"FAMILY" REUNION DEPT.

When last we saw the beloved Minestrone Family three years (and a couple of hundred bodies, and several Academy Awards, and $100 million in box office grosses) ago, God had made Vino, the original Odd Father, an offer he couldn't refuse and called him to that "Great Pizzeria In The Sky," and Micrin, Vino's youngest son, had taken over. We pick up the action again with Micrin Minestrone as Head of the Family and determined to prove that *he* can play . . .

LAKE TAHOE, 1958

Gee, what a **great day!** Not a **cloud** in the **sky!**

Yeah! if it wasn't for them **letters** and **numbers** up there, the weather would be **perfect!**

Dummy! That sets the **time** and **place** of the **action!** See? We're at **Don Micrin Minestrone's estate in Nevada** for his **son, Antonio's, COMMUNION!**

What's a **Communion?**

It's like a **Bar Mitzvah** for **Catholics!**

Oh, yeah! A **Bar Mitzvah!** That's when a kid says a **prayer,** and then they give him a **fountain pen!** When does **Antonio** get the pen?

Probably in about **ten years** or so . . . unless he gets himself a real good **mouthpiece!**

Who's the **clown** who made the **rotten joke?**

That's **Rocco Mozzarella . . .** the **Capo** of **23 Mafia Families!**

That's a **dirty lie!!**

Freako, have you seen **today's newspaper . . .?**

I'll go and **fetch it** for you, Honey!

Isn't that **disgusting!?** A marriage should be based on **mutual love** and **respect!**

Then how come I'm **Number 74 in line** to see you?

I'll **make it up to you,** Fay! Tomorrow is our Wedding **Anniversary,** and I've got a **surprise** for you!

Oh, what **is it,** Micrin? **Tell me! I can't wait!!**

I'm moving you up to **Number 38!**

SICILY, 1901

Don Choochoo, esteemed **Mafioso,** I would like you to meet my **Son, Vino . . .**

Such a **handsome boy!** Soon he will look just like his **Father!**

But his **Father** is **dead!**

That's what I **meant!! KILL HIM!!**

That's just **adorable!** Okay, let the boy go!

Then Simple Simon made the Pieman an offer he couldn't refuse!

KILL that kid! **KILL HIM!!**

LAKE TAHOE, 1959

Well, there goes Freako! And there goes the hotel deal!

Hey, everybody! I think this is turning into a Surprise Party!

Oh, yeah? What's the surprise?

SURPRISE!!

And there goes the country!

It's great being home, Tim! But I missed being here for the Holidays! So give me a run-down! What did you get my Son, Antonio, as a Christmas present from me?

Detroit!

Kids nowadays are spoiled rotten! When I was a kid, the most my Father ever got me was Staten Island!

WASHINGTON, D.C. 1959

Micrin, things are piling up! You got scores to settle with Herman Roth and Freako . . . and now a Senate Investigating Committee wants you to appear before them in Washington!

A Senate Committee? *Uh-oh!!* That could mean the end of our whole operation! By the way, who owns Washington?

Your daughter, Maria! You got it for her last Christmas!

I think we got a fighting chance!

Mr. Minestrone, you have been called before this Senate Committee because we are determined to wipe out the cancer that is threatening to destroy America in the '50's! State your name and line of work . . . and no lying!

I am Micrin Minestrone! I am the Capo of Capos in the Mafia! I control all prostitution, gambling and narcotics in this country. I deal in extortion, blackmail and murder! And I won't stop until the whole world is mine!

Mr. Minestrone, stop stalling! Are you now, or have you ever been a Communist?

No . . . I swear it!

Thank you, and God bless you!

NEW YORK CITY, 1917

What is the meaning of today's Religious Festival, Papa?

We are grateful that we Italians have lived through the past year, and we are asking the Almighty to please let us all live through the coming year!

And do you think that the Almighty . . . Don Tuttifrutti . . . WILL let us all live through the coming year, Papa?

Yes, if we give him a little respect, a little devotion, and a lot of payola!

Bless you, Don Tuttifrutti . . . forever and ever . . . Amen!

Hail, Don Tuttifrutti, our Beloved Savior!

Hey! How come Vino Minestrone is the only one around here who doesn't respect me? How come he doesn't offer prayers to me like the others?

But I heard him offer you a prayer a while ago!

Yeah? Well, you tell him that, "Don Tuttifrutti, you're some cutie!" is just not good enough!

Vino Minestrone! What are you doing at my apartment?!?

What are you gonna do . . . ?

Don Tuttifrutti, you've been shaking down the pushcart peddlers, and stealing from everyone on Mulberry Street long enough . . . and I hereby make a vow! From this moment on . . . there will be no more crime in the streets!!

Kill you here in the house!

BLAM! BLAM!

LAKE TAHOE, 1959

So you finally show up around here, Freako, my dirty rotten double-crossing Brother . . . !

I'm such a weakling! All my life, I do the wrong things and say the wrong things! Can't you forgive me for one little mistake, Micrin?

For shooting at me in my bedroom . . . ?

No, for missing!

Whoops! I did it again!

Micrin, I beg of you! Please don't kill Freako! Please don't kill your own Brother!

Canny, you know how devoted I am to our family! Do you think I would ever kill Freako while Mama's alive?

Oh . . . thank you, Micrin! Thank you!

Tim, put out a contract on Mama!

NEW YORK CITY, 1925

Micrin, I have had it! I'm through! I'm leaving you!

But, Fay! I love you! I'll change my way of life! I swear it . . . !

No . . . I want a divorce!!

A divorce?!? That's a sin against God!

Okay! I respect your religion! There's only one solution!

Right! Tim, put out a contract on Fay . . . !

Micrin, you're a good Catholic!

Vino, things have changed around here since you got rid of that ugly, vicious Mafioso killer, Don Tuttifrutti!

Yeah . . . and replaced him with a gentle good-looking Mafioso killer, mainly ME!!

You got everything you could want! And all of your enemies are gone!

All except one . . . and I'm gonna take care of HIM right now . . . !

WHO?

SICILY, 1925

Remember me, Don Choochoo?

Please! I'm just a tired old man!

Try! Think back twenty-four years! A Mother . . . and a little boy . . .

Please! Leave me alone! I'm very old and very tired!

Let me refresh your memory . . .

Simple Simon met a Pieman
going to the fair,
Said Simple Simon to the Pieman,
"Let me taste your ware?"
Said the Pieman to Simple Simon,
"Show me first your penny . . ."

Yecch! It was horrible! What a terrible way for an old man to die!

Stabbed in the gut with a knife?

No . . . bored to death by a dumb Nursery Rhyme!!

LAKE TAHOE, 1959

Well . . . all of my enemies are gone now!

All of MY enemies are gone now, too!

POP!! What are you doing in MY decade?

Mama mia! With all the crazy switching back and forth in this picture, I KNEW this would happen!

It's a miracle!

You're not kidding! My own Son is older than me!

Well, Pop! They made a lot of money on these two "Odd Father" movies! But I'm retiring now, so I guess it's all over!

It's too bad, too! We still got 16 years of blood and gore between NOW and 1975! It would be nice if we could squeeze out one more picture . . . !

It sure would! But who could possibly be The Odd Father Number III?!?

Hi, Pop! Hello, Grandpa!

Dozens of the words we use today come from the names of real people. For instance, "sandwich" is named after the Earl of Sandwich, "bloomer" after Amelia Bloomer, and "zeppelin" after Count Ferdinand von Zeppelin. You never know when someone's name is going to become part of our language and get in the dictionary, but there are a lot of celebrities today who have a good chance. In fact, MAD believes it's time that Noah Webster immortalized these current-day big-shots, namely with these...

LET'S KEEP PARENTS FROM INTERFERING IN KIDS' GAMES

Traditionally, the school gym, the playground and the corner lot have been places where youngsters could play harmless games without interference from their parents. But now, after hard-working coaches and promoters have helped the kids organize their pastimes on a profitable basis, suddenly Mom and Dad have decided they want to meddle in after-school activities.

This department recently heard of a nervy mother in Ohio who dared complain to her son's coach about midnight-to-dawn practice sessions, even though the kid was a rookie who obviously needed the work-outs. In Seattle, parents actually refused to let their talented outfielder-son accompany his Little League team on a two-month exhibition tour of Siberia and the Gobi Desert.

And so it goes throughout the land, as coaches and league officials suffer harassment from parents who stupidly intervene in athletic matters they know nothing about. Many don't even realize that harsh player discipline, rigid training schedules and occasional injuries are all involved in building a winner. Coddled kids finish last!

Taking legal custody of pre-teen athletes away from parents and giving it to sports promoters who know what's best is the logical solution to this problem. We urge you to support legislation permitting such action now, for the good of athletics and the American Way of Life!

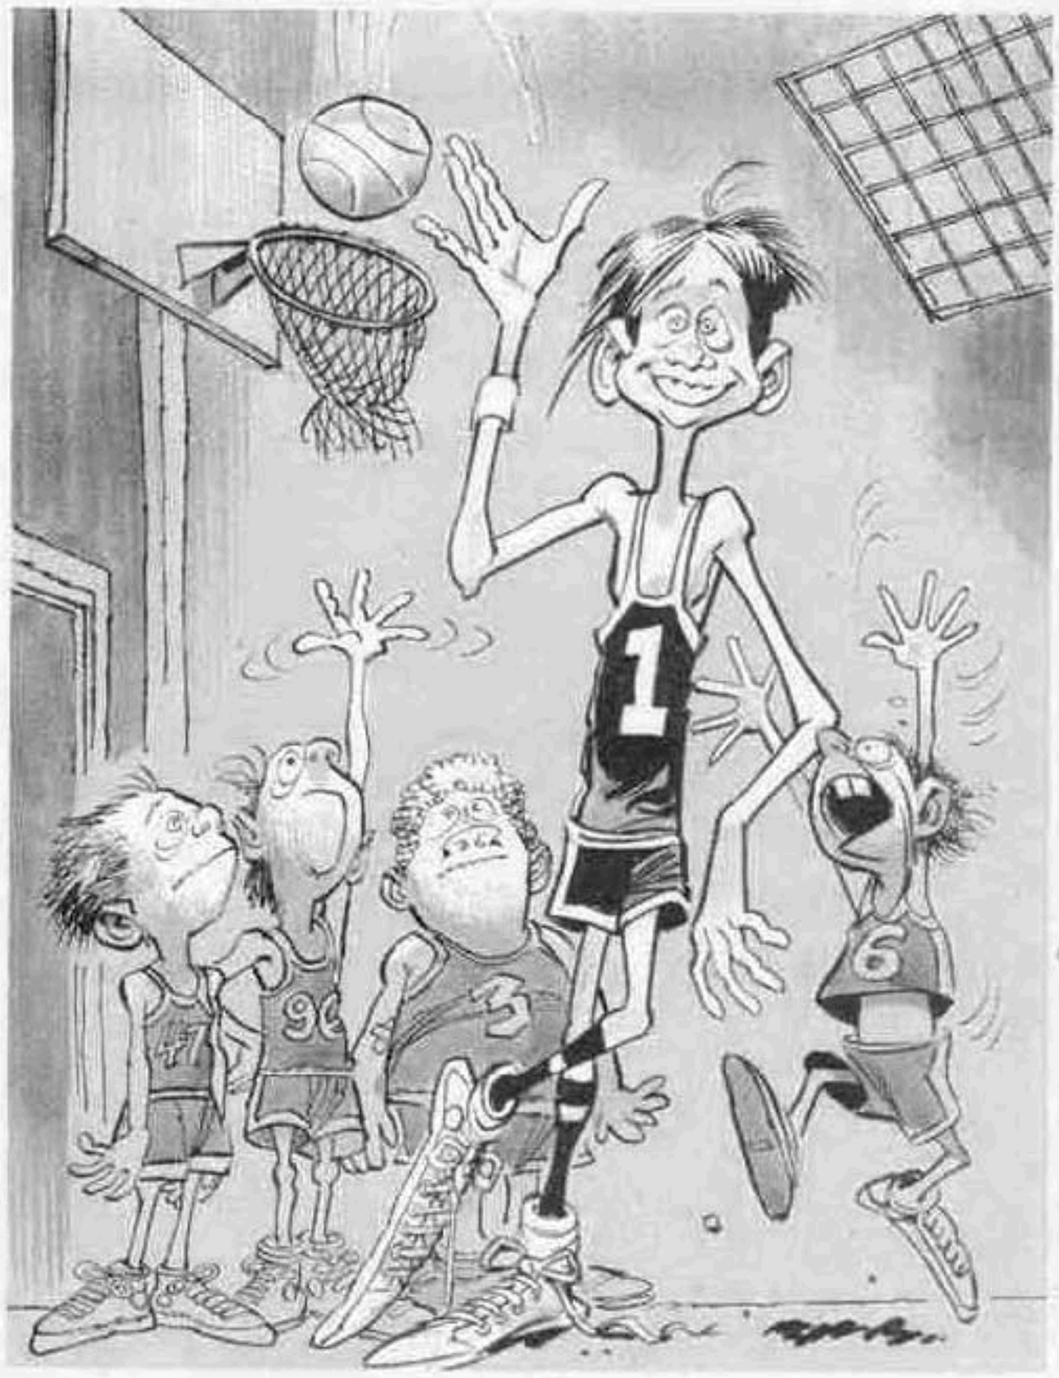
STAR CAGER BLINKNY WILL ATTEND JAGGER JUNIOR HIGH



Blinkny is shown here displaying his cheerful attitude toward the game, a sportsmanlike characteristic that first attracted the recruiters' attention to the youth.

Months of breathless anticipation in the juvenile basketball world ended this week when Grammar School Cage Wonder Kermit Blinkny announced that he will attend Mick Jagger Junior High in Miami, Fla. The personable sixth grader had received recruiting offers from more than 300 junior highs, coast to coast.

"I picked Jagger mostly because of what it will mean to my family," the unselfish youth told reporters. "They offered to make Dad principal of the school at $200,000 a year, which is pretty good for a man who's spent his life working in the mail room at a tree nursery. Of course, they're also giving me a condominium and any girl in the 7th grade I want."

Blinkny first made headlines as a promising six-footer who sparked Miss Rexrote's Kindergarten to the National Nursery School title in 1968. At P.S. 247 in his native Kansas City, he averaged 91 points a game over the next six seasons, adding a foot to his height as he matured. More important, as officials at Jagger hastened to point out, he was a brilliant D+ student.

Blinkny displayed his superior intellect in explaining why he never even considered attending the junior high in his home district, which offered no bonus. "An athlete has to make the best deal he can while he's still in his prime," the boy stated. "Also, I found the academic program I was offered at Jagger very appealing."

Young Blinkny will major in physical education and study hall during his junior high career, although there are no requirements that he actually attend school.

"GOAT" OF DIAPER BOWL NAMED PEE-WEE M.V.P.

Colorful Quarterback Bubby Clatnik has learned that the fortunes of big time football in the Pee-Wee League can change swiftly.

It was only last New Year's Day that an eye-gouging penalty called against the personable five-year-old cost his team a probable victory in the Diaper Bowl, and made Bubby the "goat" of the game. But the hooting of enraged fans was all but forgotten last week as Clatnik was chosen to receive the Liceman Trophy, symbolizing his supremacy as the nation's top grid toddler.

The surprise choice was explained at presentation ceremonies by Pee-Wee League Commissioner Pete Gazelle. "Bubby had a brilliant season that was marred only by the mistake of getting caught cheating on one key play," said Gazelle. "It would be a great loss to football if he went ahead with the suicide he's been contemplating ever since he caused his team to lose the big one. Even a bungled attempt to kill himself could sideline him for several pre-season games next year, and hurt us badly at the box office."

In his acceptance speech, Bubby admitted telling reporters at the time of his Diaper Bowl humiliation that he planned to "stick my head in the bathtub and breathe water 'til I die." However, he said he didn't realize that carrying out the threat would have caused him to miss next season.

This year's Liceman Trophy Winner Clatnik accepts the coveted award from Commissioner Gazelle at the Pee-Wee League Banquet as delighted franchise owners look on.

KEN NOSEBLOW: LIVING PROOF OF YOUNG SPORTS BOOM

Australian-born Ken Noseblow, is shown here returning a serve in the recent National Six-and-Under Tournament.

Further evidence of the growing interest in Young Sports was offered this week when the World Tiny Tennis League filed a $500,000 damage suit against Ken Noseblow for breach of contract. It was the largest court award ever sought from a junior star, far surpassing the $20,000 collected from A.J. Cute for cheating in the 1972 Soap Box Derby.

Noseblow seemed jubilant over becoming the central figure in the biggest legal dispute yet to hit the Young Sports world. "I just knowed those grown-ups were going to get real, real mad at me," the talented four-year-old chortled. "There wasn't no way in a trillion, zillion years that I could have played in the Tiny League and with Jack Framer's Touring Toddlers at the same time. But I signed with both of them so I could make the biggest, giantest lawsuit that ever was."

Attorneys for both sides agree that little Kenny has created a highly complex dispute that could drag on in the courts until the boy is too old to play tennis at all.

Dear Mangler,
I am already nine, but still haven't been able to make the grade in any league sport, mostly because I can't see without real thick glasses. I think that practicing hard until I become the best junior chess player in the world might make me feel like less of a schlep. Can you suggest a training and practice schedule for me to follow? W. C., St. Paul, Minn.

Dear Four Eyes,
It's little Commies like you who are threatening to undermine our whole American system of Young Sports. If you're a loser and can't make a team, you can still volunteer to launder uniforms or be a tackling dummy. That's the way to regain your self-respect, not by staying in the house and playing sissy games.

Dear Mangller,
I aint doing gude in skule becawz I spend awl my hoamwerk time playing sports. My mom is mad becawz I do that and sez I better git promoated to the thurd graid this yeer for shure. Or els she is gowing to maik me stop playing sports so much. I am strawng enuff to deck her if she gives me trubble. But is their sum uther way to handel the problum?
Joey, Sinsunnatta, Ohioh

Dear Joey,
Beating up your mother will only waste energy that can be put to better use on the playing field. Instead, why not try pointing out to her that Joe Namath, Jerry West and O. J. Simpson each make more money than the President of the United States? For the real clincher, mention casually that Wilt Chamberlain once built a $250,000 house for his mother.

Dear Mangler,
My Pre-Teen League football coach keeps me warming the bench because he says I'm too light to be a first string lineman.

R'S MAILBOX

Can you suggest a training diet to help a growing boy put on a lot of weight fast?

Slim, Ogden, Utah

Dear Slim,
Large quantities of beer are often helpful in creating the bloat that adds pounds quickly. I'd recommend consuming at least a six-pack a day, along with plenty of macaroni and fudge. If your local liquor store won't sell beer to a minor, I'm sure that any conscientious coach will be glad to buy it for you.

Dear Mr. Expert,
In basketball practice, I'm able to hit from all over the floor. However, I'm small for my age. So once the game begins, the bigger opponents just reach up and bat my shots away. Does this mean I'll have to waste my career concentrating on defense, even though I'm a good shooter?

Short and Sad, Omaha, Neb.

Dear S & S.,
Certainly not. You just have to learn to jump when you release the ball. Once you can get high enough to knee an opposing guard in the groin, I guarantee you that he won't even think about reaching up to bat your shot away.

Dear Mangler,
Ever since I was in the Kindergarten League, I've known I have the killer instinct to become a big hockey star. But now I've got a prissy Sunday School teacher for a coach, and all he talks about is being a good sport, win or lose. I know this is a crock of you-know-what, but my folks won't let me cross the street alone to join a good, gutsy team in the next block. How can I keep up my morale?

Dear C. V.,
If God had meant for you to be a "good loser," He wouldn't have given you the skill to handle sports equipment. Or, to express it another way, coaches who get fractured skulls from being hit with hockey sticks have to step aside and turn the job over to somebody who can handle it. Get the picture, kid?

Hammerin' HANK AADNOYD, the 1974 batting champ of the El Paso Little League, has been recalled by his team's parent club, the Chicago White Booties. Hank's parents say they'll sell their home and quit their jobs in Texas to accompany the youth as he tries to capitalize on his big chance to break into the Minor's Majors . . . Disciplinary tactics employed by Football Coach ELBERT (BLOODY) HAYES are being investigated by Small Ten Conference officials. Hayes reportedly kicked a nine-year-old pass receiver 65 yards (against the wind) after the boy bobbled the ball on a recent key play . . .

Sore arm trouble has forced Former Pitching Great LEFTY GRMBOTCH to abandon hopes for a Juvenile League comeback. The washed-up 12-year-old now spends his days hanging around a neighborhood lemonade stand, cadging drinks and begging other patrons to listen to his baseball reminiscences... News of the latest triumph for Civil Rights: Promising Slugger WILLIE LEE JACKSON will be the first to break the color barrier in New York's 125th Street Junior Stickball League. Until Jackson volunteered, no white kid had ever mustered the nerve to try out in the Harlem loop . . .

The Juvenile Jockey Association may soon lower its minimum age limit from 7 to 4. Explains Association President EDDIE EMBARCADERO: "A four-year-old may not be quite big enough to race a Shetland pony, but he's just the right size to ride greyhounds at the dog track.". . . But don't get me wrong—I love the little creeps! See ya next month!

WHAT IS A GUIDA

ARTIST: SERGIO ARAGONES

Between the time you first enter school wondering what you want to be, and the time you graduate wondering why you turned out to be what you didn't want, you are certain to fall into the clutches of a creature known as a Guidance Counselor. Guidance Counselors exist at every educational institution, and can be spotted in a flash because they are the only adults around who look a little too smart to be janitors, and a little too dumb to be teachers.

Generally speaking, a Guidance Counselor is a person who spends four years studying psychology at the state university so he can advise you to spend six months studying arc welding at the local trade school. He also feels eminently qualified to counsel you about your emotional problems, which aren't as bad as his . . . and your sex life, which is a lot better than his. In setting you straight on such delicate matters, he may take any one of three approved Guidance Counseling approaches: The Firmly Mistaken, The Flexibly Indecisive or The Wishy-Washy Namby-Pamby.

The strange ways of the Guidance Counselor can be viewed in their most horrendous form when he is put in charge of Student Activities. His idea of a gala Homecoming is to have the police round up all the drop-outs and drag them back to school. His idea of a memorable Senior Prom is to let the girls dance in the gym from eight to ten, followed by the boys from ten to midnight. And his idea of scheduling the season's Big Game is to have your chess club play a match against Honolulu High School . . . by mail.

But despite their shortcomings, Guidance Counselors perform a unique function in our educational system. Who else would have the nerve to coach you on getting ahead in life when he's been stuck in the same job for thirty years? Who else would dare to enforce the school dress code while he's wearing a blue suit with a green necktie and brown shoes? Who else would brazenly try to score aptitude tests after his own aptitude test showed a lack of aptitude for scoring aptitude tests? And who else would rush through a guidance session on the development of adult emotional relationships, just so he could hurry home for an evening of solitaire in the apartment he shares with his mother?

Qualified or not, Guidance Counselors seem to feel a compulsion to dispense guidance wherever they go. Even in their spare time, they can be observed systematically guiding their relatives into nervous breakdowns . . . guiding their neighbors into frantic searching for new homes across town . . . guiding their friends into switching off the TV football game so they can watch "Meet The Press" . . . and guiding their '66 Chevy Novas into Howard Johnson's for a big Saturday night English Toffee spree.

NCE COUNSELOR?

WRITER: TOM KOCH

Most students naturally assume that the lives of Guidance Counselors are always dull and drab and devoid of emotional highs. Not so. In private moments, they have been known to experience Sheer Ecstasy . . . when they find a juvenile parole violator who can be sent back to reform school. They often feel a sense of Deep Fulfillment . . . whenever they can scream at a coed for stupidly getting pregnant. On occasion, they even succumb to Flaming Passion . . . and throw the president of the Ethnic Students' Association out of their office, while he's still presenting his demands.

All in all the typical Guidance Counselor embodies the same laudable qualities found among great men in other walks of life. He possesses the Cheery Good Humor of John Mitchell, the Sensitive Understanding of Johnny Carson, the Quiet Patience of Muhammed Ali, the Unswerving Loyalty of Wilt Chamberlain, the Creative Imagination of Johnny Mann, the Guileless Generosity of King Faisal, the Stately Bearing of Mickey Rooney and the Calm Maturity of Jerry Lewis.

A Guidance Counselor is really everything a student could want in a friend and advisor. He is Fatherly Concern with a vacant stare, Warm Camaraderie with a cold, wet handshake, Liberal Open-Mindedness wearing an American Legion pin, Total Competence in mis-matched socks, and the Ideal, All-Around, Well Balanced Parent Figure, who doesn't happen to have any children of his own because he never got married because the prospect of going out on his first date still terrifies him . . . at age 46.

Most Counselors take a special pride in their Vocational Guidance techniques, which consist mainly of signing you up for all the courses, you'll ever need to launch a career that you don't want and they don't understand. But even after you've taken every course and graduated with very honor, a Guidance Counselor is seldom able to find you a job as a New York Disc Jockey or a Hollywood Talent Scout or a Boston Symphony Conductor. More likely, his Placement Service will offer you work as a Super Market Box Boy or a Steel Mill Furnace Stoker or a Shepherd.

The only thing you can be absolutely sure of is that the vocation chosen for you by your Guidance Counselor will be the wrong one. If your I.Q. tests out at 194, he'll try to steer you into a street cleaning apprenticeship. If you're flunking Remedial Multiplication, he'll spot you as a good prospect for nuclear physics. But no matter how ill-suited you are for the career he's picked, you'd better follow his advice. After all, things could get a lot worse if you force him to fall back on his second choice, and utter those words that every student dreads to hear:

"YOU'VE GOT WHAT IT TAKES TO BECOME A GUIDANCE COUNSELOR!"

This was a **great idea,** copying the **"Arthur Treacher's Fish And Chips" TV Commercial** . . . inviting my girl to **dinner,** going out and **buying** the ready-made stuff and making out like I'm **preparing it** here in the kitchen!

It's all ready!

Hi! I'm **Mason Reach,** this issue's **"Sports Personality Interviewer!"** Why **Me . . .** and not somebody more **suitable,** like **Howard Cosell? Because!** So **there!!** Now, let's get on with it, and meet **Royal "Bear" Hades,** who's been chosen as . . .

MAD'S COLLEGE FOOTBALL COACH OF THE YEAR

Coach Hades, as a successful sports figure, you are admired and looked up to by the youth of the nation! Is there something special you'd like to **say** to them . . .?

Yeah . . . Hey, all you kids out there! Run down to the store now, and buy my book, **"Losing Is Un-American!"** It'll not only teach you how to be a winner in the game of **FOOTBALL,** but in the game of **LIFE!**

Does your book teach **clean play, honesty** and **sportsmanship?**

Of course not! My book teaches you how to **WIN!** Listen, kid, **NOBODY** wins using **those** stupid tactics!

How do you think **your** team would do against a **PRO TEAM?**

Sonny! My team **IS** a Pro Team! Our **payroll** is **higher** than half the teams in the **NFL!**

ARTIST: JACK DAVIS WRITER: LOU SILVERSTONE

Coach Hades, what's the **most important ingredient** in being a successful coach?

A **College President** who wants a **winning team,** and doesn't care **how** he **gets** it!

C'mon . . . I'll show you around! This is one of our **Dressing Rooms . . .**

This—this **CLOSET** is where your team dresses for a **game?!?**

Nah! This is where the **VISITING team** dresses for a game! Today, games are won on **two** fields: the field of **play,** and the field of **psychology!** You'd be surprised how a crummy dressing room like this can **demoralize** an opposing team!

You sure have a lot of **players** on your squad!

They aren't **players!** They're my **assistants!** Football is a **highly specialized game!** It calls for specialized **squads** and specialized **coaches** to **train** them!

Undt vot iss **diss?**

That's a **football,** Coach Himmelring! That's the **ball** that the game is **played** with!

Diss is vye zey **sent** for me?!? I don't **know** from zuch t'ings! I vass told I vood be trainink troops to **tackle, torture** undt **administer punishment!** Zat iss my **specialty!!**

LINE COACH

DEFEN COACH

OFFENSE COACH

PHONE COACH

TORTURE COACH

DAY COACH

There go my **two top assistants!** I just couldn't **function** without **them!**

Are they in charge of **Offense** and **Defense?**

Nope! One is in charge of fixing the **High School transcripts** so top players can get **into** our school . . . and the other's in charge of making sure they don't **flunk out** once they're **here!**

And this is my **star substitute!**

He's not much bigger than **me!** What position does **he** play?

He **doesn't play!** He substitutes for my first team players when they have to take **exams!** He may only weigh **130,** but his I.Q. is **160!**

C'mon! Let's see some **HITTING** out there! **HIT! HIT! STICK . . .**

If that's the **team,** they don't look much like **Football Players!**

They're **not!** They sell **programs, hot dogs** and the **rest** of the goodies! My contract calls for **10% of the concessions!** C'mon, you slobs! Lets see some **hustle!** There's gonna be **60,000 people** out there Saturday! **Move!**

Hey, **look—** we gotta **practice Friday night** when "Sanford and Son" is on the **TV!!**

What's **wrong** with our **Publicity Department?!** I haven't been on **one magazine cover** all season! How'm I gonna win the **Heisman Trophy** with no **cover stories?**

Do **all** of your players gripe like that', Coach Hades?

They wouldn't **dare!** Anybody that don't like the way I **run** things can **turn in his uniform!** Having **malcontents** around is bad for **team moral!**

Then **how** come you don't throw **THOSE two** off the team?

Because **THAT** would be bad for **MY** moral! They're both **All-American!**

Do you have any **special plays** you use against particularly tough teams?

Here's one I dreamed up . . . **"The Hidden Key"** play . . .

When the opposing team gets to their **dressing room at half-time,** they find the **door locked!** By the time the **Field Superintendent** is located, and comes up with the **Master Key,** the other team has spent ten or fifteen minutes standing around in a **drafty corridor,** getting **no rest . . .** with no time to plan **second half strategy!**

15 MIN.

SUPER

DRESSING ROOM

What do you find is your **toughest game?** Michigan . . .? Notre Dame? UCLA? CCNY?

Le'me tell you something, Mr. Peanut! My **toughest** game is the **"Recruiting Game"!** If I don't win **that,** I don't play on the **same field** as those teams! I'm prouder of landing **Loony Joe Donn** than I am of beating **Alabama!** That was **some struggle!**

Did he select State because you offered him a **car, clothes, money under the table** and a **job** for his **Father?**

Nah! **290 schools** offered him **THAT!** I nailed him with my **Secret Weapon** . . . my **sure-fire convincers, "THE RECRUIT-ETTES"!**

That's **US!** We give our **all** for **State!** Come to **State,** you little devil, and we'll show you a few plays you won't **find** in any **playbook!**

Gee . . . isn't he kinda **YOUNG** to be recruited, Coach Hades?!?

Take it easy, girls! This **isn't** a recruit! This is **Mason Reach,** from **MAD!** I was telling him how you girls keep our visiting High School stars from getting **homesick** while they're here, looking over our Campus!

Gee! How does **that** help recruit 'em?

Hey! How old **ARE** you, **anyway,** kid?

Coaches are famous for their **inspirational speeches!** Can you recall your **best one?**

Sure, "If you want a station wagon that's **tough, economical** and **roomy,** try the triple—threat **Shlock 360!"**

I meant to the **players!** You know, a speech that **fires them up** to play their **best ball . . .**

I don't **bother** with **those** silly things anymore! I inspire our guys with **cash bonuses** for **good games** and a **giant jackpot** for whoever wipes out the other team's **quarterback!**

You mean you actually give your players **money** out of your **own pocket?**

Nahh! It comes out of the pockets of **friendly alumni!** We make the jokers **"Honorary Coaches,"** give 'em **hats** and **jackets,** and they don't care **WHAT** they spend!

Then the Athletic Department **never** makes **cash payments** to the **players?**

To quote our great past President– "That'd be **WRONG!"** No, we give 'em batches of **tickets** for the **games!**

But don't they **"scalp"** the tickets for a lot of **MONEY?**

What they do on their **own time** is **their** business!

What would you say is the **biggest problem** in coaching a top-ranked college football team?

All of the **stupid restrictions** they put on us Coaches! See that guy? He's probably **out** for the **season** with that knee injury!

That's **terrible!**

You said it! It means his **scholarship** is **WASTED!** Now, I gotta **carry** the creep, even though he **can't play!**

OW! OW! OW! OW! OW!

Where are we going **now,** Coach Hades?

I want to call on a **hot High School prospect!** But first, let's watch this **Peewee League** game . . .

HIT! HIT! C'MON YOU SLOBS! YOU CALL YOURSELVES "MEN"?!? LET'S SEE SOME HITTING OUT THERE . . .

Do you think that organized football is **good** for a boy my age?

Best thing in the **world** for a kid!

Why?!? Because it makes a **MAN** out of you?

No, because it makes a **ROBOT** out of you! One season under a **"Kill-To-Win" Coach** is all a boy needs to be **"broken"** . . .

. . . and **that** makes him a lot easier to coach when he **grows up!**

You mean, **IF** he grows up!!

Here's the place! As soon as I finish studying this **"Scouting Report,"** we'll go in!

Does that report tell you all about the **player?**

I **know** all about **him!** This is a report on his **parents!**

You mean you scout the **parents?**

Of course! The **key** to successful recruiting is to know the **correct** way to approach the **parents** . . . which ones should be **bribed,** which ones should be **buttered up,** which ones should be **conned,** and so forth!

Good afternoon, Mrs. Boonesdurry! It's a **real pleasure** meeting you! Naturally, I **hope** young Brian decides on **State!** But if he **doesn't,** I certainly hope that he chooses **ANOTHER university** like **ours** where **education comes first!** I've always felt that **playing football** is a **fine pastime,** but a **strong mind** is **more important** than a **strong body!**

It certainly is **refreshing** talking to **you,** Mr. Hades! Those **other** coaches that were here offered Brian all kinds of **money** and **cars** . . . it was so **disgusting!!**

Coach Hades, I **still** haven't decided between **State** and **West Point!** I want to **serve** my **country** . . .

Of **course** you do, son! And **Patriotism** is one of the things we **look for** in a boy! **Patriotism, speed, size** . . . and a **good pair of hands!** If you **REALLY** want to serve your country, then come to **STATE!** What's **more American** than playing with **America's number one college team . . .?!**

Sure, **West Point's** got a **team!** But what about **after** you graduate? You can go on to **Pro Ball** from State! Just think about all our **lonely GI's** and **West Point Officers** stationed around the world, listening to **you** play **Pro Ball** on **Armed Forces Radio?** Do you know what our boys in the **foxholes** talk about? **Football scores!** Because **Football** is as **American** as **apple pie!**

Gee, how could I have been so **blind!** Coach Hades . . . I'm coming to **STATE!**

Brian's a **hard-working boy!** He'll make a great **back-up quarterback!** At **West Point,** he would have been a **STAR!**

Then **why'd** you talk him into coming to **State?**

Well, I could always **use** him in case my number one quarterback gets **hurt!** Besides, West Point has always been the **laugher** on our schedule! With a kid like **Boonesdurry** playing for them, I might have to **WORK** to beat them! And I don't need **more** headaches!

Look at those **freaks,** picketing my **office!** They're teed off because I get a **bigger budget** than the **Science Department!**

Don't you think that **Science** is **more important** than **Football?**

Are you kidding? We draw **60,000 people** every Saturday! How many do those **eggheads** draw?!?

Ahhh! Those creeps don't bother me! I just signed a **ten-year, no-cut, iron-clad contract** to coach here at State! I want to spend the rest of my **career** at this great school! And if I ever get married and have **sons,** I want **them** to come to State! I've recruited every boy on this team **personally,** and they're **loyal** to me! And that's what I **like** in a boy . . . **LOYALTY!!**

Pardon me, son! I gotta take this call!

Yes? Speaking! **How** much? Listen, I **get** that **already!** Up it another **ten grand a year,** throw in **"Athletic Director"** and you got a **deal!** Fine! I'll settle up my business **here,** and I'll **be** there faster than you can say **"Beat State"!**

Listen, kid! I got a **scoop** for you! You are now looking at the **new "Coach and Athletic Director"** of **Midwestern U.!**

But—but what about **"loyalty,"** and your **ten-year iron-clad contract** with **State?**

Contracts were **made** to be **broken,** kid! Football is a **tough racket,** and a man has to look out for **himself!** Also, I owe it to my **family** to take this great opportunity!

WHAT family . . .?!?

My **two dogs** and my **parakeet!** Besides, it's a **challenge!!** The stadium **there** holds **80,000 . . .!**

But what about all the **players** you recruited, and all the **promises** you made to their **parents . . .?**

That's **THEIR** problem! Of course, any players that **haven't** enrolled yet, I can take **with** me! After all, Midwestern U. is a **fine school** with a **great tradition,** and if I ever have **sons,** I'd want **them** to go to Midwestern . . .

I **think** this is where we **came in,** so . . . this is **Mason Reach,** signing off for **MAD Magazine!**

Despite its shortcomings, Television has given us a wide variety of programs to suit every taste. At the mere flick of a channel selector, you can have your choice of a fat detective, an Indian detective, a black detective or a detective with the physical handicap you enjoy most. Barnacle, you're in **fairly good shape** for your **age!** But I'd suggest that you **stop** trying to **climb fences** and **run down alleys** chasing **crooks!**

Why . . . ? I always wear my **orthopedic sneakers** and my **rubber underwear!**

But you've **slowed down!** The cops have to give you a **big head start now** so you can stumble to the scene of the crime and solve it before they do!

What's **THAT** got to do with it?!?

Not very much, Ah guess! But it shore does make a mighty fine li'l **conversation stopper,** don't it!

Just send my Father-In-Law a **bill** the first of the month!

We'd prefer **CASH . . .** and **right now!** For **his** age group, the **average life expectancy** is only **FOUR DAYS!**

No, to regain my **hayseed dialect** after workin' in the **city too long!** Didja notice how that **Doctor** could almost make out what Ah was **sayin'** to him?

A Miss **Overshaw** is outside, Barnacle! She says that you agreed over the phone to look for her **missing 72-year-old Brother!**

Well . . . Ah'm goin' **fishin'** right now . . . so jus' tell the ol' bat that I don't bother huntin' for **runaway delinquents!**

She'll pay **double** your **usual fee!**

Come to **think** of it, fish make me **sick!** Show the dear lady in . . .

You're **kind** to help me find **Hubie,** Mr. Groans! But why did you ask me to take the **wheels** off m·· car and bring them **here?**

Isn't it **unusual** to have this **expensive crime lab equipment** when the **rest** of his office is so **crummy?**

Maybe! But Barnacle insists he's **too young** to wear **glasses!** So the only way he can examine **clues** is with a **$5000 microscope!**

Let's mosey up to **Dullsville,** Patty! Because applyin' my **sophisticated equipment** and **keen deduction** to this scrap of **paper** stuck to the tire, Ah **know** that's where the **missin' man** is!

No . . . from what's **printed** on it! It's a **ticket stub** from the **Dullsville Drive-In Movie!**

That's **amazing!** Can you tell from a **chemical analysis** of the paper . . . ?

Hunt around here for your missing man if you **want** to, Pops! But I think you should **know one thing:** This can be a **mighty unfriendly little town!**

YOU ARE NOW ENTERING
DULLSVILLE
NOSEY OLD STRANGERS,
KEEP OUT

Oh, **yes,** Mr. Groans! This **message,** just came for you!

Hmmm! Ah **don't know** anyone here in Dullsville! Ah wonder who coulda **sent** it!

Most **anyone** in **town!** We're **ALL** unfriendly here! Which **also** might **explain** why I'm charging you **$30 a day** to sleep in a **broom closet** next to the **boiler room!**

WHILE YOU WERE OUT

MESSAGE Whoo boy Are You IN Trouble NOW

This puts me in mind of somethin' my **Daddy** used to say to me . . . "Never swap a **healthy cow** for a **three-legged mule!"** An' Ah 'member **another** time when he said to me, "Never—

Please! Take the **Bridal Suite** . . . the **Penthouse** . . . **ANYTHING!** Just **stop** with the **cornpone philosophy!**

Nice going there, Barnacle! It **works every time!**

PEORIA
DULUTH

In case you **forgot,** I'm your **SON'S WIDOW!!** Why didn't you get us **separate rooms?!?**

'Cause Ah 'member what **happened** to my boy the day after your **Honeymoon!** He jus' **keeled over** and **died smiling!** Ah'd **shor** like to go out the **same way!**

But . . . what about **Hubie Overshaw?!?**

Let him find his **OWN** girl!

BED

Barnacle, I think we see **too much** of each other! In **three years,** you've never given me **one day off** to lead my **own life!**

Well . . . I figured havin' you **around** is **indispensable!**

Because I'm the **perfect secretary?**

No, because you're the **perfect blood type!** If I need a **transfusion fast,** I can't waste time **huntin'** for you!

Well, **that** saves a dime! There's only **one Hubie Overshaw** in the **phone book,** and **callin'** him is **pointless!**

Really? **Why?**

'Cause if he **answers,** that means he's **home!** But the one that **we're** huntin' for is **missin'!** And if a feller's **home,** he **ain't missin'!** That's **elementary criminology!**

Somehow, your explanations always sound more like **advanced senility!**

TELEPHONE

We haven't got a **single clue** except that **picture** of **Hubie** his **sister** gave us, Barnacle! Why don't you track down **clues** like **other** Detectives?

'Cause I rely strictly on my **quaint charm** and **phony naivete!** Why bother with **clues,** when I can **nauseate** suspects into giving up?

Mighty Unfriendly Little Tavern

BILGE BEER

Watch me shovel some of my quaint charm on this **Bartender** to make him **talk** without arousing any **suspicion!**

Bartender, bring me a glass of milk . . .

MILK?!?

We **hate inquisitive strangers,** Stranger! You're just **lucky** we haven't caught you checking up on our **crooked Police Chief!**

Or poking around the **Mayor's** office!

Or, worst of all, spotting **new graves** in the **cemetery!**

How come you nice fellers are givin' me all those swell **clues**

Because without **our** help, you'd never find the best place in town to get your **head** bashed in!

Barnacle, a man **your** age shouldn't **scuffle** with a mob like that!

Pshaw! Us Private Eyes **all fight a lot,** and the **bad guys** never even lay a **hand** on us!

That means you're **all right,** then?

No, it means I fell down and sprained my whole body **BEFORE** they even laid a hand on me!

Say, do **you** know where I can find this **missin' man** before I get **killed completely?**

Don't bug me! I'm a **mighty unfriendly li'l drunk!**

Dag nab it! Is **everyone** in this town **mean** and **vicious?**

Yep! The **newspaper editor** is **Wizard** of the **Ku Klux Klan!** The **school principal** heads the **Book-Burning-Of-The-Month Club!** The **Mother Superior** of the **convent** is really **Frank Sinatra's bodyguard** in **drag!** And . . .

There's somethin' **peculiar** goin' on here! It just don' figure that **100%** of the folks in this town would be **nasty** and **rotten!** After all, the **national average** is only **92%!**

It's a plot to keep me from finding **Overshaw!** Tomorrow, **I'll** grill the **Mayor** while **you** hunt for **new graves** in the **cemetery** like they warned us **not to do!**

Why can't **I** talk to the Mayor, while **YOU** go to the cemetery?

Petty, when a man as old as **me** goes to a cemetery, it ain't worth wastin' the **gasoline** to come **back!**

Are you **sure** you never saw this man around Dullsville!

Positive! Sorry!

Oh, **that's** okay, Mayor! Ah'm **used** to it! Sometimes, Ah run into a **lot** of dead ends before Ah cleverly find the **one clue** that cracks the case **wide open!**

ZAP that old duffer! He's close to finding out **everything!** He **CAN'T** be as stupid as he **acts!**

But suppose he **really IS** that dumb?!?

Then we can call it a **MERCY KILLING!**

Hold it right there, Old Timer! We **gotcha!!**

Dad burn it! Even the **HOODLUMS** in this town are **mighty unfriendly!**

Sure lucky for **me** . . . *puff—puff* . . . that I always . . . *pant* . . . keep in **top notch** . . . *wheeze* . . . **physical shape** . . .

Those flabby punks . . . *gasp—gasp* . . . got more than they **bargained for** . . . *wheeze* . . . *rattle* . . . when they took out after ol' Barnacle . . . *groans* . . .

Time out! King's X! Fins! Fingers crossed!

Aw, for Pete's sake! We ran as **slow** as we **could** to put some **excitement** into this stupid chase!

Now, you **spoiled** it all! You could've just **stepped** across there! But, **NO . . . !** You had to be a big **SHOW-OFF** and try to **JUMP** across!!

Well . . . so much for the **excitement!** Now . . . we **kill** you . . .

Y'know, that puts me in mind of somethin' my **Daddy** used to say . . .

"Buildin' the **roof** of the barn **first** just means you gotta put the **hayloft** in the **basement!**"

An' Ah 'member **another** sayin' of his that might interest you fellers! It goes like this . . .

. . . an' after that, my Daddy tol' me somethin' **else** I never forgot!

"Ridin' a **swayback mule** is a whole lot like ridin' a **camel upside down!**" Or was it **"inside out"** . . . ?

Groans must've **shot** them! He was the **only one here!** So now we can put him out of circulation on a **murder rap!**

But these men **weren't** shot, Boss! They look like they **died** of **boredom!**

Then that **clinches** the case! It **HAD** to be Groans!!

I got **nuthin'** t' **report,** Petty! The Mayor didn't even act a **little bit suspicious!** How'd **you** make out?

Well, I found **several fresh new graves** in the cemetery! And **ONE** of them was marked **"Hubie Overshaw"!**

Hmmm! **I've** been lookin' **high** and **low** for him . . . but I guess I wasn't lookin' **quite low enough!** I wonder what he **caught** that proved **fatal** . . . ?

MIGHTY UNFRIENDLY LITTLE RAG

NOSY OLD STRANGER MENACES TOWN

He caught a **bullet** right between the **eyes!** I got rid of **him** and all the **others** in those graves because they were **OLD! I hate** old people! Folks in this unfriendly town are **unfriendly** because of **old people!**

How come? Ah always thought we were sorta **loveable!**

You **wouldn't think so** if you lived in a town with a **crooked Mayor!** Here, the young people are **sore** because their **taxes** keep **rising** to **pay** for what the **old people need,** plus what **I steal!** Luckily, I devised a **great new plan** for **Government ECONOMY** . . . mainly, **kill off the old people!**

Viewin' the problem **impartially,** Ah reckon that **could** balance the budget!

And now, Groans, I've got to kill **YOU . . .** because you **found out** about it!

Oops! Ah think Ah jus' **stopped** viewin' the problem impartially!

It's no good, Boss! I'm **taking you in!**

Even for a **crooked COP,** 13 murders is an **unlucky number!**

Besides, we **stopped** being best friends after you built the **Dullsville Freeway** from your **house** to your **office** . . . right through my **bathroom!**

But I **HAD** to cut expenses on **that** because **OLD AGE PENSIONS** were costing so much

Hey! What's an **Old Age Pension?**

Dumbbell! That's what a **town** has to pay all its **old codgers** who **can't** collect **Social Security!**

Okay! What's this **Social See-cure-itty?**

Are **you kidding,** Groans?!?

Barnacle, it's **incredible!** You thought you had to **keep on working** because you'd never heard of **Social Security?**

Yep! Unless maybe Ah **heard** of it when I was **too young** to **get** it . . . and when I was **old enough** to get it, Ah was **too old** to **remember** Ah'd **heard** of it! **That** makes sense, **don'** it?

Oh, **sure!** Just enough to convince me that you should **retire immediately!**

After **you** tell **Miss Overshaw** about **Hubie, I'll** notify the **Social Security people** that you're ready to **quit work** and let the **U.S. Government** support you!

Sounds like a mighty fine arrangement! **Imagine . . .** gettin' **paid** jus' for bein' **OLD!**

YOU ARE NOW LEAVING

DULLSVILLE

DON'T HURRY BACK . . .

EVER

Bang! Bang! I **gotcha,** Blackie! You're **dead!**

I'll be the **crook,** and you guys chase me through the **abandoned warehouse!**

Ain't fair! You get to be the crook **every** day! It's **my** turn!

Raise your hands, Mr.!

OLD DETECTIVES **RETIREMENT HOME**

I—I **would** if I **could** . . . but I **can't!** My **lumbago** is **killin'** me!

In my prime, I found **John Dillinger's gun moll!** What did **YOU** find, Old Timer?

Me? Ah found somethin' that beats **that** eight ways to **Sunday!** It's called **Social See-cure-itty!**
