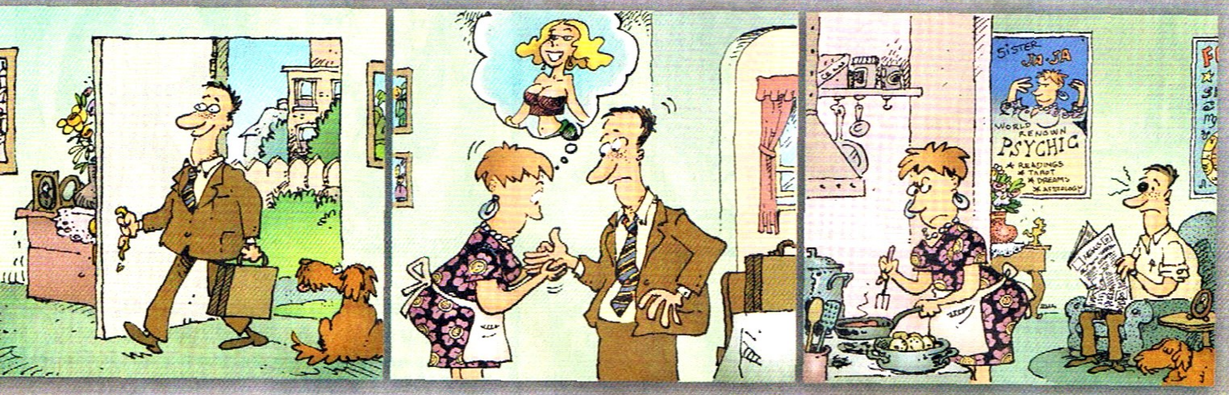

A phrase which, oddly, is most often used by the same politicians who cut our soldiers' combat pay, cut their furloughs, and cut their insurance and health benefits, and then run for reelection as gung-ho patriots.

MAD Deconstructs TV Talk Shows

THIS MONTH: COUNTDOWN WITH KEITH OLBERMANN

8:00 We hear the first words from Keith Olbermann: "Which of these stories will you be talking about tomorrow?" Chances are it'll be the same ones as yesterday. Because *Countdown* basically only DOES one story. Republicans suck — we get it!

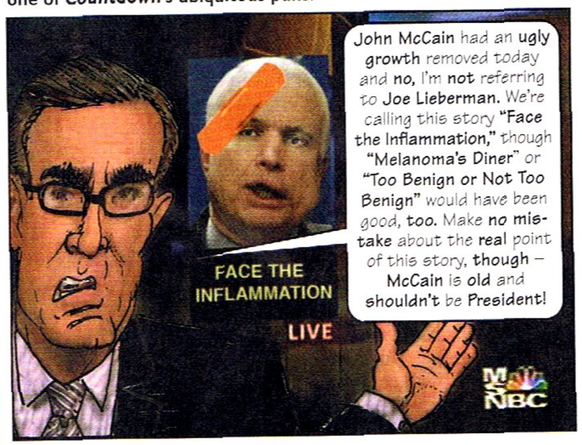

8:01 Time for the lead story. If there's one thing that Keith Olbermann will not stand for, it's a cheap and crooked allegation against a Democrat. *Countdown* schedules time for wronged officials to rebut the newest attacks and provides exhaustive fact-checking to expose the hypocrisy of the Right. Because at the end of the day, the one thing Keith WILL stand for is a cheap and crooked allegation against the G.O.P.

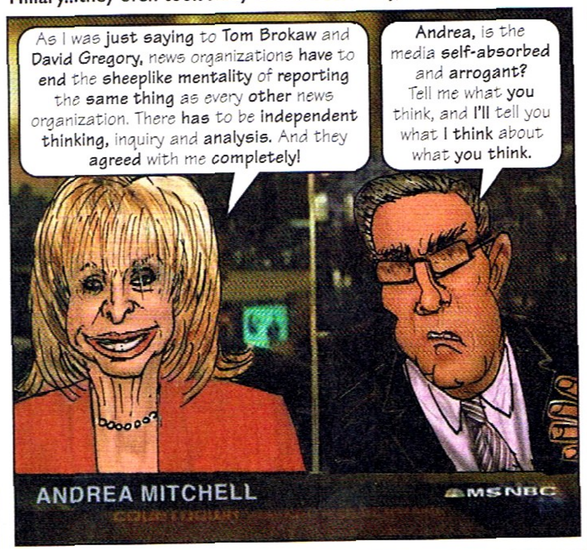

8:05 To break up the monotony of Olbermann bitchslapping Republicans all by himself, the first of *Countdown*'s grumbling heads gives *his* view about why the Republicans bite. And what a lineup: a "thinks-the-same-way" MSNBC host, a disgraced Nixon henchman, or a sleepwalking *Newsweek* reporter. The last time we saw balls that big, Indiana Jones was running away from one.

8:11 Olbermann moves on to Story #2, which isn't that different from Story #1. It's kind of like driving from Nebraska to Kansas, in that the landscape is so similar, you're not really sure you've gone anywhere until you spot a road sign. Here, the road sign is a clearly marked "title" to the news story, using one of *Countdown*'s ubiquitous puns.

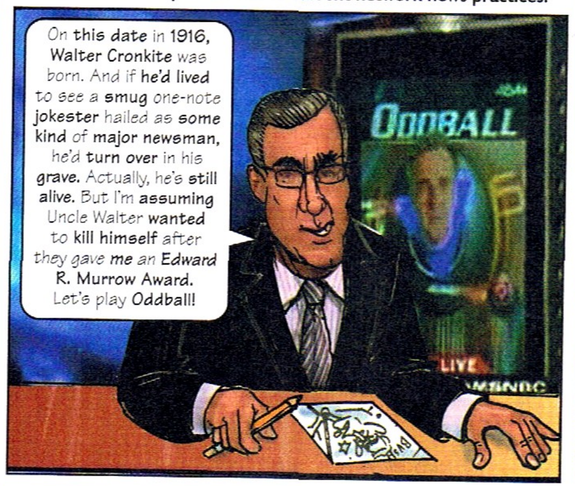

8:16 Keith now lets members of the media give their detailed opinions about how the media gets the details wrong. These are the same talking heads that repeatedly screw up the polling data...they salivated over the way Fred Thompson was going to "shake up" the GOP race...they wrung their hands waiting anxiously for the super-delegates to flip the nomination to Hillary...they even took Rudy Giuliani seriously, for God's sake!

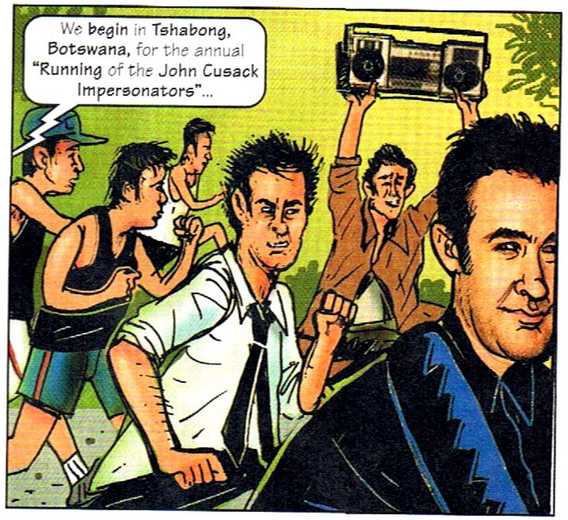

8:23 Next, Olbermann blasts George W. Bush for living in an echo chamber filled with yes men and ignoring outside viewpoints. He does this from a hermetically-sealed television studio in the presence of off-camera MSNBC staffers who chuckle heartily at the same quips they just copy-edited and typed into Keith's teleprompter.

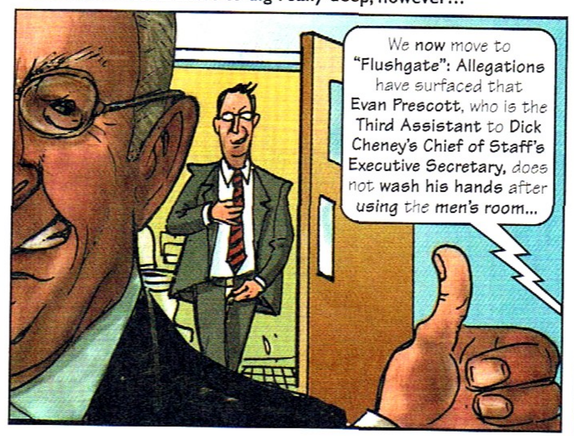

8:29 Keith commemorates something truly noteworthy that happened that day — the birth of Gandhi, or the discovery of the Salk vaccine, or Jackie Robinson breaking baseball's color barrier. This 20-second mention is followed by two full minutes of time-wasting, inconsequential tripe. It's Olbermann's one tip of the hat to current network news practices.

8:30 The world isn't really getting weirder, it's just being videotaped more. On the funky footage segment called "Oddball," a boa constrictor is good. A panda is better. A boa constrictor eating a panda is better still. A boa constrictor marrying a panda is a smidge better than that. Whereas a robot boa constrictor fighting a robot panda to the death on a Japanese game show is what we all live for. Because after a bland diet of campaign finance reform flipflops and off-shore drilling talking points, viewers need the cleansing sorbet of a shirtless dwarf getting stuck in a toll booth coin basket.

8:33 Next up is the "Bushed" segment, the nightly reveal of scandals plaguing W and company. Presenting a fresh trinity of disgraces every night does push the *Countdown* researchers to dig really deep, however...

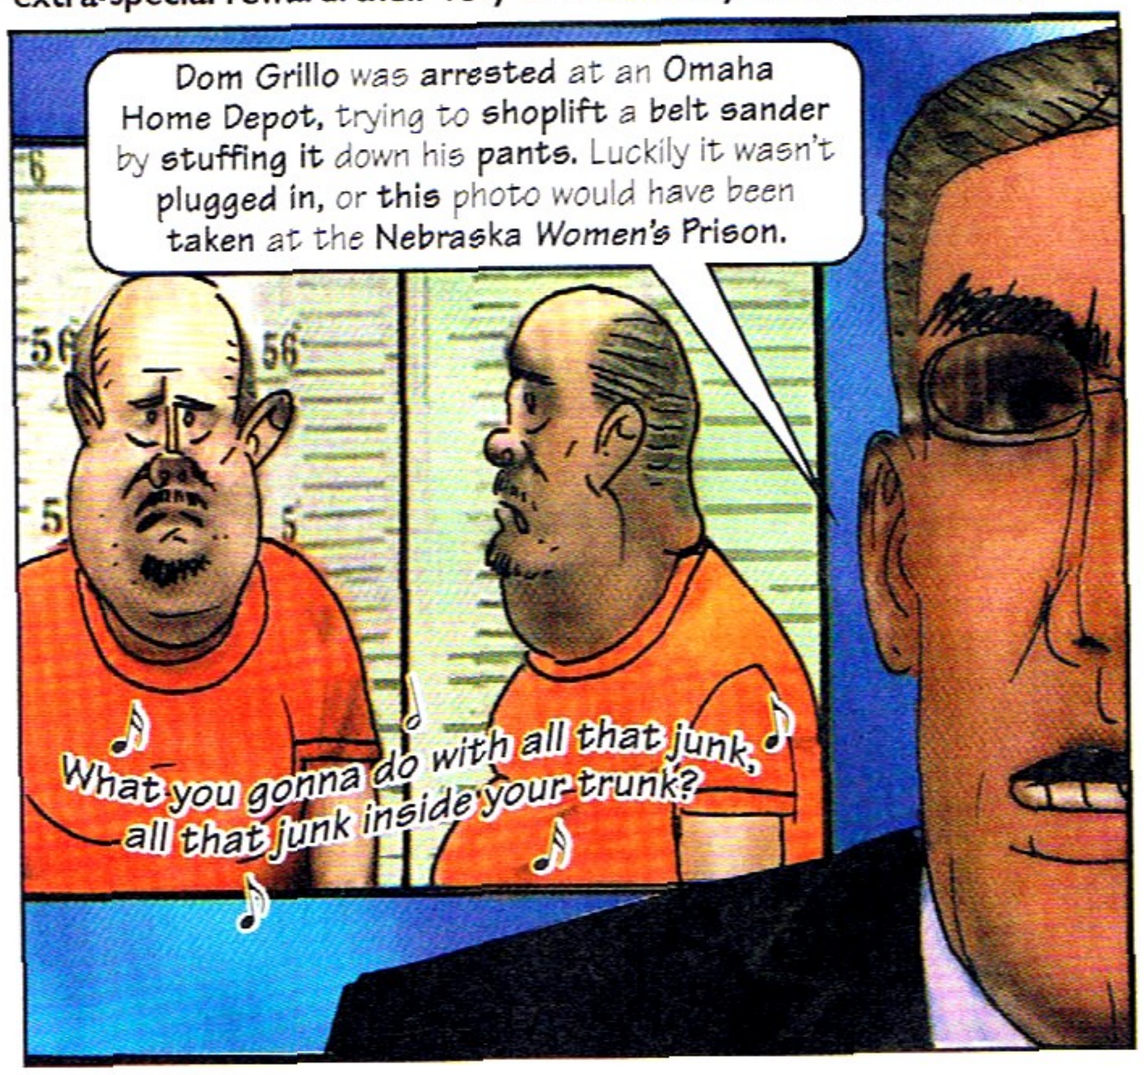

WRITER: DESMOND DEVLIN
ARTIST: PETER KUPER

THIS MONTH: COUNTDOWN WITH KEITH OLBERMANN

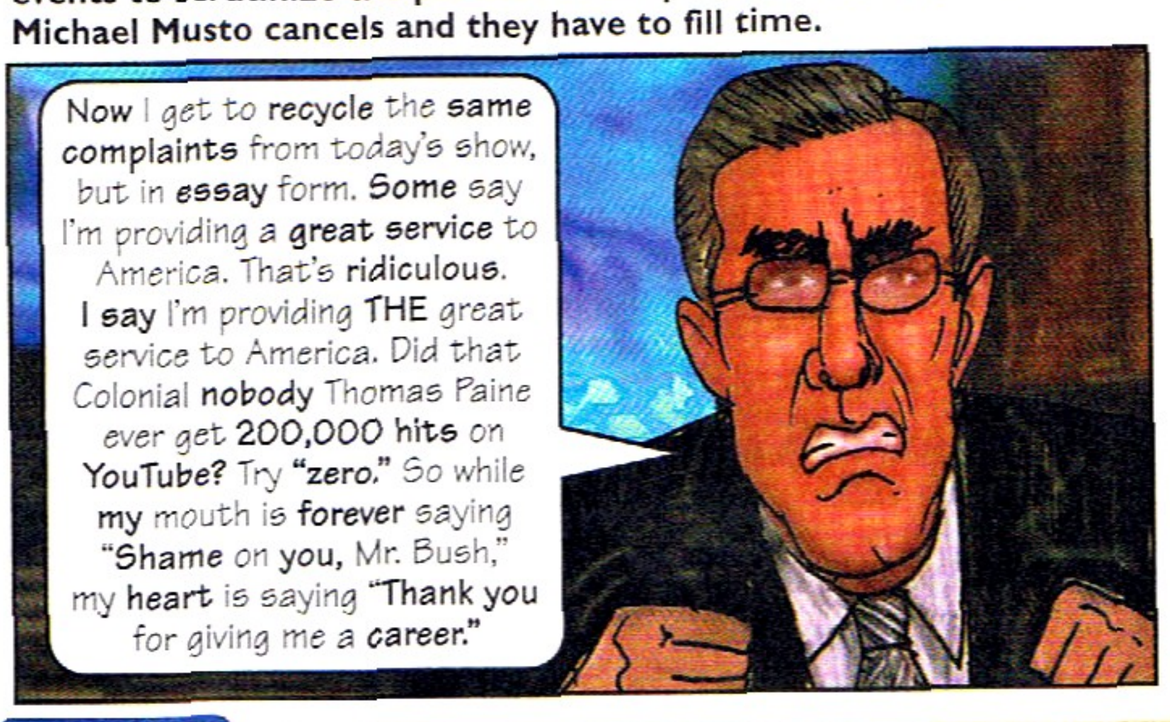

8:40 Olbermann lightens the mood with his "Best Persons in the World" segment, focusing on the mishaps of dumb criminals, drunk criminals, or dumb drunk criminals. (But not the ones who fly on Air Force One.) The final miscreant gets an extra-special reward: their very own ironically-chosen music snippet.

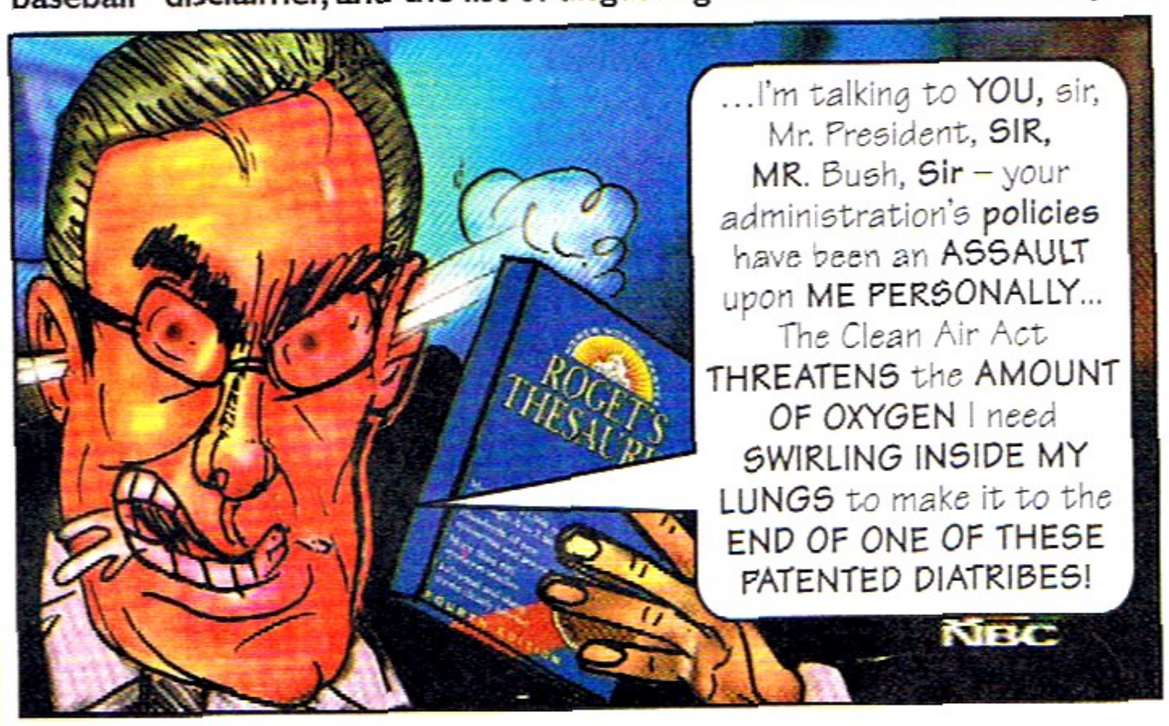

8:48 Rush Limbaugh mocks others. Sean Hannity insults them. Ann Coulter reduces them to simplistic cartoons. There's only one intelligent way to rise above this kind of stupid, hyperbolic Right-Wing rudeness: Call them "The Worst Person in the World"!

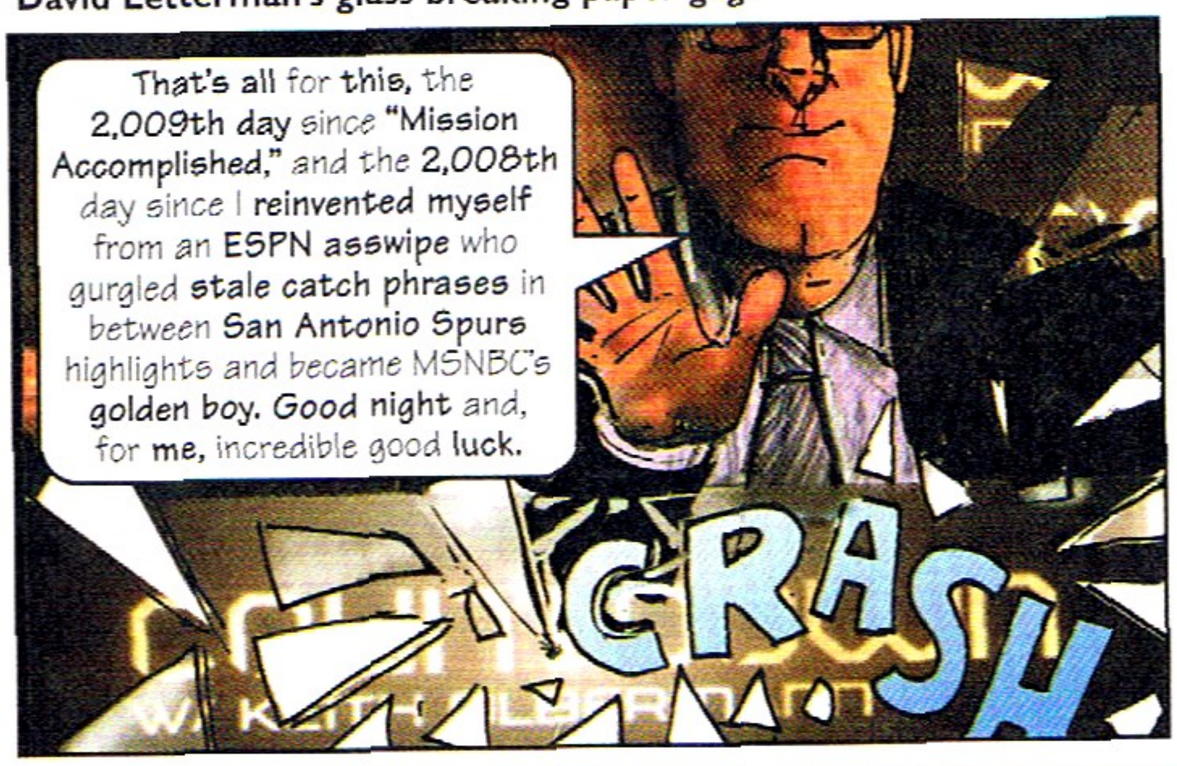

8:50 With scathing multisyllabic anger, Keith Olbermann launches into one of his "Special Comments." These extra-long opinion pieces only appear on the rare occasions when Olbermann is sufficiently moved by the maelstrom of political events to scrutinize the particulars for posterity. Or else when Michael Musto cancels and they have to fill time.

8:58 Eight minutes and six sentences later, the "Special Comment" nears its finish. It's the third densest chunk of words on television, after the "express written consent of major league baseball" disclaimer, and the list of disgusting side effects from boner pills.

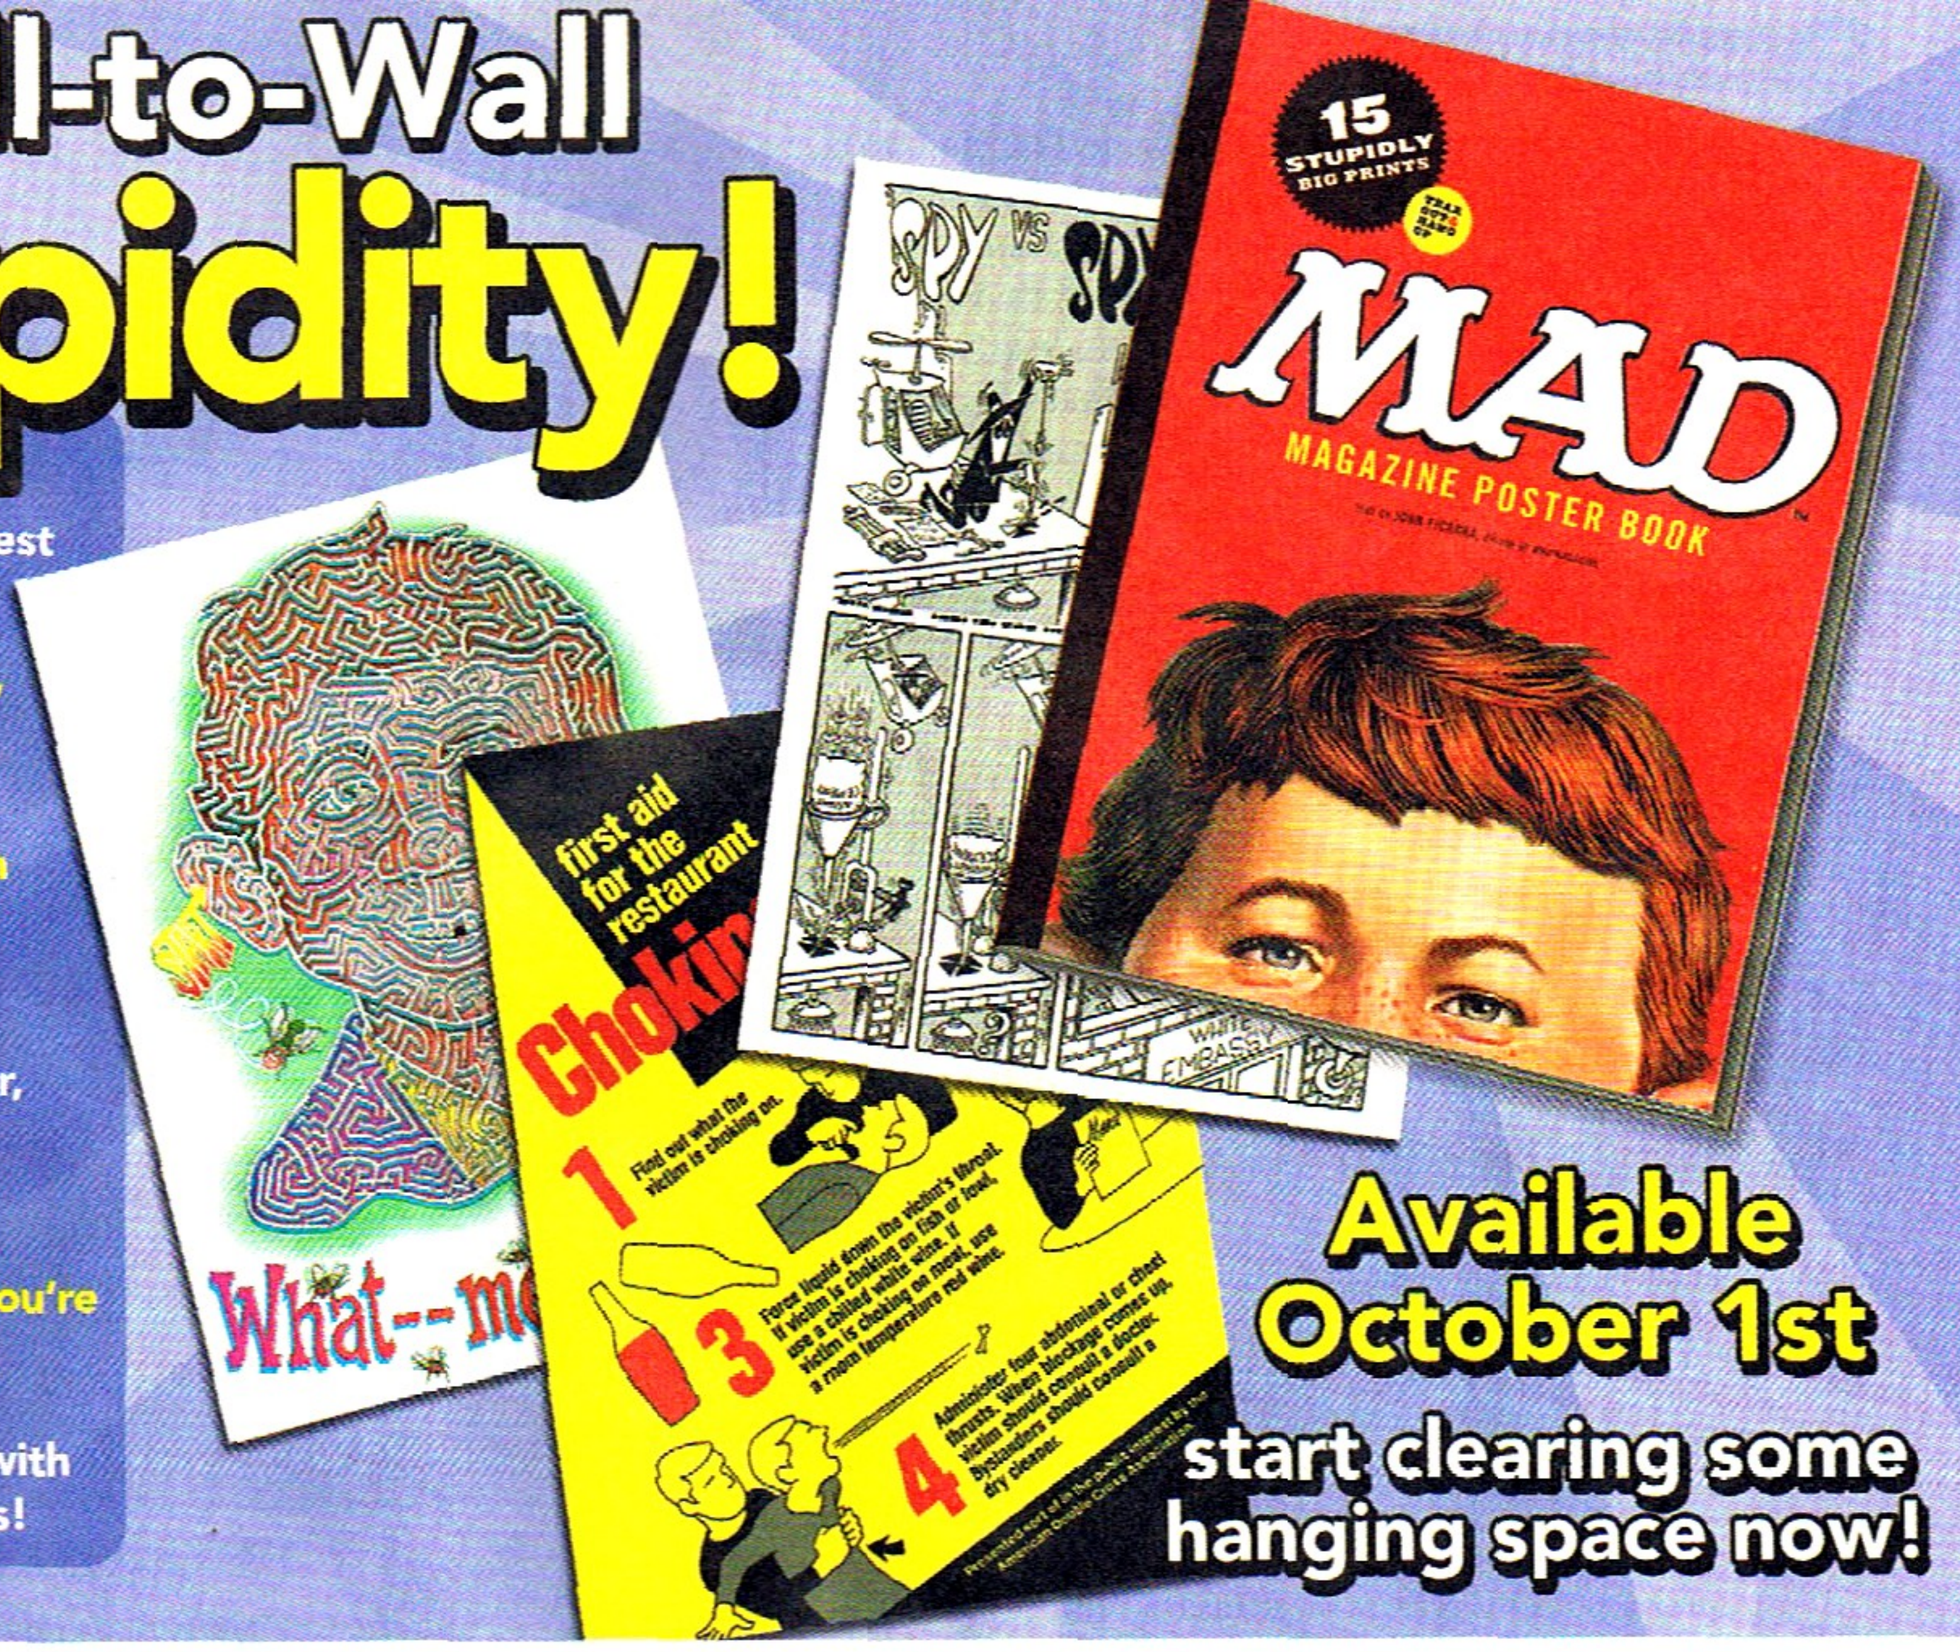

8:59 In one final explosion of egomaniacal klepto-indulgence, Olbermann steals Ted Koppel's "number of days since..." nightly update, Edward R. Murrow's signoff line AND David Letterman's glass-breaking paper gag.

It's Wall-to-Wall Stupidity!

ANTIQUE SLIDESHOW DEPT.

Recently Bill Clinton said, "You could argue that no one is ever ready to be president." And the former Commander-in-Chief may have a point. But experience couldn't hurt in preparing someone for the Oval Office — and that's where John "Ready to lead from day one" McCain really excels. In fact, no presidential candidate in our nation's history has even come close to sporting the GOP nominee's lifetime experiences. To give you all the information necessary before you step into that voting booth, MAD presents...

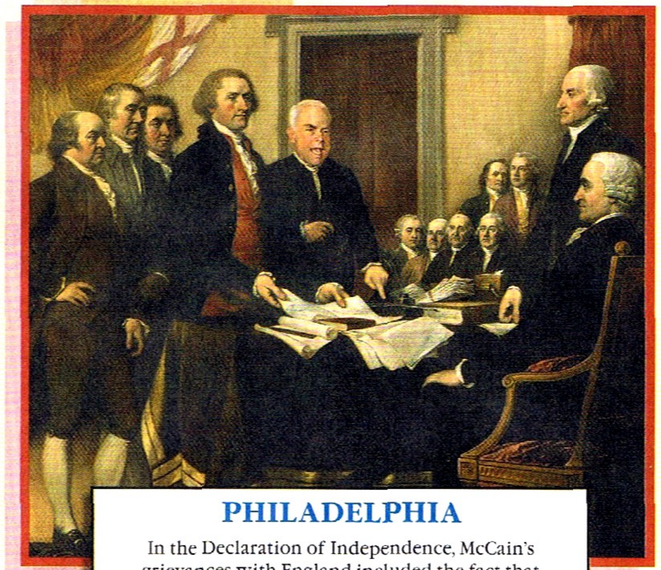

A Look Back AT THE HISTORICAL CAREER of JOHN McCAIN

ARTIST: SCOTT BRICHER

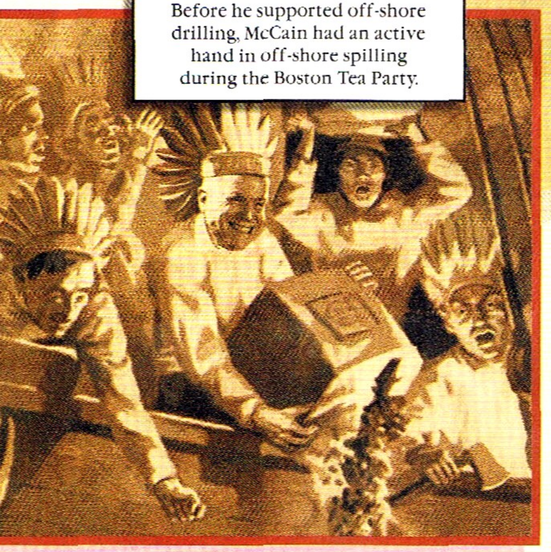

1620 — ATLANTIC OCEAN

En route to the New World, McCain agreed with his fellow pilgrims that the natives would greet them as liberators.

1773 — BOSTON HARBOR

Before he supported off-shore drilling, McCain had an active hand in off-shore spilling during the Boston Tea Party.

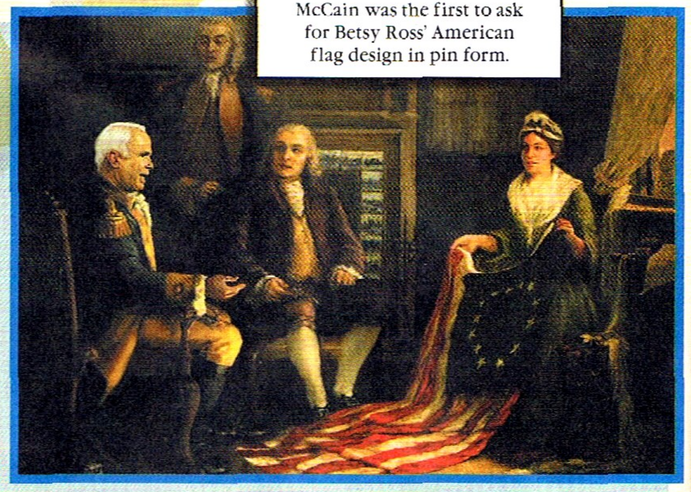

1776 — PHILADELPHIA

In the Declaration of Independence, McCain's grievances with England included the fact that King George III was "the biggest celebrity in the world."

1777 — PHILADELPHIA

McCain was the first to ask for Betsy Ross' American flag design in pin form.

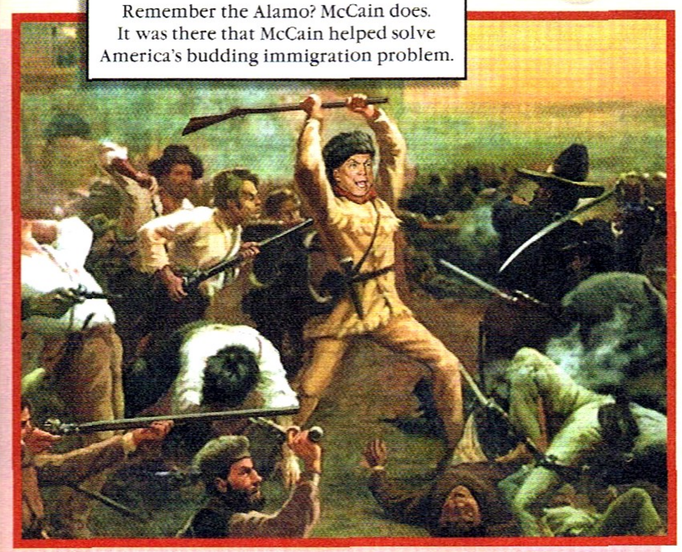

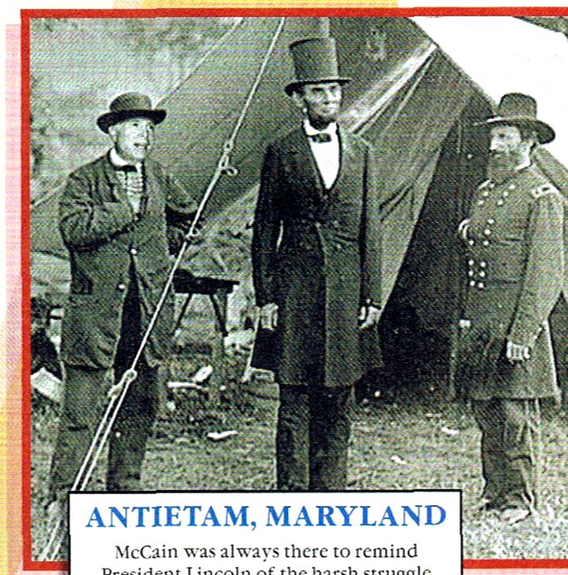

1805 — LOUISIANA TERRITORY

McCain's scouting skills were invaluable to the Lewis and Clark expedition.

1836 — TEXAS

Remember the Alamo? McCain does. It was there that McCain helped solve America's budding immigration problem.

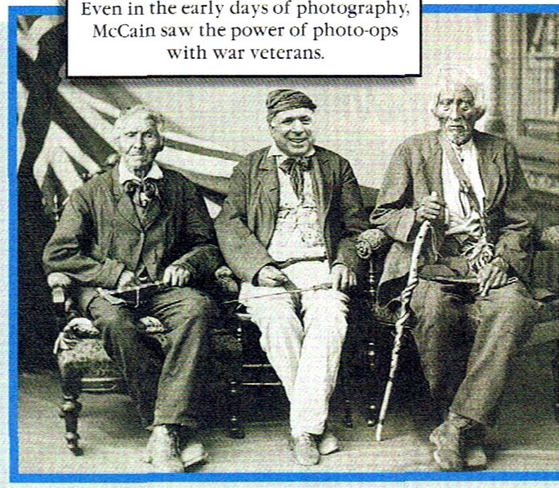

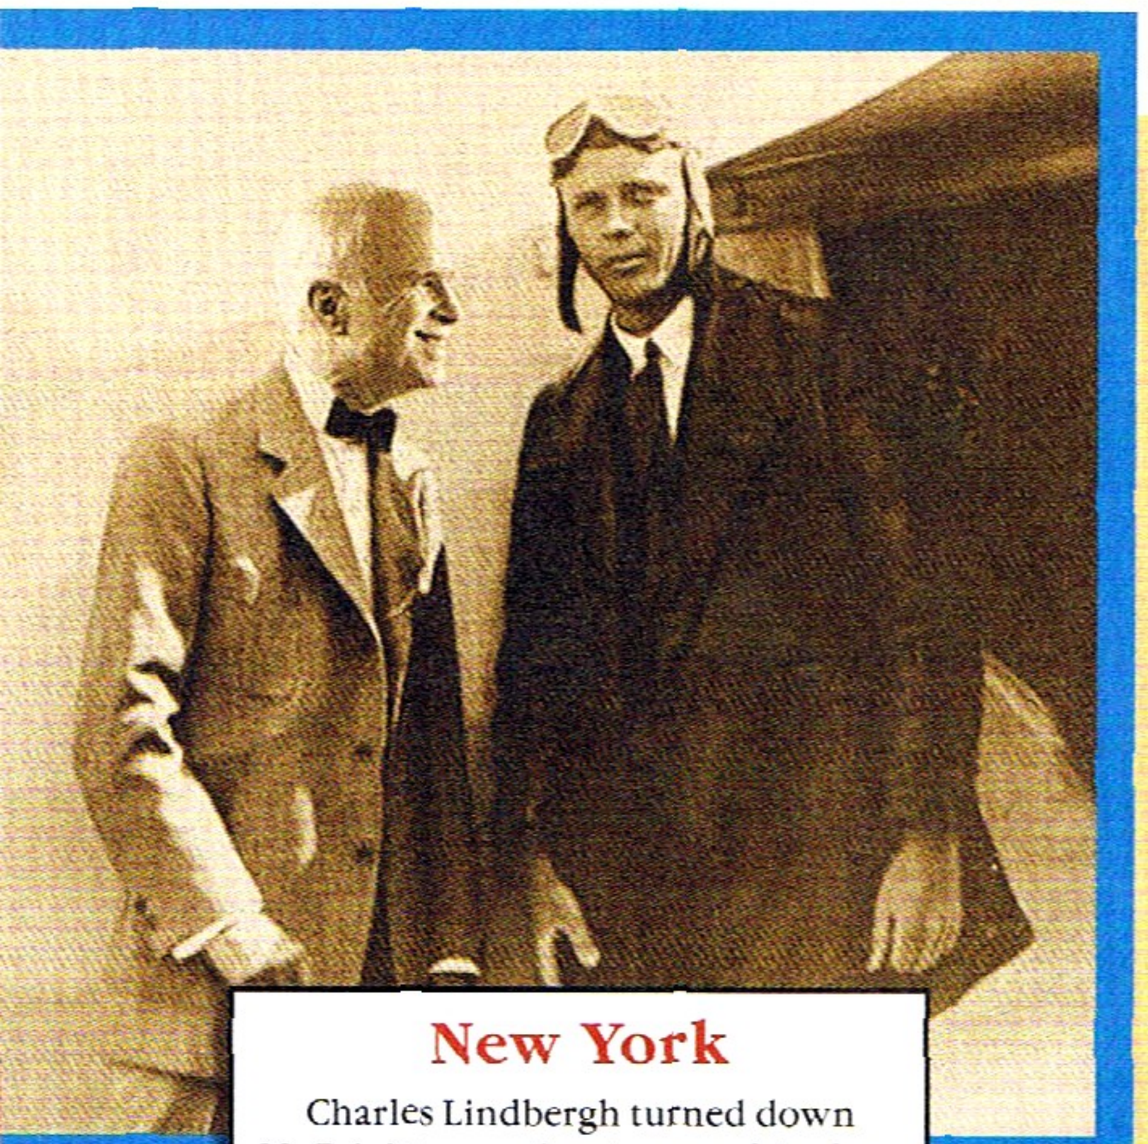

1862 — ANTIETAM, MARYLAND

McCain was always there to remind President Lincoln of the harsh struggle on the Pennsylvania/Georgia border.

1882 — MAINE

Even in the early days of photography, McCain saw the power of photo-ops with war veterans.

New York

Charles Lindbergh turned down McCain's suggestion to name his plane "The Straight Talk of St. Louis."

1927

New York

McCain has always been a friend of the working man.

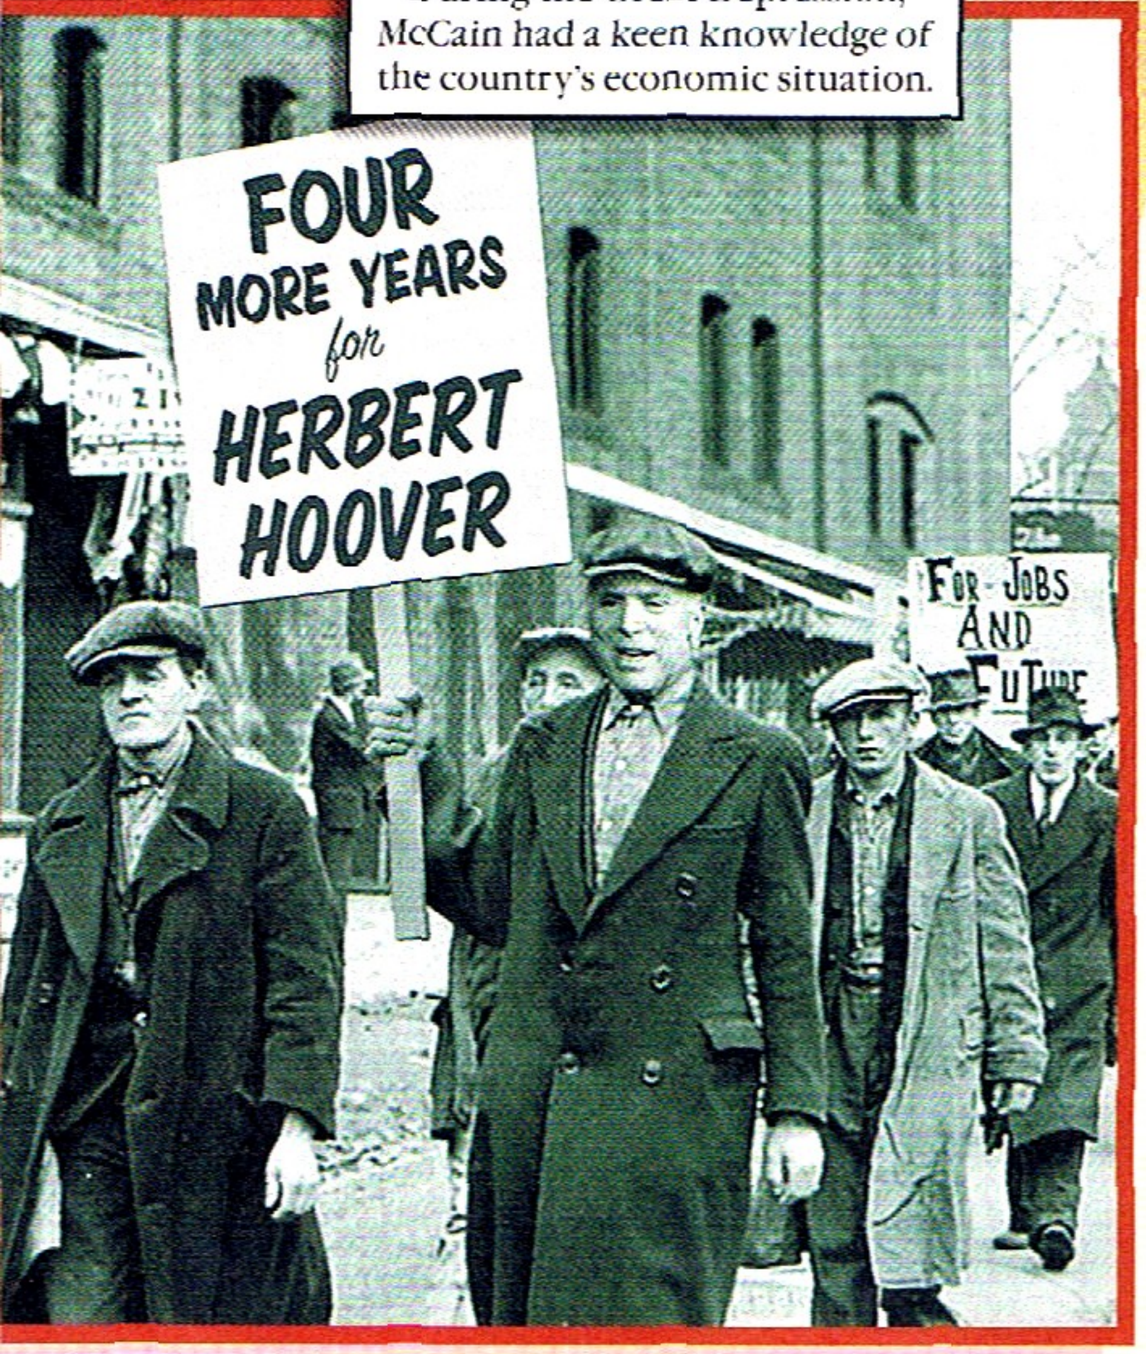

1930

1932

1945

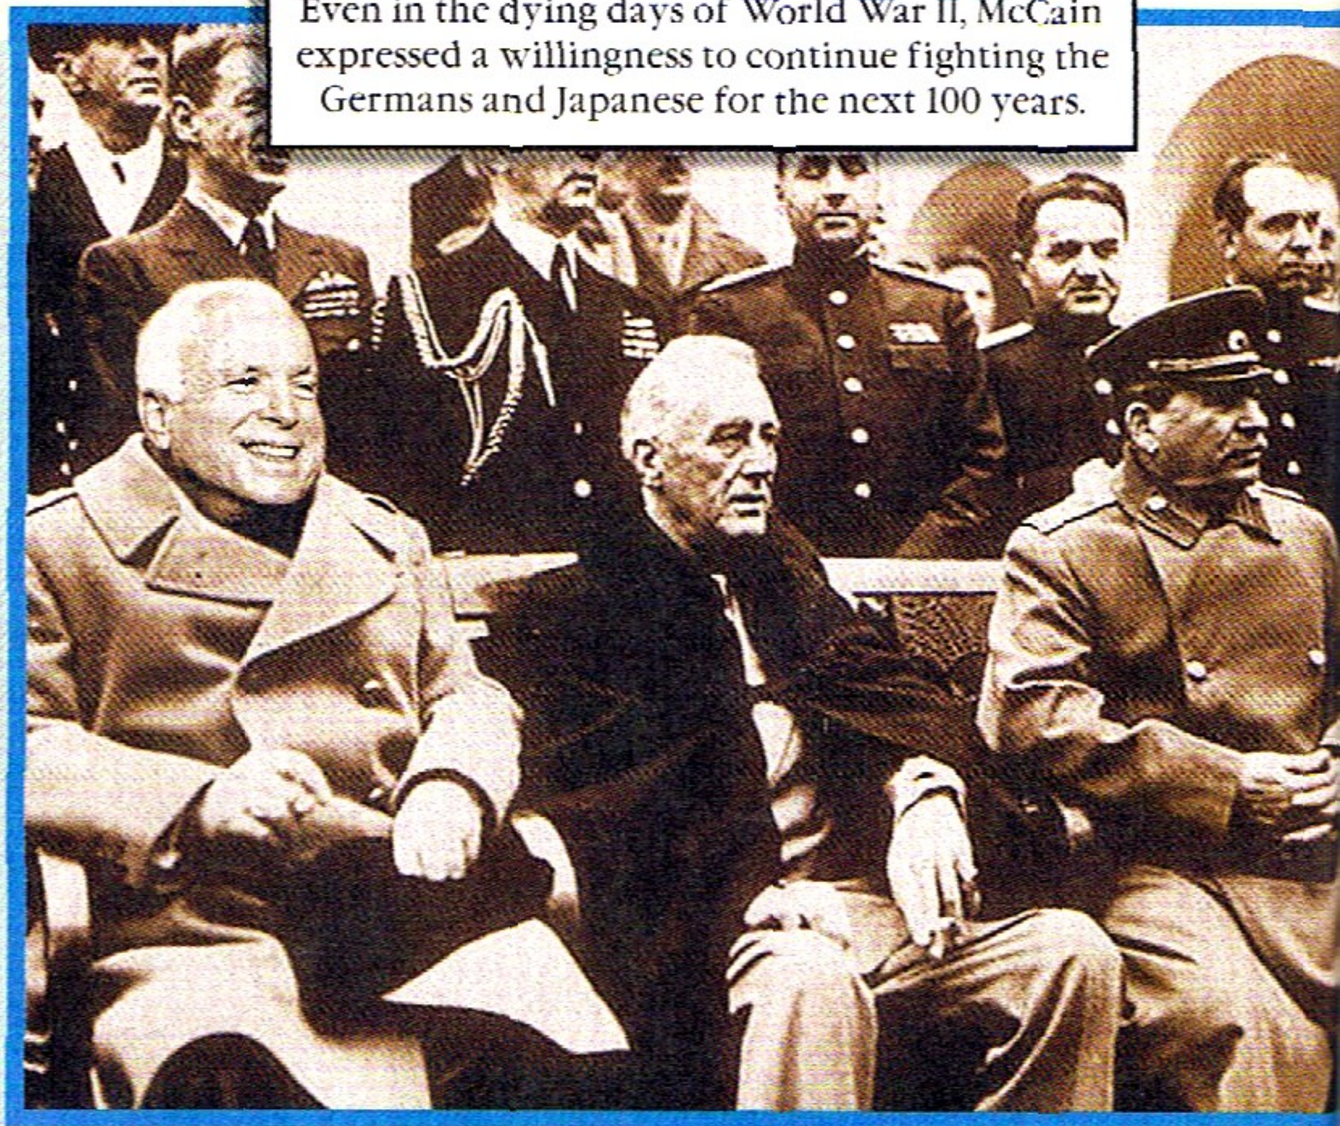

Washington, DC

During the Great Depression, McCain had a keen knowledge of the country's economic situation.

Yalta

Even in the dying days of World War II, McCain expressed a willingness to continue fighting the Germans and Japanese for the next 100 years.

When Monkeys Go BAD

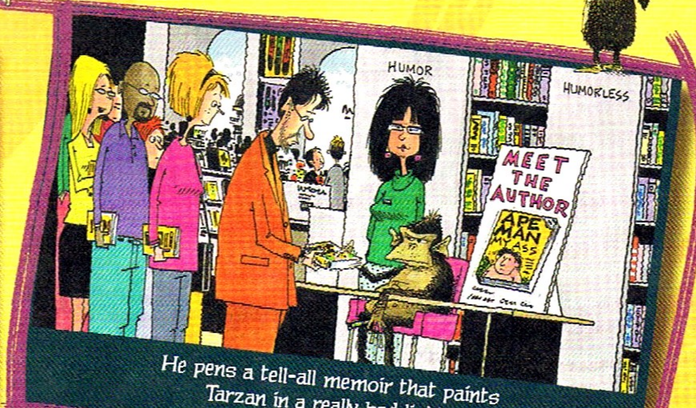

Uses the charming custom of grooming others as a diversionary tactic for his pickpocketing habit.

He shocks the bejabbers out of the Darwinian Research Team by suddenly walking "erect," if you know what we're saying.

Plays a cruel game of "keepaway" with his master.

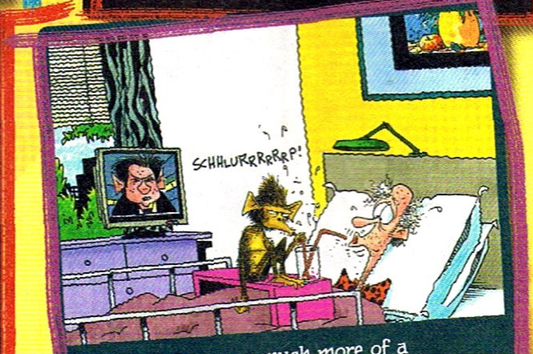

He pens a tell-all memoir that paints Tarzan in a really bad light.

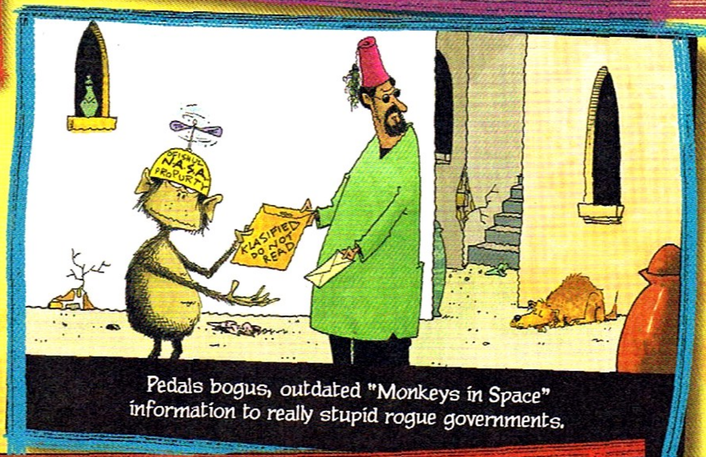

Practices inappropriate use of the prehensile tail.

Incidences of banana peel-related "accidents" become much more commonplace.

Becomes much more of a "Help Yourself" monkey.

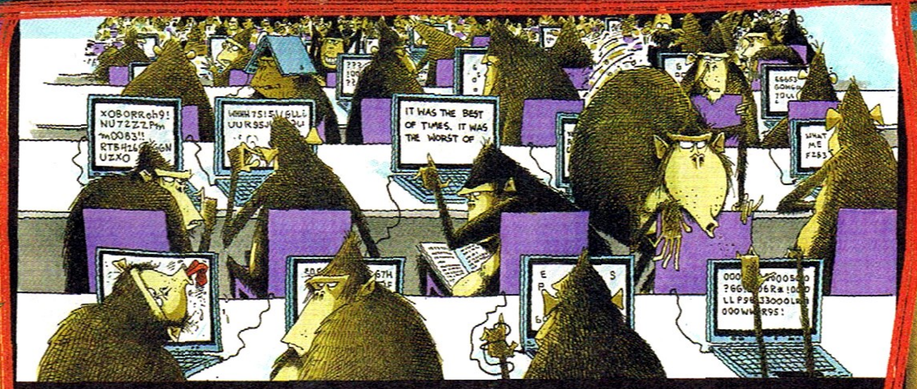

Pedals bogus, outdated "Monkeys in Space" information to really stupid rogue governments.

After six months of study, the only sign language he retains is that which he learned from Vito the maintenance guy.

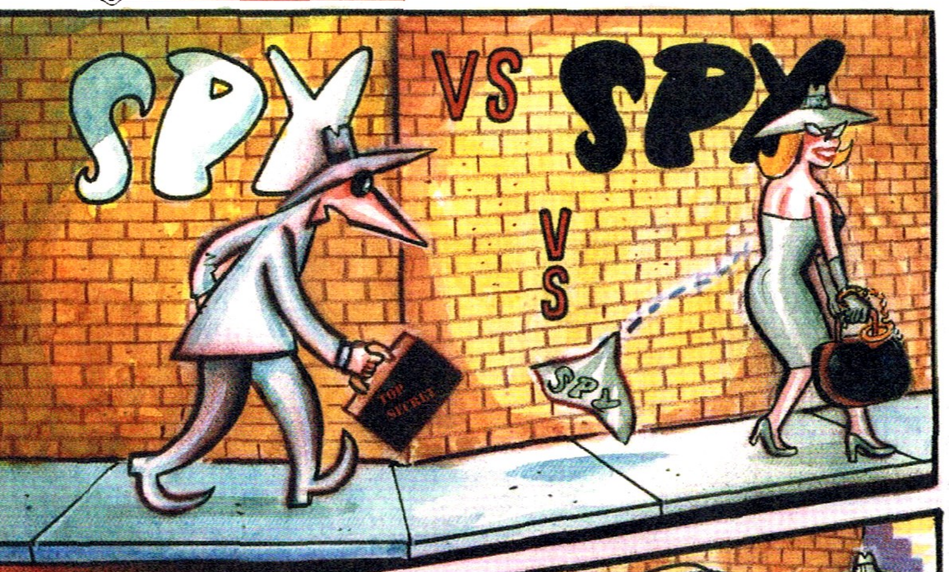

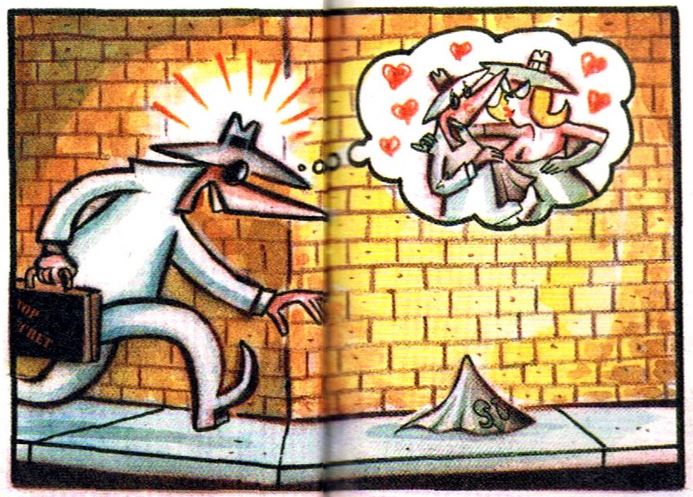

Writes off more than $1,500 a year in lab monkey tobacco expenses when, in fact, he's been bumming his smokes since 2003.

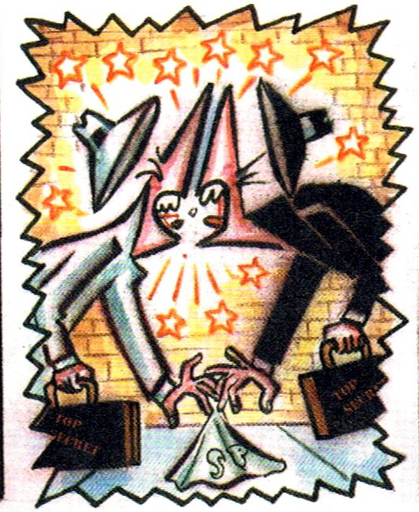

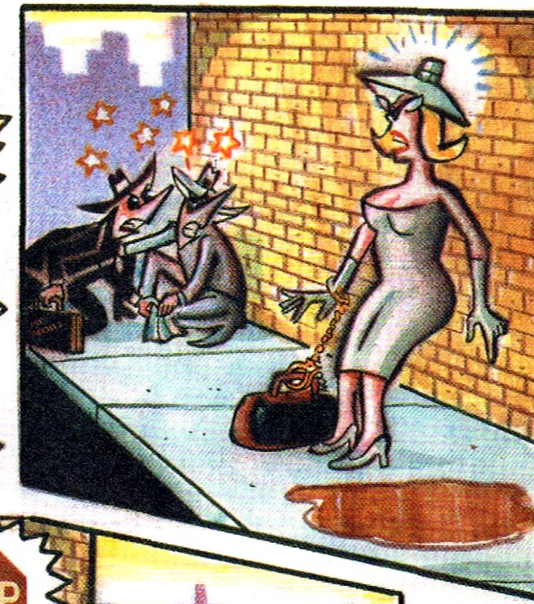

You know that old story about an unlimited number of monkeys eventually writing a great novel? Well, it happens a lot sooner if you throw a plagiarist in the mix.

The road to the White House is paved with wild accusations and vicious name-calling. The halls of high school also house their share of rumors and taunts, but for some reason, class elections are relatively civil (except, of course, for an occasional pantsing). With all eyes on election coverage this year, the dirty and despicable tactics used in the presidential race are bound to inspire the political hopefuls running for student government.
Here's what to expect...

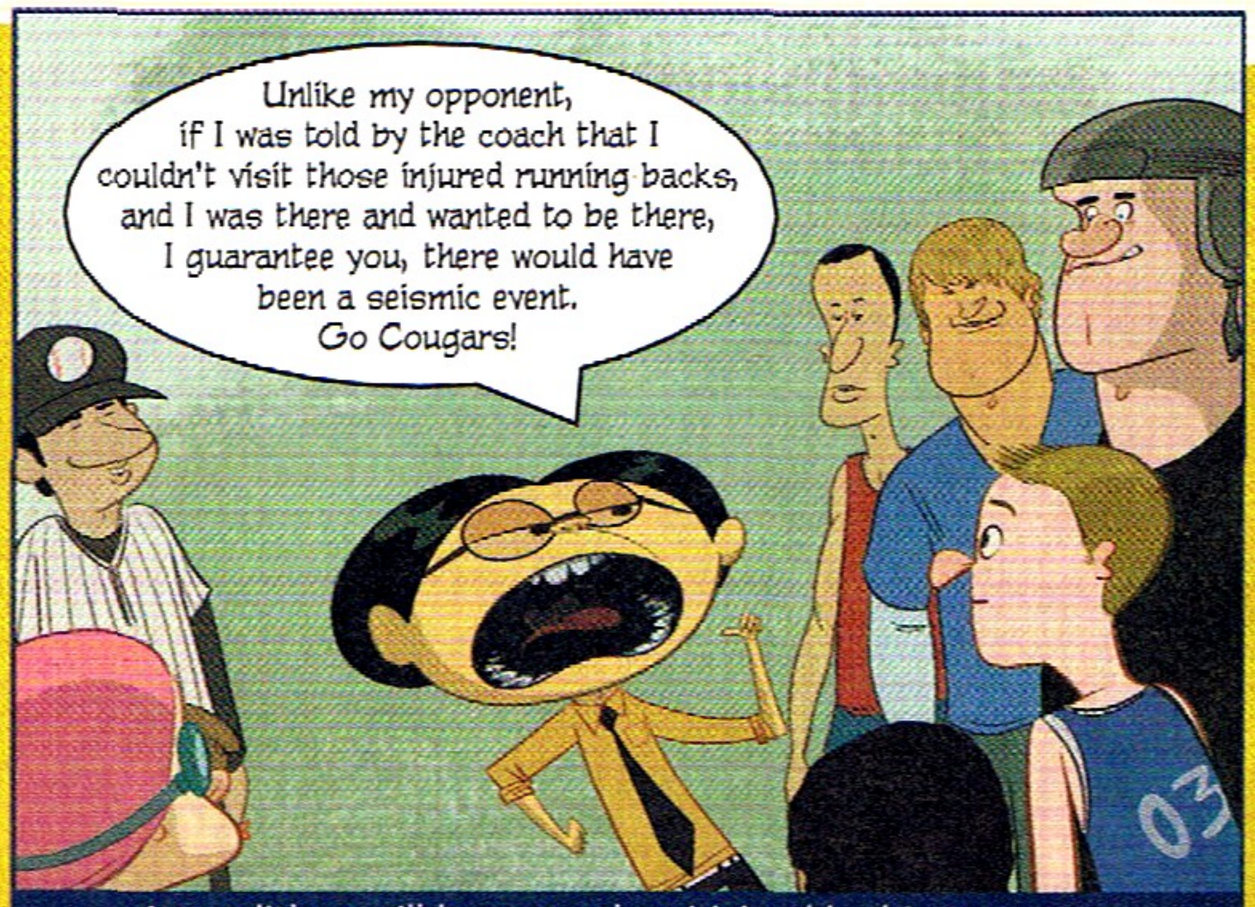

WHEN HIGH SCHOOL ELECTIONS ARE RUN LIKE PRESIDENTIAL ELECTIONS

A candidate preferring Sierra Mist to Mountain Dew will be labeled "an elitist."

The level of a candidate's school spirit will be continually called into question.

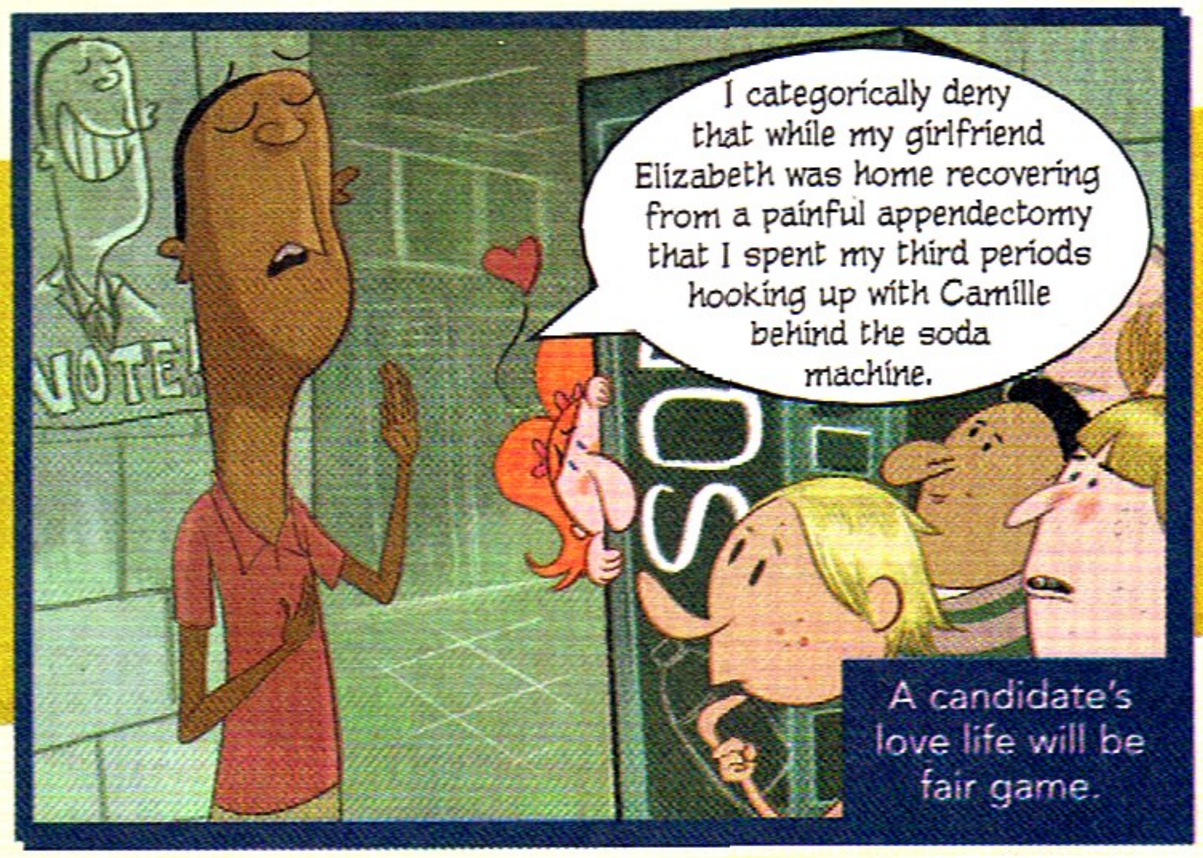

A candidate will be severely criticized by his opponent for claiming to support the football team but failing to visit injured players after a big game.

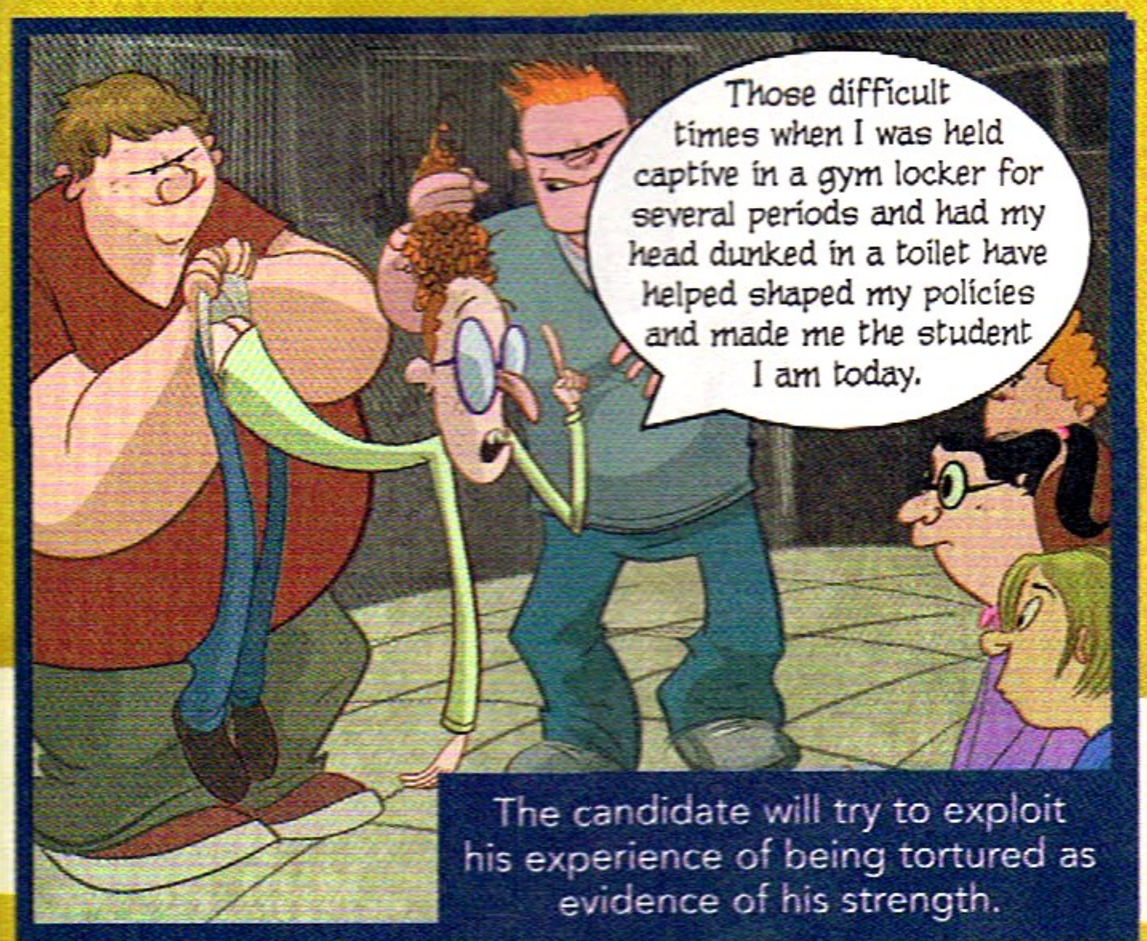

A candidate will question her opponent's ability to handle a 3 P.M. phone call.

A candidate will point out his rival's ties to "special interest groups."

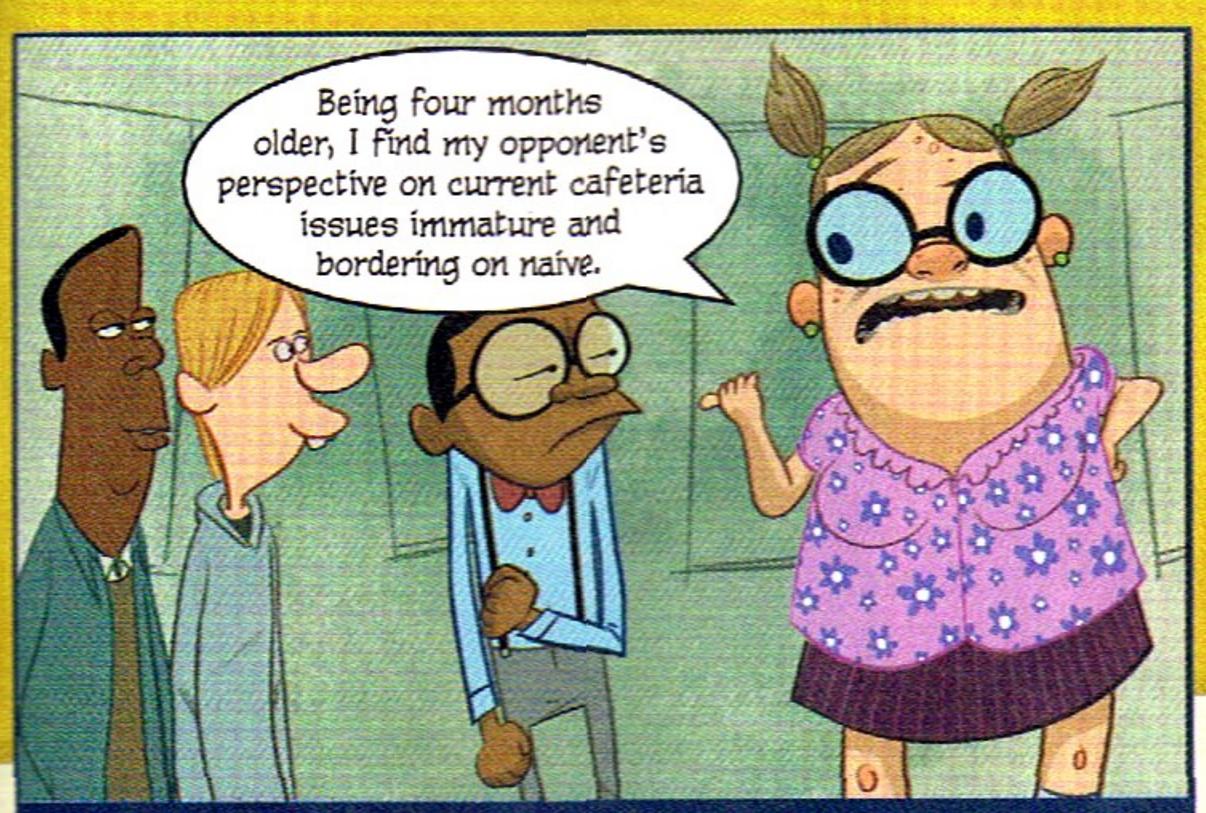

A candidate's love life will be fair game.

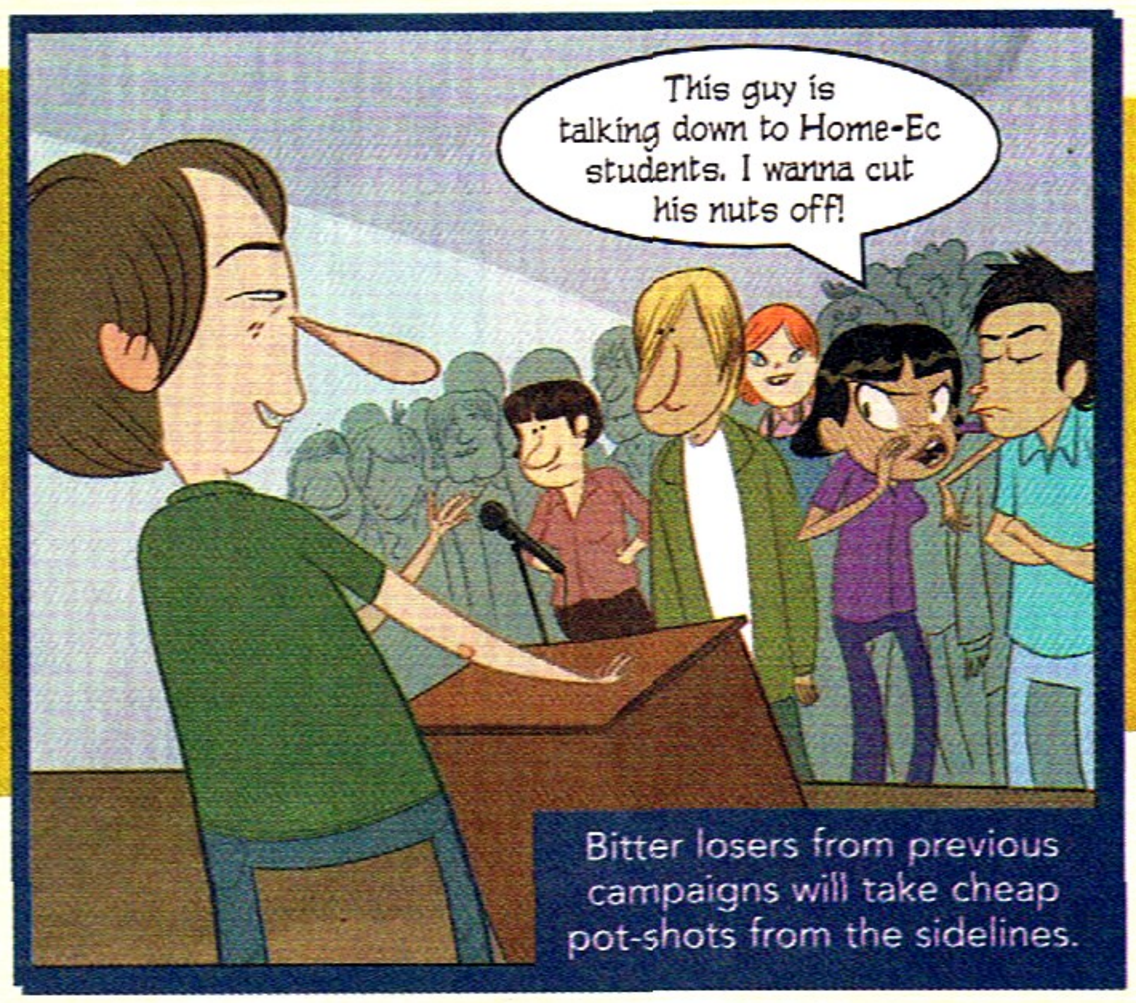

The candidate will try to exploit his experience of being tortured as evidence of his strength.

In an effort to bolster his image as an "experienced and respected leader," a candidate will go on a multi-city speaking tour of other high schools.

The older candidate will trumpet his maturity and experience.

Bitter losers from previous campaigns will take cheap pot-shots from the sidelines.
